**RE: RESOLUTION NO. 454 -2009, AMENDING THE PROPOSED 2010-2012 CAPITAL PROGRAM AND THE PROPOSED 2010 CAPITAL BUDGET**

**Project No. 2159 – Project Name: Learning Resource Center, Grant Campus**

Dear Presiding Officer Lindsay and Members of the Suffolk County Legislature:

I am returning Resolution No. 454-2009, Project No. 2159 – Project Name: Learning Resource Center, Grant Campus vetoed because we must have the courage to say “No” to the projects we want in order to have the capacity to say “Yes” to those the residents of Suffolk County truly need.

We should plan for what we need and can afford. We should not place everything and anything into our Capital Budget simply in the hope that it might become eligible for some State funding because County taxpayers still have to match any funding that comes from the State.

We must once again think of the College as a single institution with three (3) campuses and not as three (3) separate colleges, each requiring the exact same configuration of staff, buildings, and facilities. In 1996, the College Board of Trustees confirmed the philosophy of one (1) College with three (3) campuses after receiving an independent consulting firm’s report on its operations.

We must return to the original goal of the college to provide an affordable two (2) year education as a springboard for future advancement up the economic ladder of success. We warned that the millions spent on the new library at the Brentwood Campus was just the tip of the iceberg. This expenditure was unnecessary from the start.

In one fell swoop on June 9, the County Legislature added over \$18.3 million in county spending and over \$9.5 million in debt to the County’s finances on three college

projects. Is there ever a project presented by the college to which the Legislature says "No?"

Ironically, many legislators have been engaged in grandiose speeches complaining of what they termed an intolerably high level of "pipeline" debt. The only way to control this pipeline debt that so many have complained about is to actually say no and sustain these vetoes.

As I have consistently stated, the County finds itself with an extraordinarily high level of authorization to borrow that has resulted in a large backlog of capital projects, now totaling \$629 million dollars of pipeline debt as of March 2009. We must exercise fiscal discipline.

The Western Campus already has a library for this two-year institution. Additionally, the County just authorized a 14.5 million dollar library on the eastern campus in 2007. Where does the spending end?

As a result, I have consistently reminded everyone that "**we simply cannot have it all**". We have to exercise fiscal discipline in order to protect the taxpayers of this County from unacceptably high tax increases.

For these reasons, I am compelled to veto Resolution 454-2009 - Project No. 2159, because it has unreasonably accelerated the pace of this project and pushed monies from subsequent year funding into 2010.

Sincerely,  
  
Steve Levy
