NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the Suffolk County Legislature in Riverhead, New York, in said County, on the 12th day of October, 2010 at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing upon a proposal to plan the expansion of the facilities that are associated with the Bergen Point Wastewater Treatment Plant for Suffolk County Sewer District No. 3 – Southwest in and about the Towns of Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County Legislature by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, at which time and place said Suffolk County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide a 10 million gallon per day expansion of the Bergen Point Wastewater Treatment Plant. The cost opinion associated with the project is \$65.0 million for the expansion project. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2011. Based on the project schedule, the maximum payment will be during 2012 at a value of \$6,175,000. Financing is at 4.65% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately \$61.85 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the Towns resulting in an increase of 0.17959 per \$1,000 of full value for Capital Project 8183, Expansion Project.

In addition to the Expansion Project there are two concurrent projects in Sewer District No. 3 – Southwest. The total increase per typical property for all three projects is approximately \$18.64.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.
