

**RESOLUTION NO. 649 -2011, MAKING A SEQRA DETERMINATION IN CONNECTION WITH THE PROPOSED SUFFOLK COUNTY SEWER CAPACITY STUDY FOR PORT JEFFERSON, RIVERHEAD/CALVERTON, PATCHOGUE AND SAG HARBOR (CP 8185)**

**WHEREAS**, the Suffolk County Council on Environmental Quality (CEQ) has reviewed a project designated as the "Proposed Suffolk County Sewer Capacity Study for Port Jefferson, Riverhead/Calverton, Patchogue and Sag Harbor (CP 8185)", pursuant to Section 6 of Local Law No. 22-1985 which project involves identifying the costs of sewer expansion for each of the aforementioned study areas consistent with the needs of each community to provide economic benefits, development and affordable housing, while preserving water quality; and

**WHEREAS**, an Environmental Assessment Form (EAF) was prepared and submitted to the CEQ office by the Suffolk County Department of Public Works and subsequently sent out to all concerned parties; and

**WHEREAS**, at its June 15, 2011 meeting, the CEQ reviewed the EAF and information submitted by the Suffolk County Department of Public Works; and

**WHEREAS**, the CEQ recommended that the above activity be considered a Type I action, pursuant to the provisions of Title 6 NYCRR, Part 617 and Chapter 279 of the Suffolk County Code; and

**WHEREAS**, the CEQ has advised the County Legislature and the County Executive by memo dated June 16, 2011 of said recommendations; and

**WHEREAS**, Section 279-5(H) of the SUFFOLK COUNTY CODE requires the Presiding Officer to introduce legislation for an appropriate SEQRA determination; and

**WHEREAS**, the Suffolk County Legislature has reviewed the EAF and the CEQ recommendations; now, therefore be it

**1st RESOLVED**, that this Legislature hereby determines that the Proposed Suffolk County Sewer Capacity Study for Port Jefferson, Riverhead/Calverton, Patchogue and Sag Harbor (CP 8185) constitutes a Type I action, which project will not have significant adverse impacts on the environment for the following reasons:

- 1) The proposed action will not exceed any of the criteria in Section 617.7 of Title 6 NYCRR, which sets forth thresholds for determining significant effect on the environment, as demonstrated in the Environmental Assessment Form;
- 2) The proposed action could result in the diversion of existing sewage from septic systems and cesspools into a sewage treatment plant thus reducing nitrogen input into the aquifer;

- 3) The proposed action does not appear to significantly threaten any unique or highly valuable environment or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and the Suffolk County Code;
- 4) All necessary permits will be obtained prior to any physical construction; and
- 5) A full environmental review will be conducted for each of the proposed areas should the County decide to pursue implementation;

and be it further

**2nd RESOLVED**, that a copy of this Resolution shall be filed with the Suffolk County Clerk, the initiating unit of said project, and with the CEQ; and be it further

**3rd RESOLVED**, that in accordance with Section C1-4(1)(d) of the SUFFOLK COUNTY CHARTER and Section 279-5(C)(4) of the SUFFOLK COUNTY CODE, the CEQ is hereby directed to prepare and circulate a SEQRA notice of determination of non-significance in accordance with this Resolution.

DATED: **AUG 16 2011**

APPROVED BY:

  
\_\_\_\_\_  
County Executive of Suffolk County

Date: **AUG 29 2011**

SUFFOLK COUNTY  
County Legislature  
RIVERHEAD, NY

*This is to Certify That I, TIM LAUBE, Clerk of the County Legislature of the County of Suffolk, have compared the foregoing copy of resolution with the original resolution now on file in this office, and which was duly adopted by the County Legislature of said County on August 16, 2011 and that the same is a true and correct transcript of said resolution and of the whole thereof.*

*In Witness Whereof, I have hereunto set my hand and the official seal of the County Legislature of the County of Suffolk.*

*Tim Laube*
