RE: RESOLUTION 1058-2009; APPROPRIATING FUNDS IN CONNECTION WITH ESTABLISHMENT OF A DOG PARK AT SOUTHAVEN COUNTY PARK (CP 7065)

Dear Presiding Officer Lindsay and Members of the Legislature:

I am returning herein **RESOLUTION 1058-2009; APPROPRIATING FUNDS IN CONNECTION WITH ESTABLISHMENT OF A DOG PARK AT SOUTHAVEN COUNTY PARK (CP 7065)** vetoed in its entirety.

I have been an ardent, vocal and strong supporter of dog parks in Suffolk County. In fact, I have led the charge to their establishment in several county parks. Under my direction, the Parks Department has been aggressively identifying additional sites suitable for this purpose. However, we must ensure that the needs of all park users are respected and balanced and that the safety of non dog owners is also ensured. In addition, we must evaluate the extraordinary costs associated with this particular dog park in the face of one of the toughest budgetary years we have experienced in recent memory. The Parks' Department estimate that this dog park will cost upwards of \$90,000 is an expense that Suffolk County taxpayers simply cannot afford. By contrast, the natural borders dog park we opened just two miles away at the Robinson Duck Farm cost a mere \$6,000.

In March 2009, the Parks Trustees advised against this resolution and noted that "there is a need by [Parks] Operations to utilize Southaven County Park for other park uses and cannot afford to lose the location for a dog park." I agree that this location is unsuitable.

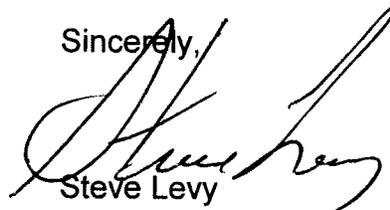

Additionally, establishing a dog park at Southaven County Park at this time is premature because the necessary environmental reviews, including a SEQRA determination, have yet to be completed. These important steps have been created to ensure that a full vetting of locations would be completed and should continue to be followed.

In order to be responsive to the needs of dog owners in Suffolk County, it is expected that the new natural borders dog park at the Robinson Duck Farm in southeastern Brookhaven created this year will serve as a model for a cheaper alternative to the other dog parks that have been discussed while also satisfying the desires of the constituency it is intended to serve.

When I first envisioned the concept of dog runs in our county, it was for very simple fenced off areas. Since then, the parks have included water hook-ups, paved parking areas and synthetic flooring. These extras are both expensive and unnecessary, especially in these difficult financial times.

For the reasons enumerated above, I strongly urge the legislature to heed the advice of the Suffolk County Parks Trustees and sustain my veto of this resolution.

Sincerely,

Steve Levy
