Short-Term Joint Operation – Memorandum of Understanding

PARTIES AND AUTHORITY:

2242

This Memorandum of Understanding (MOU) is entered into by the participating agency and the United States Marshals Service (USMS) pursuant to 28 U.S.C. § 566(e)(1)(B) and 42 U.S.C. § 16941(a). Under those statutes, the USMS is authorized to assist state and local jurisdictions in executing arrest warrants for certain violent state felons and in locating and apprehending sex offenders who are non-compliant with the requirement that they register as a sex offender. This MOU is for use in temporary, short-term, joint operations with state/local agencies not a part of standing USMS regional and/or district task forces and in geographic areas not routinely served by standing USMS regional and/or district task forces.

MISSION:

The primary mission of the operation is to investigate and/or arrest, as part of temporary, short-term joint law enforcement operations, persons who have active state arrest warrants adopted by the USMS and/or federal warrants for their arrest and/or who are in potential violation of the Adam Walsh Act. The intent of this joint effort is to investigate and/or arrest local, state, and federal fugitives, to improve public safety, reduce violent crime, and reduce the number of fugitive non-compliant sex offenders.

PERIOD OF PERFORMANCE/EFFECTIVE DATE/TERMINATION:

Once signed, this MOU will become effective upon the commencement of the operation and terminate upon the operation's conclusion.

PERSONNEL:

Administrative matters which are internal to the participating agencies remain the responsibility of the respective agencies. Furthermore, each agency retains responsibility for the supervision/conduct of its personnel in this joint endeavor.

REIMBURSEMENT:

If the Marshals Service receives Asset Forfeiture funding for either 1) overtime incurred by state and local investigators who provide support to USMS joint law enforcement operations; or 2) travel, training, purchase or lease of police vehicles, fuel, supplies or equipment for state and local investigators in direct support of state and local investigators, the USMS shall, pending availability of funds, reimburse your organization for expenses incurred, depending on which category of funding is provided. Reimbursement of overtime work shall be consistent with the Fair Labor Standards Act. Annual overtime for each state or local law enforcement officer is capped at the equivalent of 25% of a GS-1811-12, Step 1, of the general pay scale for the RUS. Reimbursement for all types of qualified expenses shall be contingent upon availability of funds and the submission of a proper request for reimbursement which shall be submitted quarterly on a fiscal year basis, and which provides the names of the investigators who incurred overtime for the joint operation during the quarter; the number of overtime hours incurred, the hourly regular and overtime rates in effect for each investigator, and the total quarterly cost. The request for reimbursement must be submitted to the District Chief Deputy, who will review the request for reimbursement, stamp and sign indicating that services were received and that the request for reimbursement is approved for payment. Supporting documentation must accompany requests

2242
for reimbursement for equipment, supplies, training, fuel, and vehicle leases. Reimbursable Funds for all USMS approved expenditures are capped at no more than 10,000.

(TEN-THOUSAND)

USE OF FORCE:

All members of the participating agency shall comply with their agencies' guidelines concerning the use of firearms and deadly force. All members of the participating agency shall comply with United States Justice Department guidelines concerning the use of less-lethal devices. Copies of all applicable firearms, deadly force, and less-lethal policies shall be provided to the District Chief Deputy and each concerned task force officer. In the event of a shooting involving task force personnel, the incident will be investigated by the appropriate agency(s).

NEWS MEDIA:

Media inquiries will be referred to the District Chief Deputy. A press release may be issued and press conference held, upon agreement and through coordination with participant agencies' representatives. All press releases will exclusively make reference to the task force.

RELEASE OF LIABILITY:

Each agency shall be responsible for the acts or omissions of its employees. Participating agencies or their employees shall not be considered as the agents of any other participating agency. Nothing herein waives or limits sovereign immunity under federal or state statutory or constitutional law.

Certificate of Necessity Requested

Attached please the following for Operation Northeast Shore Restore:

- 1. Draft Resolution.
- 2. SCIN Forms.
- 3. Request for Introduction of Legislation.
- 4. Financial Impact Statement.
- 5. Copy of the Investigative Operations Obligation Document and MOU

We are requesting a Certificate of Necessity for the December 18, 2012 meeting. This is a short term program (12/2/12-12/6/12) designed to locate registered sex offenders who may have moved and failed to register their new location due to Hurricane Sandy. Unfortunately, we only received notification of the program and the funding obligation document at the end of November and were, therefore, unable to submit the resolution in time for the November 9, 2012 deadline for passage this year. We will be unable to charge back any overtime incurred during 2012 pursuant to this program, if the resolution is not passed during the 2012 year. Thank you very much for your consideration of this request.

Copies of this packet are also being forwarded to the Federal and State Aid Claims Unit for review. Electronic copies of the resolution and SCIN forms will be transmitted to CE RESO REVIEW.

If you have any questions concerning this resolution package, please contact Sarah Furey, Senior Grants Analyst, at 852-6042 or Susan C. Krause, Grants Technician, at 852-6601.

The Honorable Steve N. Bellone

Dear Mr. Bellone: *Steve*

I am pleased to inform you that Suffolk County is awarded \$2,247,291 under the FY12 Urban Area Security Initiative (UASI) and \$1,038,000 under the State Homeland Security Program (SHSP). Per federal guidelines, 25 percent (\$561,823 and \$259,500 respectively) of your award must be directed towards law enforcement terrorism prevention activities. The law enforcement initiatives should be consistent with the efforts of your local Counter-Terrorism Zone (CTZ).

In my letter to you on April 9, 2012 I outlined the Federal and State homeland security priorities these grant funds are intended to sustain or enhance. They include the planning, organization, equipment, training, and exercise needs to prevent, protect against, mitigate, respond to, and recover from acts of terrorism and other catastrophic events.

The UASI and SHSP grant performance period is only 24 months (September 1, 2012 through August 31, 2014). Extension of the performance period is highly unlikely. Therefore, it is imperative that you execute your projects as quickly as possible. My grants management staff will work with your designated UASI and SHSP grant program points of contact to provide additional administrative guidance and to expedite execution of grant contracts. I ask that you begin your local administrative process to be able to accept these funds as quickly as possible.

Thank you for your continued support of New York State's homeland security program. DHSES remains committed to providing you outstanding support in the administration of your homeland security initiatives. If you have any questions please feel free to contact me directly at (518) 242-5000.

SUBJECT: Request for **Certificate of Necessity** Introductory Resolution:
UASI FY2012 Grant

Enclosed for further processing is an introductory resolution and supporting documents to accept and appropriate \$2,247,291 in funding from the US Department of Homeland Security through the NYS Division of Homeland Security and Emergency Services for the Urban Area Security Initiative (UASI) FY2012 Grant. In addition to this department, the grant provides funding for the Police Department, Dept of Health Services, Dept of Public Works, Dept of Parks and the Sheriff's Office.

The grant provides funding to support planning, equipment and training needs associated with preparedness and prevention activities for natural and man-made disasters and terrorist events using weapons of mass destruction involving chemical, biological, radiological, nuclear and explosive matters.

I respectfully request this Introductory Resolution be processed through the Certificate of Necessity process due to the grant period being reduced from 36-months to 24-months. Further, the US Dept of Homeland Security has given definitive instruction that there will no extensions issued for this grant. Lastly and most important is that funded in this grant is an emergency evacuation/supply vehicle for high water rescue and Hurricane Sandy has demonstrated the urgent and immediate need for said vehicle. Specifications have already been established and upon adoption of this legislation the lengthy purchasing process can begin. It should also be noted that the submission of this IR had to be delayed due to FRES' response to Hurricane Sandy.

If you have any questions, please contact Sue Nielsen of my office at x25338.

SUBJECT: Request for **Certificate of Necessity** Introductory Resolution:
SHSP FY2012 Grant

Enclosed for further processing is an introductory resolution and supporting documents to accept and appropriate \$778,500 in funding from the US Department of Homeland Security through the NYS Division of Homeland Security and Emergency Services for the Urban Area Security Initiative (UASI) FY2012 Grant. In addition to this department, the grant provides funding for the Police Department, Dept of Health Services, Dept of Public Works, Dept of Information Technology and the Sheriff's Office.

The grant provides funding to support planning, equipment and training needs associated with preparedness and prevention activities for natural and man-made disasters and terrorist events using weapons of mass destruction involving chemical, biological, radiological, nuclear and explosive matters.

I respectfully request this Introductory Resolution be processed through the Certificate of Necessity process due to the grant period being reduced from 36-months to 24-months. Further, the US Dept of Homeland Security has given definitive instruction that there will no extensions issued for this grant. Lastly, due to Hurricane Sandy response and recovery efforts, FRES was delayed in the submission of this IR request.
