

RESOLUTION NO. 1021-2012 A RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS IN RELATION TO THE INCREASE AND IMPROVEMENT OF FACILITIES FOR SEWER DISTRICT NO. 20 - WILLIAM FLOYD (CP 8148)

WHEREAS, a map and plan together with an estimate of cost has been prepared and filed with the County Legislature resulting in a public hearing on October 9, 2012 in relation to the increase and improvement of facilities for said district which includes the replacement of the Leisure Village influent pump station at the Suffolk County Sewer District No. 20 - William Floyd Wastewater Treatment Plant, in relation to; and

WHEREAS, pursuant to Introductory Resolution No. 1796-2012, the Clerk of the Legislature did duly cause a Notice of Public Hearing to be published at least once in each of the official newspapers of the County, all in the manner and within the time provided by law and proof thereof has been presented to the County Legislature; and

WHEREAS, said public hearing was held in Riverhead, New York in said County on October 9, 2012 at 2:30 p.m., Prevailing Time; and

WHEREAS, said County Legislature has duly considered the map and plan and estimate of cost for the increase and improvement of the Leisure Village influent pump station for Suffolk County Sewer District No. 20 - William Floyd submitted and evidence given at the public hearing held on October 9, 2012; now, therefore be it

1st RESOLVED, by the County Legislature of the County of Suffolk, New York, as follows:

Section 1. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it is hereby found and determined that it is in the public interest to perform the increase and improvement to the Leisure Village influent pump station at Suffolk County Sewer District No. 20 – William Floyd, that the proposed work is adequate and appropriate, and will not constitute an undue burden on the property which will bear the cost thereof;

Section 2. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, the Legislature further finds and determines that it is in the public interest to expend \$1.0 million on the increase and improvement to the Leisure Village influent pump station at Suffolk County Sewer District No. 20 - William Floyd.

Section 3. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, and recommendations, and data filed with the County Legislature, it further finds and determines that it is in the public interest to provide for the increase and improvement to replacing the Leisure Village influent pump station at Suffolk County Sewer District No. 20 - William Floyd at a cost of \$1.0 million which represents the aforementioned project which will be attributable to the increase and improvement for the replacement of the Leisure Village influent pump station. The project elements are more fully

described and defined in the aforementioned maps, plans, report and recommendations, substantially in accordance with the map and plan;

Section 4. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it further finds that the total cost for the increase and improvement to Suffolk County Sewer District No. 20 - William Floyd project is approximately \$1.0 million. The existing district is billed on a per unit user fee. It is proposed that the project will be implemented during 2013. Based on the project schedule, the maximum debt payment will be during 2014 at a value of \$79,200. Financing is at 4% over 20 years for serial bonds. This unsubsidized increased rate amounts to a value per typical property of approximately \$27.78 per year in the Leisure Village zone. This figure was developed using the maximum payment year along with the mode value of a typical property within the district. There will be no fiscal impact to the benefited properties, since pursuant to the Suffolk County Assessment Stabilization Reserve Fund, all residents of sewer districts experience a 3% annual increase regardless of any improvements performed with the annual typical property increase being \$9.00.

Section 5. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it is found and determined that all property and property owners within the existing Suffolk County Sewer District No. 20 - William Floyd will be benefited by such increase and improvement of facilities and that no benefited property has been excluded;

and be it further

2nd **RESOLVED**, this Legislature, being the lead agency under the State Environmental Quality Review Act ("SEQRA"), Environmental Conservation Law Article 8, hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations ("NYCRR"), the Legislature has no further responsibilities under SEQRA, and be it further

3rd **RESOLVED**, that this resolution shall take effect immediately.
