

Intro. Res. No. 1366-2011  
Introduced by Presiding Officer, on request of the County Executive

Laid on Table 4/26/2011

**RESOLUTION NO. 403 -2011, CALLING FOR A PUBLIC HEARING FOR THE PURPOSE OF CONSIDERING THE INCREASE AND IMPROVEMENT OF FACILITIES FOR SEWER DISTRICT NO. 3 – SOUTHWEST (INFILTRATION/INFLOW STUDY/SEWER REHABILITATION) (CP 8181)**

**WHEREAS**, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 3 – Southwest; and

**WHEREAS**, a map and plan, together with an estimate of cost, has been prepared and filed with the County Legislature pursuant to Section 268 of the County Law in relation to the proposed construction of an ultraviolet disinfection system of said sewer district; and

**WHEREAS**, it is now desired to call a public hearing thereon; pursuant to Section 254 of County Law; now, therefore be it

**1<sup>st</sup>** **RESOLVED**, by the County Legislature of the County of Suffolk, New York, as Follows:

**Section 1.** A meeting of the County Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on the 7th day of June 2011, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

**Section 2.** The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

**NOTICE OF PUBLIC HEARING**

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on June 7, 2011 at 2:30 PM, Prevailing Time, for the purpose of conducting a public hearing upon a proposal to perform tasks necessary to reduce infiltration and inflow of County Sewer District No. 3 – Southwest in and about in the Towns of Babylon and Islip, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County legislature by the Suffolk County Sewer Agency with the assistance of the County Department of Public Works, at which time and place said County legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide construction and rehabilitation of sewers to remove and reduce extraneous flows from entering the sanitary system. The cost opinion associated with the Infiltration/Inflow Study/Sewer Rehabilitation Project is \$4.5 million. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2012. Based on the project schedule, the maximum debt payment will be during 2013 at a value of \$356,400. Financing is at 4.00% over 20 years for serial bonds. This unsubsidized increased rate amounts to a value per typical property of approximately \$3.54 per year. This figure was developed using the full value of the Towns of Babylon and Islip along with the median full value of a typical property within the towns resulting in an increase of \$0.0118 per \$1,000 of full value for Capital Project 8181, the Infiltration/Inflow Study/Sewer Rehabilitation Project.

In addition to the Infiltration/Inflow Study/Sewer Rehabilitation Project, there are two concurrent projects in Sewer District No. 3 – Southwest. However, there will be no fiscal impact to the benefited properties since pursuant to the Suffolk County Assessment Stabilization Reserve Fund, all residents of sewer districts experience a 3% annual increase regardless of any improvements performed with the annual typical property increase being \$19.17 including all three projects.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.

**2<sup>nd</sup>**            **RESOLVED**, this Legislature, being the lead agency under the State Environmental Review Act ("SEQRA"), Environmental Conservation Law Article 8, and pursuant to Intro. Res. No. 1197-2011 hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations ("NYCRR"), the Legislature has no further responsibilities under SEQRA, and be it further

**3<sup>rd</sup>**            **RESOLVED**, this resolution shall take effect immediately.

DATED: May 10, 2011

APPROVED BY:

  
\_\_\_\_\_  
County Executive of Suffolk County

Date:

**MAY 20 2011**

SUFFOLK COUNTY  
County Legislature  
RIVERHEAD, NY

*This is to Certify That I, TIM LAUBE, Clerk of the County Legislature of the County of Suffolk, have compared the foregoing copy of resolution with the original resolution now on file in this office, and which was duly adopted by the County Legislature of said County on*  
May 10, 2011 *and that the same is a true and correct transcript of said resolution and of the whole thereof.*

*In Witness Whereof, I have hereunto set my hand and the official seal of the County Legislature of the County of Suffolk.*
