Academic activities including skills assessment instruction in basic skills are teamed with intensive, small-group support services such as counseling and tutoring. Re: Project #0655-12-1103
Contract No: C401279

Dear Ms. Leonhardt:

The NYS Legislature approved and the Governor authorized \$1,700,000 in additional funds for the Liberty Partnerships Program according to Chapter 55 of the laws of 2011. The Division of Budget has approved the State Education Department's plan to allocate the additional funds to Institutions proportionately.

Once the State Education Department approves the contract amendment, your new contract total for 2011-2012 will be \$293,063.

You must submit two forms to our office: a Proposed Amendment for a Federal or State Project (FS-10-A) and a revised Budget Narrative. The priority for the increase should be allocated to 1) Student Enrichment (i.e. LPP Youth Summit), 2) regional and statewide professional development, and 3) summer programming. These priorities should be reflected in your proposed budget narrative and FS-10-A.

The FS-10-A budget amendment form can be found at <http://www.oms.nysed.gov/cafe/fs10a.doc>. Please submit via email the excel FS-10A version and the budget narrative. Our office must receive your original signed budget amendment materials by April 6, 2012 via post mail.

Please contact your liaison, Sean Brown, at (518) 486-5202 or sbrown3@mail.nysed.gov if you need assistance.

Sincerely,
