COUNTY OF SUFFOLK

Dated: December 14, 2009

This Agreement for the Payment of Money in Lieu of Performance of Mitigation Measures (this "Agreement") is made as of this 14 day of December, 2009, by, between and among HERITAGE-RIVERHEAD RETAIL DEVELOPERS, LLC, a limited liability company duly organized under, and existing by virtue of, the laws of the State of Delaware, with an address at c/o Developers Realty Corporation, Corporate Center West, 433 South Main Street, Suite 310, West Hartford, Connecticut 06110, hereinafter referred to as the "OWNER," and

COUNTY OF SUFFOLK ("COUNTY"), a municipal corporation of the State of New York, having its principal office at the County Center Riverhead, New York 11901, acting through its duly constituted Department of Public Works, ("DPW"), located at 335 Yaphank Avenue, Yaphank, New York 11980-9744.

W I T N E S S E T H :

WHEREAS, OWNER is the owner of approximately 42.05 acres of property with access to County Road 58, hereinafter referred to as CR 58, in the Town of Riverhead, County of Suffolk, and further identified as SCTM# 0600-10100-0100-003000 and #0600-11900-0000-00600, attached hereto and made a part hereof; and

WHEREAS, OWNER desires to construct building space and related facilities, improvements, and permanent installations for a retail shopping center at the property (such property, building space and related facilities, improvements and permanent installations hereinafter referred to as the "Premises"); and

WHEREAS, if the Premises is constructed, pursuant to applicable law, the OWNER is required to either (i) make improvements to certain of the county roads of the County of Suffolk (the "County Roads"), in order to mitigate the impacts that the construction and operation of the Premises will have on the County Roads (all required improvements of any kind to the County Roads, the widening, reconfiguring, or improving of any County Road, the installing and modifying of traffic signals, lights, signs or road striping or markings relating to any County Road, and intersection improvements relating to any County Road, being herein collectively referred to as the "Improvements"), or (ii) in lieu of performing the Improvements, pay to the COUNTY a sum of money sufficient to reimburse the COUNTY for the cost of the COUNTY's performance of the Improvements, which sum the COUNTY and the OWNER have agreed is in the amount of Two Million One Hundred Thousand (\$2,100,000.00) Dollars; and

WHEREAS, the COUNTY and the OWNER desire that the OWNER remit to the COUNTY the Payment instead of the OWNER performing the Improvements;

NOW THEREFORE, in consideration of the individual mutual covenants, promises and representations herein contained, the Parties hereto do hereby agree as follows:

1. **Whereas Clauses**

The "Whereas" clauses are an integral part of this Agreement and shall have meaning and effect as though they were set forth at length in numbered paragraphs herein.

2. **Obligation of OWNER**

OWNER agrees to prepare and complete the design and construction documents ("Design") for the Improvements described in Schedule A, attached hereto and made a part hereof. In furtherance of such preparation, the Owner and its contractor(s) shall coordinate the Design with DPW and their consultant bi-weekly or as otherwise required by DPW until the completed Design is approved by DPW.

3. **In Lieu Payment**

The OWNER and the COUNTY hereby agree that the cost of designing and performing any and all Improvements to be performed by the OWNER with respect to any County Roads, as may be required by any applicable law, rule, or regulation; is in the amount of Two Million One Hundred Thousand (\$2,100,000.00) Dollars (the "Mitigation Amount"). The OWNER and the COUNTY hereby agree that the OWNER shall pay the Mitigation Amount to the COUNTY as provided for herein, in lieu of any obligation of the OWNER to perform any Improvements, as described in Schedule A, relating to any County Road necessitated as a result of the construction or operation of the Premises. The OWNER shall pay directly to the COUNTY an amount (the "Direct Payment Amount") equal to Two Million One Hundred Thousand (\$2,100,000.00) Dollars less (\$144,280.00) design cost incurred by OWNER to third parties for the Design and Construction Documents (the "Design Costs"). Provided that the OWNER remits the Direct Payment Amount to the COUNTY as provided for herein, the OWNER shall have no obligation to perform any Improvements necessitated by the construction or operation of the Premises. The Direct Payment Amount less (\$144,280.00) design cost, shall be paid in full by the OWNER to the Suffolk County Department of Public Works, at such place designated by the County

by the County within ~~thirty~~ days after (i) receipt of the requisite building permits to commence construction of the Premises ("Permits") and (ii) all requisite and applicable appeal periods having expired with no appeals having been taken by any third party. For purposes of this Agreement, the definition of permits shall include any and all Federal, State, County and local permits and approvals necessary for OWNER to begin construction of the Project.

4. **Failure to Obtain Permits**

Upon COUNTY's receipt of the approved Design, the COUNTY will commence planning for the construction of the Improvements, as detailed in the Design, the attachments, and the exhibits to this Agreement for incorporation in Capital Project 5529 (the "Project"). In the event that the Permits to build the Premises are not obtained within a reasonable time and, in the sole reasonable opinion of the COUNTY, Owner is not diligently pursuing the issuance of the requisite Permits, then the COUNTY shall have the right to terminate this Agreement. In the event that the Permits to build the Premises are obtained and Payment received by the COUNTY, once the COUNTY has let the Project, and provided the Improvements are part of the Project that is let, no refund of the Payment will be made to the OWNER from the COUNTY, regardless of whether construction of the Premises is delayed and/or cancelled.

5. **Completion of Mitigation Measures**

The COUNTY anticipates commencement of the Project in the fall of 2009 with all of the Improvements completed on or about June 2010. Upon the completion of the Improvements, this Agreement shall be deemed satisfied.

9. **Bankruptcy, Insolvency, Etc.**

The filing of an insolvency or bankruptcy petition by the OWNER, whether voluntary or involuntary, or the making by the OWNER of an assignment for the benefit of creditors, except in connection with any financing of the Premises, shall be deemed to be an automatic and immediate default hereunder by the OWNER.

10. **Merger; No Oral Changes**

RE: RESOLUTION NO. 36 – 2011, AUTHORIZING THE COUNTY EXECUTIVE TO ENTER INTO AN AGREEMENT WITH HERITAGE-RIVERHEAD RETAIL DEVELOPERS, LLC AND ACCEPTING A PAYMENT OF MONEY IN LIEU OF PERFORMANCE OF CERTAIN MITIGATION MEASURES, CONSTRUCTED UNDER CAPITAL PROJECT 5529, OLD COUNTRY ROAD, RIVERHEAD, AND AMENDING THE 2011 CAPITAL BUDGET AND PROGRAM AND APPROPRIATING FUNDS IN CONNECTION WITH THE RECONSTRUCTION OF CR 58, OLD COUNTRY ROAD, RIVERHEAD (CP 5529).

Dear Presiding Officer Lindsay and Members of the Legislature:

I am returning herein **RESOLUTION NO. 36 – 2011; AUTHORIZING THE COUNTY EXECUTIVE TO ENTER INTO AN AGREEMENT WITH HERITAGE-RIVERHEAD RETAIL DEVELOPERS, LLC AND ACCEPTING A PAYMENT OF MONEY IN LIEU OF PERFORMANCE OF CERTAIN MITIGATION MEASURES, CONSTRUCTED UNDER CAPITAL PROJECT 5529, OLD COUNTRY ROAD, RIVERHEAD, AND AMENDING THE 2011 CAPITAL BUDGET AND PROGRAM AND APPROPRIATING FUNDS IN CONNECTION WITH THE RECONSTRUCTION OF CR 58, OLD COUNTRY ROAD, RIVERHEAD (CP 5529);** vetoed in its entirety.

First and foremost, as was explained by the County Attorney's office on the evening this resolution was passed, it is the strong legal opinion of our bond counsel that the mitigation payment can only be used to retire the debt on the project, and not rolled into a new project.

It is important to realize that 2011 Operating Budget, as adopted by the Legislature, reflects the receipt of this \$1.9 million and allocates that money towards retiring debt, as

required by law. If this veto is not sustained, the Legislature will have created a \$1.9 million hole in our budget.

Furthermore, the sponsor of this resolution misrepresented the facts and the history of the CR58 project.

The expansion of County Road 58 – the gateway to the North Fork – had been in the pipeline for over a decade but did not move forward because of the lack of federal funds for the nearly \$70 million project. Rather than wait for federal funds that were unlikely to come, my administration took the same innovative approach we did on CR 39. We designed the project totally within the county right-of-way, greatly reducing the price by eliminating land acquisition costs, and negating the need for federal aid.

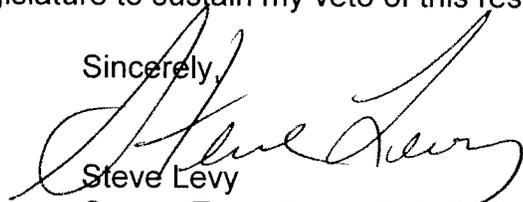

Just as we did with CR39, we reduced the CR58 project from a \$70 million job down to \$12 million – while still providing two lanes in each direction and a center turning lane.

While it is true that the original plans a decade ago proposed widening up to Route 25, that was only applicable when it was assumed we would receive federal aid. It was never – never – represented in the revised design for CR58 that the project would go all the way to Route 25. It was clearly and consistently stated that the work would go from the Long Island Expressway, through the Roanoke Avenue circle, and up to Ostrander Avenue.

If a legislator now wishes to propose an expansion to this already-successful project, he or she is very welcome to identify a capital program offset or propose raising our debt through further bonding. However the resolution as adopted would only further exacerbate our operating budget with a \$1.9 million hole by utilizing the mitigation payment in an unallowable manner.

For these reasons, I strongly urge the Legislature to sustain my veto of this resolution.

Sincerely,

Steve Levy
County Executive of Suffolk County
