WHEREAS, a map and plan, together with an estimate of cost, has been prepared and filed with the County Legislature pursuant to Section 268 of the County Law in relation to the proposed rehabilitation of the sewer system of said sewer district; and

WHEREAS, it is now desired to call a public hearing thereon; pursuant to Section 254 of County Law; now, therefore be it

1st **RESOLVED**, by the County Legislature of the County of Suffolk, New York, as follows

Section 1. A meeting of the County Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Riverhead, New York, in said County, on the 9th day of October 2012, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk New York will meet at the County Center in Riverhead, New York in said County, on 9th day of October 2012 at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon a proposal for increases and improvements to the facilities of Suffolk County Sewer District No. 11 – Selden, in and about the Town of Brookhaven, substantially in accordance with the maps, plans, report and recommendations prepared by and filed with the Suffolk County Legislature by the Suffolk County Sewer Agency with the assistance of the County Department of Public Works, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide construction and rehabilitation of existing sewage conveyance facilities. The cost opinion associated with the sewer system improvement project

is \$2.5 million. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value. It is proposed that the project will be implemented during 2012 and performed over a three year period. Based on the project schedule, the maximum debt payment will be during 2016 at a value of \$195,584. Financing is at 4% over 20 years for serial bonds. This unsubsidized increased rate amounts to a value per typical property of approximately \$480 per year. This figure was developed using the assessed value of the mode value as the typical property within the district.

There will be no fiscal impact to the benefited properties, since pursuant to the Suffolk County Assessment Stabilization Reserve Fund, all residents of sewer districts experience a 3% annual increase regardless of any improvements performed with the annual typical property increase being less than \$12 in the 2015 to 2016 billing period. All property and property owners are benefited in the district and the project is in the public interest.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature where the same may be examined during regular business hours.

and be it further

2nd **RESOLVED**, this County Legislature of the County of Suffolk, being the lead agency under the State Environmental Review Act ("SEQRA") Environmental Conservation Law Article 8, and pursuant to Resolution No. 512-2012 hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of the New York State Code of Rules and Regulations; and be it further
