## BUDGET REVIEW OFFICE

January 29, 2010

To: William J. Lindsay, Presiding Officer  
and All Suffolk County Legislators

From: Gail Vizzini, Director  
Budget Review Office

**Subject: Year 2009 W-2 Compensation Report**

Each year, the Budget Review Office issues a summary report on the W-2 earnings reported to the Internal Revenue Service (IRS) for all Suffolk County employees. This report is based on W-2 data generated by the Departments of Audit and Control and Information Technology Services that is extracted by this office from the Payroll and Personnel System database.

In what follows we provide (1) A Description of the Data and our findings with respect to (2) Total Remuneration, (3) Top 300 Wage Earners (active employees), (4) Overtime Compensation, (5) Top 300 Overtime Earners (active employees), and (6) Terminal Pay.

### 1. A Description of the Data

- The wages reported on W-2 forms include all wages paid to employees during the calendar year, regardless of when earned.
- The IRS also requires that dollar amounts be attached to certain taxable benefits such as commutation in county vehicles, legal benefits offered through the various benefit funds, and health insurance for domestic partners and that the values of these benefits be reported as income. As a result, the earnings total reported to the IRS on the W-2 forms is greater than direct payroll costs.

## SUFFOLK COUNTY LEGISLATURE

- For the purposes of this report, an employee's status on December 31, 2009 determines their employment status, "active" or "terminated". The classification "terminated" does not imply any negative employment action, but simply indicates that the individual left county employment.
- This report presents information on average salaries, overtime compensation and termination pay and does not assign values for employee benefits: health insurance; Social Security; employee benefit fund; and employer contributions to the New York State and Local Employees' Retirement Systems, Teachers Retirement System and/or TIAA-CREF.
- The average active employee's remuneration is slightly understated due to the inclusion of individuals who worked a portion of the year and, therefore, did not receive a full year's salary.
- The following groups of employees were found to skew the overall data due to the specific nature of their jobs, and were omitted from the active employee summary data: Faculty Association members (Bargaining Unit (BU) 3), Health Department nurses (BU 13), temporary employees (BU 22) and community college aides (BU 25). Of the 2,252 Faculty Association members, 1,649 are part-time faculty and were paid less than \$20,000. The inclusion of part-time faculty lowered the average earnings for Faculty Association members to \$27,795, whereas the average earnings for the Faculty Association members who earned at least \$20,000 during 2009 was \$78,408.

### 2. Total Remuneration

This section treats terminated employees as a separate category, since their data skews the overall remuneration averages due to the payment of terminal sick, vacation and lag pay. Our analysis indicates:

- The 2009 remuneration paid to all 20,242 employees was \$1,025,594,534, which is a 2.6% decrease over the amount paid to 18,159 employees in 2008. The increase of 2,083 employees from 2008 to 2009 is due to the inclusion of Election Inspector as employees in the Board of Elections, Labor (increase in grants due to the high unemployment rate) and Civil Service (exam monitors). These employees averaged \$2,206 in total earnings.
- For active employees, (not terminated during the year due to retirement, resignation, etc.) a total value of \$930,526 was assigned to commutation and legal benefits for 2009, an increase of 7.9% from 2008.
- After excluding the above-mentioned bargaining units (3, 13, 22 and 25), the total number of active employees receiving compensation during 2009 is 12,136, with total remuneration of \$947.9 million. The 2009 average remuneration per employee is \$78,104, a decrease of 3.1% from last year's average of \$80,630. The decrease is due to the institution of a lag payroll equal to one pay period during 2009 and 27 paychecks received in 2008 versus 26 in 2009.
- Schedule 1 (attached) shows data for all active employees for each bargaining unit (except 3, 13, 22 and 25, as previously discussed) and also by department. There are large variances in total remuneration by bargaining unit, with the Superior Officers Association (SOA) having the highest average total

## SUFFOLK COUNTY LEGISLATURE

remuneration at \$152,949 per member, a decrease of 6.2% from the previous year's average. Police Detectives have the second highest average total remuneration, \$147,735, which decreased by 4.4%. While a class of 40 Correction Officers commenced in February of 2008, no other sworn Sheriff or Police classes were started in 2008 or in 2009. As a result of the attrition of highly compensated personnel across all bargaining units except for the Correction Officers Association which includes retroactive salary increases for the years 2004 – 2007, the average remuneration logically declined.

- The bargaining units with the lowest average total remuneration are the seven Confidential Employees at \$39,191 and the 1,545 Suffolk County Association of Municipal Employees (AME) Blue Collar unit at \$41,937.

### 3. Top 300 Wage Earners (active employees)

The titles of the top 300 active employee wage earners are listed on Schedule 2 (attached) and are summarized below. Our findings indicate that:

- The 300<sup>th</sup> top earner for 2009 received a total remuneration of \$160,874, which is 1.7% less than last year's 300<sup>th</sup> top earner remuneration of \$163,723.
- These individuals had an average total remuneration of \$171,728. The employee with the highest total remuneration of \$242,022 was a Correction Officer I. Members of the Correction Officers Association (COA) received retroactive payments covering expired contracts from 2004 through 2007, which included lump sum payments, bonus stipends and percentage increases ranging between 3% and 3.25%.
- Due to the retroactive payments, 109 of the "top 300" were members of the COA as opposed to none in 2008. In 2008, 269 of the "top 300" were sworn police personnel while that number was reduced to 174 in 2009. Other titles included in the "top 300" are eight exempt employees, three District Attorney Detective Investigators and two members of the SCCC Guild.
- The following table lists the titles and average remuneration for each title in the "top 300".

#### 4. Overtime Compensation

Overtime compensation is a separate field in the W-2 database.

- Total overtime for active employees was \$73,309,191 in 2009 which is a \$5.2 million increase from last year.
- Overtime in the Sheriff's Office for active employees totals \$25.4 million or 35% of the total overtime for active employees. A portion of the high overtime expenditures in the Sheriff's Office is attributable to the retroactive payments for the COA, the operation of 24/7 correctional facilities, inmate transportation to facilities outside the county and staffing levels.

The average overtime payment for all active county employees is \$6,393. Schedule 1 (attached) includes a summary of overtime payments by bargaining unit and department.

## SUFFOLK COUNTY LEGISLATURE

### 5. Top 300 Overtime Earners (active employees)

Schedule 3 lists the titles of the top 300 overtime earners among the active employees. Seventy-nine percent of the top 300 overtime earners are employed in the Sheriff's Office. In 2008, 59% were in the Sheriff's Office with the increase attributable to the retroactive pay. The following table lists the departments containing the top 300 overtime earners along with their average overtime.

<b>Top 300 Overtime Earners by Department</b>

<b>GRAND TOTAL</b>	<b>300</b>	<b>\$48,590</b>

### 6. Terminal Pay

Terminal pay is the payment made for an individual's accrued vacation, sick and lag pay upon their separation from county service, and is generally paid at their salary rate at the time of separation. Exceptions to this practice include employees who have accrued "frozen time". Employees who resign or leave county service for reasons other than retirement or death do not receive payment for their accrued sick time. During 2009, 671 former employees received a total of \$16,971,618 in terminal pay excluding bargaining units 3, 13, 22 and 25. This was a decrease of 232 employees and \$9.6 million from 2008. Of those terminated employees, 174 had \$0 terminal pay. The average terminal pay in 2009 was \$25,293.

Police titles are among the highest paid, therefore, upon retirement they are among the highest paid for accrued vacation and sick time. In addition, PBA, SOA and Detectives Association members receive terminal sick pay up to a maximum of 300 sick days for 600 accrued sick days, while members of other collective bargaining units receive terminal sick pay up to a maximum of 180 sick days for 360 accrued sick days. Sworn police titles received an average terminal payment of \$96,417.

The following table displays the average 2009 terminal payments by bargaining unit:
