Such notice shall be in the following form, to wit:

**NOTICE OF PUBLIC HEARING**

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk New York will meet at the County Center in Riverhead, New York in said County, on 9<sup>th</sup> day of October 2012 at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon a proposal for increases and improvements to the facilities of Suffolk County Sewer District No. 5 – Strathmore Huntington, in and about the Town of Huntington, substantially in accordance with the maps, plans, report and recommendations prepared by and filed with the Suffolk County Legislature by the Suffolk County Sewer Agency with the assistance of the County Department of Public Works, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide construction and rehabilitation of existing sewage conveyance systems. The cost opinion associated with the Infrastructure Improvement Project is \$1.75

million. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value. It is proposed that the project will be implemented during 2012. Based on the project schedule, the maximum debt payment will be during 2013 at a value of \$138,600. Financing is at 4% over 20 years for serial bonds. This unsubsidized increased rate amounts to a value per typical property of approximately \$164.64 per year. This figure was developed using the full value of the district along with the mode assessed value of a typical property within the town resulting in an increase of \$27.44 per \$1,000 of full value for Capital Project 8115, Infrastructure Improvement Project.

There will be no fiscal impact to the benefited properties, since pursuant to the Suffolk County Assessment Stabilization Reserve Fund, all residents of sewer districts experience a 3% annual increase regardless of any improvements performed with the annual typical property increase being \$28.35. All property and property owners are benefited and are included in the district and the project is in the public benefit.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature where the same may be examined during regular business hours.

and be it further
