RESOLUTION NO. 787 -2012, CALLING FOR A PUBLIC HEARING FOR THE PURPOSE OF CONSIDERING PROPOSED INCREASES AND IMPROVEMENTS OF FACILITIES FOR SEWER DISTRICT NO. 20 – WILLIAM FLOYD (CP 8148)

WHEREAS, by proceedings heretofore duly had and taken pursuant to Article 5-A of the County Law, the County Legislature of the County of Suffolk, New York has established a County sewer district designated and known as Suffolk County Sewer District No. 20 – William Floyd; and

WHEREAS, the sewer district includes wastewater treatment facilities for both Leisure Village and Ridgehaven; and

WHEREAS, the capital projects for these two wastewater treatment facilities are identified as CP 8147 for Ridgehaven and CP 8148 for Leisure Village; and

WHEREAS, the Unlisted action will be in conformity with a resolution submitted to the Legislature that will satisfy the State Environmental Quality Review Act; and

WHEREAS, it is now desired to call a public hearing thereon; pursuant to Section 254 of County Law; now, therefore be it

1st **RESOLVED**, by the County Legislature of the County of Suffolk, New York, as follows

Section 1. A meeting of the County Legislature of the County of Suffolk New York shall be held at the County Center in the meeting room of the County Legislature in Riverhead, New York, in said County, on the 9th day of October 2012, at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing on the aforesaid matter and for such other action on the part of said County Legislature as may be required by law or proper in premises.

Section 2. The Clerk of said County Legislature is hereby authorized and directed to cause a notice of said public hearing to be published once in each of the official newspapers of said County, and such other newspaper as the Legislature may designate, if any, said publication to be made in each of such newspapers not less than ten, nor more than twenty days before the day set herein for said public hearing. Such notice shall be in the following form, to wit:

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk New York will meet at the County Center in Riverhead, New York in said County, on 9th day of October 2012 at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon a proposal for increases and improvements to the facilities of Suffolk County Sewer District No. 20 – William Floyd, in and about the Town of Brookhaven, substantially in accordance with the maps, plans, report and recommendations prepared by and filed with the Suffolk County Legislature by the Suffolk County Sewer Agency with the assistance of the County Department of Public Works, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide construction of a new influent pumping station which includes mechanical and electrical work. The cost opinion associated with the project is \$1 million. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on a per unit user fee. It is proposed that the project will be implemented during 2013. Based on the project schedule, the maximum debt payment will be during 2014 at a value of \$79,200. Financing is at 4% over 20 years for serial bonds. This unsubsidized increased rate amounts to a value per typical property of approximately \$27.78 per year in the Leisure Village zone. This figure was developed using the maximum payment year along with the mode value of a typical property within the district.

All property and property owners are benefited and are included in the district and the project is in the public interest. There will be no fiscal impact to the benefited properties, since pursuant to the Suffolk County Assessment Stabilization Reserve Fund, all residents of sewer districts experience a 3% annual increase regardless of any improvements performed with the annual typical property increase being \$9.00

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature where the same may be examined during regular business hours.

and be it further

2nd **RESOLVED**, this County Legislature of the County of Suffolk, being the lead agency under the State Environmental Quality Review Act ("SEQRA") Environmental Conservation Law Article 8, and pursuant to Introductory Resolution No. 1776-2012 (CEQ 44-12) hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of the New York State Code of Rules and Regulations; and be it further
