

**RESOLUTION NO. 957 -2010, AMENDING THE
CONSULTANT SERVICES PROCUREMENT POLICY FOR
NON-MEDICAL IN-HOME SOCIAL SERVICES PROVIDERS**

WHEREAS, Chapter 708, Section 708-6(E) of the SUFFOLK COUNTY CODE, establishes procurement procedures and dictates the use of procurement contracts for "client services", those services being programs contracted for by the County on behalf of third party clients, including, but not limited to, programs to provide social services; and

WHEREAS, Section 708-6(E) (2) directs Suffolk County, and the County Departments of Social Services and Health Services to waive any request for qualification (RFQ) requirement in the selection process that leads to the award of contracts for home health care providers subject to a rate of reimbursement set by Suffolk County and/or payment for reimbursement of rates established by contract by Suffolk County and pursuant to state regulations and licensing requirements; and

WHEREAS, Section 708-6(E) (2) does not authorize a waiver from the RFQ requirements for other Suffolk County departments or agencies who also provide in-home social services, but a waiver of RFQ requirements is equally appropriate for these other County departments and agencies because these other departments and agencies use the same providers as the Departments of Social Services and Health Services and pay the same established rates to the providers as do the Departments of Social Services and Health Services; and

WHEREAS, in-home social service providers are subject to the regulations and licensing requirements of New York State, and the possession of a current license or registration in and of itself qualifies these providers for contracts with County departments or agencies; now, therefore be it
