Dear Mr. Bellone:

I am pleased to inform you that Suffolk County is awarded \$2,647,775 under the FY2016 Urban Areas Security Initiative (UASI), per the consensus agreement decided by the New York City Urban Area Working Group (UAWG). As per Federal guidelines, 25 percent (\$661,944) of your award must be directed towards law enforcement terrorism prevention activities. These activities should be consistent with the efforts of your local Counter Terrorism Zone (CTZ). Please note that the contract for this award will be executed upon the State's receipt of the official grant award from FEMA.

For all Homeland Security Grant Program (HSGP) funds, to include UASI funding, I have outlined the following State priorities these grant funds are intended to sustain or enhance: Sustainment and Advancement of Regional Partnerships; Maturation of Citizen Preparedness Efforts; Development of Cyber Security Programs; Enhancement of Law Enforcement Information-sharing Capabilities; Continued Coordination of Emergency Management Planning Efforts; and Sustainment of Effective Programs and Existing Capabilities. Given that your county has already completed the County Emergency Preparedness Assessment (CEPA) process in coordination with the NYS Division of Homeland Security and Emergency Services (DHSES), I strongly recommend that you consider leveraging your CEPA report as well to inform your FY2016 UASI priorities.

The performance period for this grant is expected to be from September 1, 2016 through August 31, 2019. Your application must contain projects that can be completed during the performance period as extensions will not be allowed. In order for DHSES to provide these critical funds to you as quickly as possible, your application must be submitted to DHSES no later than April 8, 2016.

DHSES remains committed to providing you with outstanding support in the administration of your homeland security programs. If you have any questions, please contact me at (518) 242-5000 or my Director of Grants, Shelley Wahrlich, at (518) 402-2123.

Thank you for your continued support of New York State's homeland security efforts.

The Honorable Steven Bellone
Suffolk County Executive

Hauppauge, NY 11788

Dear Mr. Bellone:

I am pleased to inform you that Suffolk County is awarded \$1,200,000 under the FY2016 State Homeland Security Program (SHSP). Funding for this grant is provided by the U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA). The New York State Division of Homeland Security and Emergency Services (DHSES) will administer this funding on behalf of FEMA. Please note that the contract for this award will be executed upon the State's receipt of the official grant award from FEMA.

This funding is provided to your County to support regional preparedness efforts. Your application for these funds must be developed in conjunction with appropriate local stakeholders and it should address the greatest homeland security needs within your entire County. Your SHSP projects must also comply with Federal grant guidelines and they must support the 2014-2016 New York State Homeland Security Strategy, which is available online at <http://www.dhSES.ny.gov/planning/>. Please refer to the enclosed FY2016 SHSP Program Guidance and Application worksheet for further details on this grant program. DHSES's Grants Program Administration Office will work with your designated SHSP Points of Contact to provide additional administrative guidance, as needed.

Federal guidelines require that 25 percent \$300,000 of your total award be directed to law enforcement terrorism prevention activities. These activities should be consistent with the efforts of your local Counter Terrorism Zone (CTZ).

Based on the State's risk profile and the results of the County Emergency Preparedness Assessment (CEPA) program, DHSES has identified the following priorities for the FY2016 SHSP:

- Advancement of regional partnerships to build capabilities in a coordinated and cost-effective way
- Maturation of citizen preparedness efforts, building on the Governor's Citizen Preparedness Program
- Development of effective cyber security programs and policies

- Enhancement of law enforcement information-sharing capabilities in coordination with the New York State Intelligence Center (NYSIC) and your local CTZ
- Continued coordination of Emergency Management planning efforts, focusing on identified gap areas in your jurisdiction
- Sustainment of effective programs and existing capabilities

Please note that DHSES is requiring that the Chief Executive of each County or City that receives SHSP funding sign a certification outlining your compliance with a series of related "Priority Preparedness Objectives" that have been designated by the State for the FY2016 SHSP. Specifics on these State priorities and the certification form are contained in the enclosed Program Guidance. A signed copy of the certification form must be submitted with your application.

In December 2015, DHSES marked a significant milestone for the CEPA program with the completion of initial CEPA reports for every county in the state. I thank you for your county's participation in this process and urge you to consider leveraging your CEPA report, in addition to the priorities outlined above, to inform your FY2016 SHSP application.

Also, as you develop your application for funding, I ask that you carefully consider which projects you prioritize this year. DHS has dramatically increased the level of project detail required from grantees and it is becoming increasingly difficult to change projects during the grant period.

The performance period for the FY2016 grant is expected to be from September 1, 2016 through August 31, 2019. Your application must contain projects that can be completed during the performance period as extensions will not be allowed. In order for DHSES to provide these critical funds to you as quickly as possible, your application must be submitted to DHSES no later than March 29, 2016.

Thank you for your continued support of New York State's homeland security efforts. DHSES remains committed to providing you with outstanding support in the administration of your homeland security programs. If you have any questions, please contact me at (518) 242-5000 or my Director of Grants, Shelley Wahrlich, at (518) 402-2123.
