## BUDGET REVIEW OFFICE

February 21, 2014

To: DuWayne Gregory, Presiding Officer  
and All Suffolk County Legislators

From: Robert Lipp, Director  
Budget Review Office

**Subject: Year 2013 W-2 Compensation Report**

Each year, the Budget Review Office issues a summary report on the W-2 earnings reported to the Internal Revenue Service (IRS) for all Suffolk County employees. This report is based on W-2 data generated by the Departments of Audit and Control and Information Technology Services that is extracted by this office from the Payroll and Personnel System database.

In what follows we provide (1) A Description of the Data and our findings with respect to (2) Total Remuneration, (3) Top 300 Wage Earners (active employees), (4) Overtime Compensation, (5) Top 300 Overtime Earners (active employees), (6) Terminal Pay and (7) Longevity.

### 1. A Description of the Data

- The wages reported on W-2 forms include all wages paid to employees during the calendar year, regardless of when earned.
- The IRS requires that dollar amounts be attached to certain taxable benefits such as commutation in County vehicles, legal benefits offered through the various benefit funds, and health insurance for domestic partners. Because the values of these benefits must be reported as income, the earnings totals reported to the IRS on the W-2 forms is greater than direct payroll costs.
- For the purposes of this report, an employee's status on December 31, 2013 determines their employment status, "active" or "terminated". The classification "terminated" does not imply any negative employment action, but simply indicates that the individual left County employment.

- This report presents information on average salaries, overtime compensation and termination pay and does not assign values for employee benefits: health insurance; Social Security; employee benefit fund; and employer contributions to the New York State and Local Employees' Retirement Systems.
- The average active employee's remuneration is slightly understated due to the inclusion of individuals who worked a portion of the year and, therefore, did not receive a full year's salary.
- The following employees were found to skew the overall data due to the specific nature of their jobs, and were omitted from the active employee summary data: Health Department part-time Registered Nurses (BU 13), temporary employees (BU 22) and Health Department part-time Clinic Aides (BU 25).

## 2. Total Remuneration

This section treats terminated employees as a separate category, since their data skews the overall remuneration averages due to the payment of terminal sick, vacation and lag pay. Our analysis indicates:

- The 2013 remuneration paid to all 12,958 employees (active and terminated) was \$963,295,045.
- The total number of employees decreased by 322 employees from 2012 and by 2,461 over the last three years. However, when concentrating on "active" employees, this decrease is 861 employees over the last three years as the number of "terminated" employees was inflated due to retirement incentive programs in 2012 and layoffs.
- There was an increase of \$19.2 million or 2% in total remuneration from 2012 to 2013. This follows a decrease of \$21.5 million from 2011 to 2012, decrease of \$53 million or 5.2% from 2010 to 2011 and a decrease of \$35.7 million or 3.8% from 2009 to 2010. This increase is primarily due to retroactive payments made to members of the Correction Officers Association (BU 10) of \$37 million.
- Schedule 1 shows data for all active employees for each bargaining unit and by department. This schedule excludes the above-mentioned bargaining units (13, 22 & 25). The total number of active employees receiving compensation during 2013 was 9,871, with total remuneration of \$913,198,828. The 2013 average remuneration per employee was \$92,513 compared to \$87,172 in 2012; an increase of 6.1%.
- There are large variances in total remuneration by bargaining unit, with the Superior Officers Association (SOA) having the highest average total remuneration at \$175,431 per member. The Police Detectives Association has the second highest average total remuneration at \$170,135.
- Police Department Bargaining Units 5 – Superior Officers Association and 15 – Detectives Association realized increases in total remuneration due to promotions. There were 40 more SOA active members resulting in an 8.6% remuneration increase and 28 more Detectives resulting in a 7.3% increase in 2013 compared to 2012. There were also 31 more Exempt Employees (BU 21) resulting in a 17.6% increase in total remuneration.

- The 1,171 employees in the AME Blue Collar unit at \$45,576, the 4,260 AME White Collar unit at \$61,977 and the three Confidential Employees at \$61,929 were the three bargaining units with the lowest average remuneration.
- For active employees, (not terminated during the year due to retirement, resignation, etc.) a total value of \$702,089 was assigned to commutation and legal benefits for 2013.

### 3. Top 300 Wage Earners (active employees)

The titles of the top 300 active employee wage earners are listed on Schedule 2 (attached) and are summarized below. Our findings indicate that:

- The top 300 active employee wage earners are dominated by the Police Department and the Sheriff's Office. As mentioned earlier, the retroactive payments made to members of the Correction Officers Association (BU 10) increases the number of Correction Officers on this list and their rankings.
- The employee with the highest total remuneration of \$417,031 was a Warden in the Sheriff's Office. This total is an increase of 78% from the top earner in 2012, a Police Deputy Inspector who earned \$234,327.
- The 300<sup>th</sup> top earner for 2013 received total remuneration of \$186,679, which is an increase of 5.1% from 2012.
- These individuals had an average total remuneration of \$202,978, which is an increase of 7.5% from last year's average of \$188,888 for the Top 300.
- The following table lists the titles and average remuneration for each title in the "Top 300". Five of the titles on the list are elected officials and the remaining 295 are Police (167) or Sheriff (128) titles.

#### 4. Overtime Compensation

Overtime compensation is a separate field in the W-2 database. Total overtime for active employees was \$80,805,678 in 2013, which is \$11.9 million more than in 2012 or a 17.3% increase.

- Overtime for sworn Police personnel (PBA, SOA, and Detectives) accounted for 44% of total overtime for active employees. Overtime for Deputy Sheriffs and Correction Officers accounted for 36% of the total overtime for active employees. Together, the Police and Sheriff departments accounted for 80% of all overtime expenditures.
- Overtime increased for Correction Officers from \$12.1 million in 2012 to \$21.8 million in 2013 due to retroactive pay, retroactive pay increases and the opening of the new Yaphank correctional facility in April.
- The average overtime payment for all active county employees in 2013 was \$8,186. Schedule 1 includes a summary of overtime payments by bargaining unit and department.

## 6. Terminal Pay

- Terminal pay is the payment made for an individual's accrued vacation, sick and lag pay upon their separation from County service, and is generally paid at their salary rate at the time of separation. Exceptions to this practice include employees who have accrued "frozen time". Employees who resign or leave County service for reasons other than retirement or death do not receive payment for their accrued sick time. During 2013, 700 former employees received a total of \$18,037,287 in terminal pay. This was a decrease of 224 employees and \$15.9 million from 2012 in part due to the early retirement incentive programs offered in 2012.
- The average payout to employees who received terminal pay in 2013 was \$25,768; the individual amounts of which varied from \$1 to \$323,028. There were 447 employees who earned less than \$10,000. While the average was more than \$25,000 due to the higher reimbursed sworn personnel, the median was \$5,544.
- Police titles are among the highest paid, therefore, upon retirement they are among the highest paid for accrued vacation and sick time. In addition, PBA, SOA and Detectives Association members receive terminal sick pay up to a maximum of 300 sick days for 600 accrued sick days and 120 vacation days, while members of other collective bargaining units receive terminal sick pay up to a maximum of 180 sick days for 360 accrued sick days. Twenty-five employees received more than \$200,000 in termination pay, all of whom worked for the Police Department.

## 7. Longevity

In 2013, 7,244 or 56% of all employees received a longevity payment. The total 2013 longevity pay was \$25,107,330. The average payment for all county employees who received longevity in 2013 was \$3,466. AME, White Collar had the most employees receiving a longevity payment with 2,712 while the District Attorney Detective Investigators had the highest average payment at \$12,243.
