

**RESOLUTION NO. 787 -2010, MAKING A SEQRA DETERMINATION IN CONNECTION WITH THE PROPOSED DEPARTMENT OF PUBLIC WORKS SEWER DISTRICT NO. 14 – PARKLAND, CONSTRUCTION OF ADDITIONAL RECHARGE BED, CP 8118, TOWN OF ISLIP**

**WHEREAS**, the Suffolk County Council on Environmental Quality (CEQ) has reviewed a project designated as the "Proposed Department of Public Works Sewer District No. 14 – Parkland, Construction of Additional Recharge Bed, CP 8118, Town of Islip", pursuant to Section 6 of Local Law No. 22-1985 which project involves adding a new recharge bed to the east of the largest two existing recharge beds; and

**WHEREAS**, an Environmental Assessment Form (EAF) was prepared and submitted to the CEQ Office by the Suffolk County Department of Public Works and subsequently sent out to all concerned parties; and

**WHEREAS**, at its June 16, 2010 meeting, the CEQ reviewed the EAF and information submitted by the Suffolk County Department of Public Works; and

**WHEREAS**, the CEQ recommended that the above activity be considered an unlisted action, pursuant to the provisions of Title 6 NYCRR, Part 617 and Chapter 279 of the Suffolk County Code; and

**WHEREAS**, the CEQ has advised the County Legislature and the County Executive by memo dated June 17, 2010 of said recommendations; and

**WHEREAS**, Section 279-5(H) of the SUFFOLK COUNTY CODE requires the Presiding Officer to introduce legislation for an appropriate SEQRA determination; and

**WHEREAS**, the Suffolk County Legislature has reviewed the EAF and the CEQ recommendations; now, therefore be it

**1st RESOLVED**, that this Legislature hereby determines that the Proposed Department of Public Works Sewer District No. 14 – Parkland, Construction of Additional Recharge Bed, CP 8118, Town of Islip constitutes an unlisted action, pursuant to the provisions of Title 6 NYCRR, Part 617 and Chapter 279 of the Suffolk County Code, which project will not have significant adverse impacts on the environment for the following reasons:

- 1) The proposed action will not exceed any of the criteria in Section 617.7 of Title 6 NYCRR, which sets forth thresholds for determining significant effect on the environment, as demonstrated in the Environmental Assessment Form;
- 2) The proposal does not appear to significantly threaten any unique or highly valuable environmental or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and the Suffolk County Code;

- 3) The expansion is required by the Suffolk County Department of Health Services and is needed since the existing eight recharge beds have partially lost capacity as they are being affected by the recent rise in the local groundwater table;
- 4) All necessary N.Y.S.D.E.C. permits will be obtained; and
- 5) The site was originally acquired by the County as part of treatment plant property for future expansion purposes;

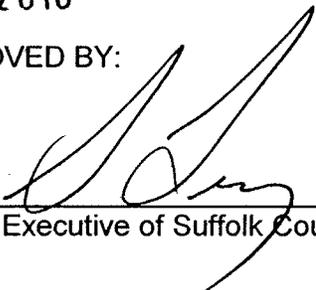

and be it further

**2nd** **RESOLVED**, that a copy of this Resolution shall be filed with the Suffolk County Clerk, the initiating unit of said project, and with the CEQ; and be it further

**3rd** **RESOLVED**, that in accordance with Section C1-4(1)(d) of the SUFFOLK COUNTY CHARTER and Section 279-5(C)(4) of the SUFFOLK COUNTY CODE, the CEQ is hereby directed to prepare and circulate a SEQRA notice of determination of non-significance in accordance with this Resolution.
