A portion of this core General Fund mission is offset in sections DO33, Community Support Initiatives (CSI), and DO43, community based organizations.
2	29	V		868	DO28	IFT	This portion of the resolution reduces surplus General Fund appropriations transferred to the Debt Service Reserve Fund by a net \$3.78 million (mandated and discretionary). This action reverses the Executive's recommended transfers that were intended to achieve net savings targets from tobacco securitization over the next five budget years (2009 to 2013). These funds, along with a planned transfer of \$4.96 million in 2010, are earmarked for use in 2011 and 2012. The debt reserve portion of this resolution includes the discretionary changes that along with the accompanying mandated portion of the resolution (M028) eliminates the recommended budget transfer of an additional \$6.14 million from the General Fund to the Debt Service Reserve Fund (425) in 2008 and eliminates the transfer to the General Fund of \$2.36 million in 2009, for a net General Fund savings of \$3.78 million. The 2008 estimated reduction of \$6,137,341 represents the recommended transfer in excess of the adopted amount (\$6,704,910) less an adjustment for the 2007 year-end fund balance that came in less than was estimated last year (- \$567,569 = \$21,478,983 - \$20,911,414).

2	34	V		868	DO33	LEG	Provides \$595,000 for Community Service Initiatives in the Legislature to fund community based organizations.

This authorization to provide revenue to the Museum sunsets December 31, 2009 and requires the Museum to submit a formal business plan to the Legislature's Parks and Recreation Committee outlining the Museum's plan to replace the \$800,000 in revenue in 2010. This resolution transfers \$800,000 from the County's General Fund to Fund 708 to support the Museum in meeting its 2009 operating budget expenses and enables the Museum to continue to operate as an educational resource for the residents of Suffolk County as well as a tourist attraction for visitors.
