1st **RESOLVED**, by this Legislature, as follows:

Section 1. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature hereby finds and determines that 1) it is in the public interest to perform the proposed increase and improvement, including the construction of an odor control system and tank covers; 2) the proposed work is adequate and appropriate; 3) the cost of such increase and improvement shall be set at a maximum of approximately \$750,000; and 4) the increase and improvement will not constitute an undue burden on the property which will bear the cost thereof;

Section 2. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature further finds and determines that the cost of the project will equate to \$26.24 per year per typical property. Section 3. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature further finds and determines that all property and property owners within the existing Suffolk County Sewer District No. 5 – Strathmore Huntington, will be benefited by such increase and improvement of facilities and that no benefited property has been excluded therefrom;

and be it further
