# ROB CALARCO

## March 2014

*Welcome Spring!*

*It's been a rough winter for a lot of us – too much snow, too many days of sub-zero temperatures and too many missed days of work, school and events. Thankfully March is a month of new beginnings and spring is on its way.*

*March is also a very busy time at the Legislature. Our calendar is in full-swing with two General Sessions. This month we have before us numerous projects in the Department of Public Works, we'll consider raising the age of cigarette purchases to 21 and will accept several grants on behalf of the Suffolk County Police Department that are designed to keep the public safe.*

*I am proud to announce one of my bills passed unanimously, IR- 1040 adding pet groomers to the existing Animal Protection Rating Agency. So many Suffolk County residents consider their pets a member of their family, and I am proud to carry legislation that will provide an extra layer of protection.*

*If you have any questions about this legislation, or any other Suffolk County issue, please call my office or email me at [robert.calarco@suffolkcountyny.gov](mailto:robert.calarco@suffolkcountyny.gov). I'd love to hear from you!*

*Rob*
