B.) A member of the Legislature may introduce any Memorializing Resolution by submitting same to the Clerk of the Legislature, in compliance with the deadline set

forth in Rule 5(A). Such legislation shall then be eligible for consideration by the entire Legislature in accordance with the provisions of Rule 6. Such Memorializing Resolution shall refer to specific legislation pending in another Legislative body, and which legislation shall bear directly on the affairs of Suffolk County and shall not require the approval of the County Executive.

C.) A member of the Legislature may introduce a Home Rule Message pursuant to, and in compliance with, Section 40 of the NEW YORK MUNICIPAL HOME RULE LAW. A Home Rule Message may be given immediate consideration in accordance with §C2-12 of the SUFFOLK COUNTY CHARTER.

D.) The Legislative committee created within the County Legislature for the purpose of maintaining general supervision of and liaison with the Legislative Office of Budget Review (BRO) shall meet monthly, maintain minutes, and disperse those minutes to all Legislators. - 1.) All members of the Legislature shall be entitled to communicate through the mail to all of their constituents on a district-wide basis at least twice in one calendar year subject to the provisions contained in Rule 3(A)(11). When a Legislator disseminates information under a mass mailing (i.e. district-wide), the Legislator shall file a copy of such mailing with the Clerk of the County Legislature and a general description of the group or groups of persons to whom the mass mailing was mailed.
- 2.) The Presiding Officer shall establish criteria and guidelines to ensure that appropriations provided by the Legislature for such mailings are not exceeded. The Presiding Officer shall also ensure that no unused portion of a mailing allowance for a Legislator for a prior year shall be applied towards such allowance for the current year. A copy of each such mailing shall be filed in the Office of the Presiding Officer. Nothing contained in such procedure shall be construed as an authorization to the Clerk of the Legislature, the Presiding Officer of the Legislature, nor any employee of the County Legislature to impose his or her approval of

the substantive content of such mailings as a precondition of such mailing.

- F.) All members of the County Legislature shall be entitled to the equivalent of three(3) full-time positions in their Legislative District Offices to consist of either Legislative Aides or Legislative Secretaries for the District Office, as determined by the Legislator for that District Office, each such person filling such position to be physically assigned to the district office. The appointment, designation, or termination of such individual shall be the sole and exclusive responsibility of the Legislator in whose district office the aide and/or secretary works, including simultaneous notification to the Payroll Clerk of the County Legislature. Nothing contained herein shall be construed as prohibiting the Presiding Officer from having additional staff assigned to the office of the Presiding Officer or from assigning additional staff beyond the above described minimum to other members of the County Legislature. The political party with the largest number of elected members of the County Legislature shall choose a majority conference leader and the political party with the second largest number of elected members of the County Legislature shall choose a minority conference leader, and each conference leader shall be entitled to one additional Legislative Aide position to be appointed by that conference leader. All assignments of personnel hereunder shall be subject to available appropriations. RULE 5. INTRODUCING LEGISLATION

- A.) All legislation to be submitted to the Legislature shall be in strict compliance with Section C2-11 of the Suffolk County Charter and shall be filed with the Clerk of the Legislature no later than 1:00 p.m. at least four (4) business days immediately prior to the Legislative meeting at which such legislation is to be laid on the table. If the day, or Friday, immediately preceding such Legislative meeting is an official County holiday, then all legislation to be submitted to the Legislature shall be filed with the Clerk of the Legislature no later than 1:00 p.m. at least five (5) business days immediately prior to the Legislative meeting at which such legislation is to be laid on the table.
- B.) Immediately upon assignment of an introductory number to legislation, the Clerk shall make available to the Presiding Officer a copy of such legislation. The Clerk shall also make available copies of such legislation including backup material, to all Legislators, the County Attorney, the County Executive, the Legislative Counsel, and to such department heads as such legislation may affect at the commencement of the session at which said legislation is to be laid on the table. Any Legislator may waive his or her right to receive a hard copy of any legislation for the purposes of complying with the seven (7) day rule, where applicable, as set forth in Section 2-12(A) of the SUFFOLK COUNTY CHARTER by issuing such a waiver in writing to the Clerk of the County Legislature at least three (3) business days prior to the Legislative meeting at which such legislation is to be laid on the table.
- C.) If proposed legislation is not discharged, with or without recommendation, by an assigned committee of the Legislature, within a period of six (6) months from the

date it has been laid on the table of the Legislature, then such legislation shall be deemed withdrawn as of the expiration of the six- (6)-month period. If proposed legislation has remained on the table subject to call for six (6) months, it shall be deemed withdrawn as of the expiration of the six- (6)-month period.

RULE 6. DISCHARGE OF LEGISLATION.

- A.) The Presiding Officer shall assign legislation so laid on the table to a committee of the Legislature for its review and report.
- B.) Legislation laid on the table shall be placed on the agenda for consideration by the full Legislature at its next regularly scheduled meeting and shall be eligible for a vote by the full Legislature only if it been discharged by at least a majority of the entire membership of the Legislative committee to which it has been assigned, with or without recommendation.
- C.) Legislation which is not otherwise discharged, with or without recommendation from its assigned committee, may be discharged from an assigned committee and eligible for a vote by the full Legislature, by a successful Legislative motion to discharge at any meeting of the Legislature. A motion to discharge shall require an affirmative vote of ten (10) members of the entire membership of the Legislature. Legislation discharged from an assigned committee following the adoption of a motion to discharge the same made at any regular meeting of the Legislature (or any Special Meeting at which the resolution to be discharged is not specifically identified on the Special Meeting Notice), shall not be acted upon by the County Legislature until at least one (1) hour has elapsed after the approval of the discharge motion and the distribution of a copy of said legislation to each member of the legislature present at the time of such discharge motion.
- D.) Legislation may be discharged from an assigned committee by a written petition to discharge being presented to the Clerk of the Legislature, signed by at least ten (10) members of the Legislature. A petition to discharge shall be delivered to the Clerk of the Legislature at least two (2) business days immediately prior to the next regular meeting and no later than 2:00 p.m. on such day.
 - 1.) In the case of legislation that is the subject of a public hearing, such petition may only be submitted if the public hearing on said legislation has been closed. This subparagraph may not be waived at any meeting of the County Legislature by any vote.
- E.) Legislation may not be considered at any Legislative meeting unless it has been previously submitted to the Clerk of the Legislature no later than 5:00 p.m. and has

been laid on the table for at least seven (7) days in its' final form, exclusive of Sunday; Memorializing Resolutions, Home Rule Messages, and Procedural Motions related solely to the internal function of the Legislature are not subject to this seven (7) day maturation period.

- 1.) An amended copy of proposed legislation may not deviate from the copy being amended as to subject matter, purpose, and intent.
 - 2.) On the same date that an amended copy of proposed legislation is filed with the Clerk of the Suffolk County Legislature, the Clerk shall deliver a copy of such amended copy to each Legislator's box in the William H. Rogers Legislature Building in Hauppauge, and, on the same date, shall transmit by facsimile a copy of the cover letter which accompanies and explains the changes in each amended copy to each Legislator's district office in which a facsimile machine is installed and functional, subject to the provisions of subdivision 3 below.
 - 3.) Any Legislator may waive his or her right to receive a hard copy of any amended copy for any legislation for the purposes of complying with the seven (7) day rule, where applicable, as set forth in Section C2-12(A) of the SUFFOLK COUNTY CHARTER by issuing such a waiver in writing to the Clerk of the County Legislature at least three (3) business days prior to the deadline for amended copies as set forth above.
 - 4.) Any legislation, or amended copy of proposed legislation filed with the Clerk of the County Legislature including, but not limited to legislation filed by the County Executive, shall be accompanied simultaneously by an electronic mail transmission of same or such other electronic filing as may be acceptable to the Clerk in order to be eligible for consideration by the County Legislature. In the event that the electronically filed legislation is not identical to the filed paper copy, the legislation shall be deemed a nullity.
 - 5.) The Clerk of the Suffolk County Legislature shall include the phrase "amended copy as of [insert date]" on all amended copies of proposed legislation which do not contain said designation at the time of filing, prior to distribution.
- F.) Any other vote on legislation, in committee, which vote is not for the purpose of discharging the pertinent bill from the assigned committee, shall require the affirmative vote of at least a majority of the members of the committee present and voting, as long as a quorum is present at such committee meeting.

- G.) In addition, any Resolution that does not legally require a roll call vote, may be recommended to the Presiding Officer by a unanimous vote of the membership of the assigned committee present and voting for placement on a "Consent Calendar".
- 1.) If the Presiding Officer agrees to place such Resolution on the Consent Calendar, then the Clerk of the County Legislature shall provide the list of such Resolutions, so placed on said calendar to each Legislator no later than the business day immediately preceding the Legislative meeting at which such Resolutions are eligible for consideration. If the Presiding Officer does not place a Resolution so recommended on such Consent Calendar, then such Resolution shall be acted upon in accordance with the provisions of all other Rules as a separate Resolution.
 - 2.) Unless at least one (1) Legislator objects, prior to the vote of the entire County Legislature, to the placement of such Resolution on said Consent Calendar, then all such Resolutions placed on such calendar may be acted upon by the entire County Legislature in a single vote. If an objection is raised by at least one (1) Legislator to the placement of a specific Resolution on such Consent Calendar for a vote on said calendar, then each such Resolution so objected to shall be subjected to an individual separate vote by the entire County Legislature at the same Legislative meeting as if the Resolution had been discharged from the pertinent assigned committee as part of the regular agenda and in its regular order.
 - 3.) The Clerk of the Legislature shall maintain a separate agenda sheet for any Resolutions placed on said calendar entitled "Consent Calendar". Legislation on the Consent Calendar shall be considered in a single vote, subject to the objection of a Legislator to any such legislation, without intervening motion, amendment, or debate, and before other legislation is considered.
- H.) Any legislation placed on the agenda for consideration by the full Legislature and eligible to be voted upon by the Legislature, may be returned to the Legislative committee to which it was assigned or such other committee of the Legislature by an affirmative vote of at least a majority of the entire membership of the Legislature in order to obtain additional information, or to reconsider such legislation. If such legislation is so returned to committee, then the Clerk of the Legislature shall remove it from the Legislative agenda for the next regularly scheduled meeting, subject to the provisions of this Rule.
- I.) All legislation deemed ineligible for a vote by the full Legislature shall automatically remain on the table and be carried over to the next regularly scheduled Legislative meeting at which such legislation is eligible for a vote under the above provisions. Each committee shall report the outcome of its vote on legislation to the Clerk of the Legislature, in writing, on forms prescribed by the Clerk of the Legislature at the

conclusion of the committee meeting, but no later than twenty-four (24) hours from the conclusion of its committee meeting.

RULE 7. ACTION ON LEGISLATION

- A.) Each Local Law, Charter Law, or Resolution to be considered by the full Legislature shall be either:
- 1.) Approved;
 - 2.) Defeated;
 - 3.) Deemed defeated for lack of motion or second;
 - 4.) Tabled;
 - 5.) Tabled to a date certain;
 - 6.) Tabled subject to call;
 - 7.) Recommitted or referred to committee; or
 - 8.) Ineligible for a vote by the full Legislature.
- B.) If legislation is defeated, it shall not be reintroduced at the meeting at which it was defeated. Such legislation may only be reintroduced at a subsequent date by filing it with the Clerk of the Legislature. Any legislation that is before the Legislature at the conclusion of a Legislative even-numbered year, shall carry over to the next year subject to the six- (6)-month limitation described above. However, at the end of the term of the Legislature, any legislation that is before the Legislature at the end of a Legislative term, shall be deemed stricken from the calendar as of midnight of the last day of the second year of such Legislative term; legislation adopted by the County Legislature prior to the end of the term which is awaiting County Executive action, or legislation which has been vetoed by the County Executive and is eligible for an override vote, shall not be stricken at the end of such Legislative term.
- C.) If the County Executive disapproves a Local Law, Charter Law, or Resolution, the County Legislature may, within thirty (30) days after the return of said legislation with a statement of reasons for not approving it, reconsider and re-pass (by veto override) such legislation by an affirmative vote of at least two-thirds (2/3) of the entire membership of the Legislature. It shall then be deemed adopted notwithstanding the objections of the County Executive. Only one (1) vote shall be had upon such reconsideration.
- D.) A full roll-call vote shall be taken on any question whenever requested by a member and on any Resolution which authorizes the issuance of obligations against the

County of Suffolk pledging the full faith and credit thereof for the repayment of such obligations.

- E.) Such roll-call shall commence with the First (1st) Legislative District and proceed in numerical order through all the Legislative Districts in all odd-numbered months, (i.e., January, March, etc.). During the even-numbered months, such roll-call votes shall commence with the Eighteenth (18th) Legislative District and work backward in inverse order. Notwithstanding the above, the last vote in any roll-call shall be cast by the Presiding Officer and the next to last vote shall be cast by the Deputy Presiding Officer.
- F.) If the Legislature shall be equally divided on any question, the question shall be deemed defeated.
- G.) The adoption of all legislation and all other questions shall be by a voice vote which shall be duly recorded and shall be by affirmative vote of at least a majority of the entire membership of the Legislature, except where otherwise required by law or stated in these Rules.
- H.) In cases where a motion, order, or Resolution shall be entered in the minutes, the name of the Member introducing, moving and seconding shall be entered in the minutes.
- I.) Any member of the County Legislature shall be entitled to speak on any question that is before the Legislature for five (5) minutes, except that no Legislator shall discuss, debate or explain his or her vote during the actual roll call vote. At the discretion of the Presiding Officer, a Legislator's speaking time shall be extended. A motion to table any legislation shall not automatically cut off debate on a question that is before the Legislature, and said motion to table may be debated. Said motion to table may be made and/or entertained during any roll-call vote.
- J.) The following rules shall apply to Certificates of Necessity:
 - 1.) In the event that a Certificate of Necessity is issued by the County Executive for a proposed Resolution, Charter Law, or Local Law, and such proposed Resolution, Charter Law, or Local Law receives at least twelve (12) votes of the entire membership of the County Legislature, then such Resolution, Charter Law, or Local Law shall be deemed approved.
 - 2.) In the event that a Certificate of Necessity is issued by the County Executive for a proposed Resolution, Charter Law, or Local Law, and such proposed Resolution, Charter Law, or Local Law receives at least ten (10), but less than twelve (12) votes, of the entire membership of the County Legislature, then such Resolution, Charter Law, or Local Law shall be referred to such committee or committees of the County Legislature as may be designated by the Presiding Officer of the County Legislature.

- 3.) In the event that a Certificate of Necessity is issued by the County Executive for a proposed Resolution, Charter Law, or Local Law, and such proposed Resolution, Charter Law, or Local Law receives less than ten (10) votes of the entire membership of the County Legislature, then such Resolution, Charter Law, or Local Law shall be deemed defeated and shall not be assigned to any committee of the County Legislature.
- 4.) In the event that a Certificate of Necessity is issued by the County Executive for a proposed Resolution, Charter Law, or Local Law, a motion to refer such Resolution, Charter Law, or Local Law to committee may be made. If such motion is approved by at least ten (10) votes of the entire membership of the County Legislature, then such Resolution, Charter Law, or Local Law shall be referred to such committee as may be designated by the Presiding Officer. This motion shall take priority over a motion to approve or a motion to table such Resolution, Charter Law, or Local Law for which a Certificate of Necessity has been issued, anything in Rule 11(F) to the contrary notwithstanding.

RULE 8. PUBLIC PARTICIPATION

- A.) At the public portion of all regularly scheduled Legislative meetings all persons who have filled out the appropriate speaker's card shall be entitled to speak to the full Legislature for a period not to exceed three (3) minutes.
- B.) At any Special Legislative meeting held pursuant to Section A2-6(B) of the SUFFOLK COUNTY ADMINISTRATIVE CODE, the Presiding Officer shall schedule a public portion not to exceed one (1) hour in duration during which period of time individuals who have filled out an appropriate speaker's card shall be entitled to speak to the full Legislature for a period not to exceed three (3) minutes in the order in which the cards have been signed up to the expiration of the one (1) hour period regardless of whether or not all speakers who have signed a card are able to speak. This one (1) hour limitation for the public portion at a Special Meeting may be extended by a vote of at least three fourths (3/4) of the entire membership of the County Legislature. This one (1) hour period for the public portion at a Special Legislative Meeting may be shortened or terminated by a vote of at least three-fourths (3/4) of the entire membership of the County Legislature if no more speakers from the public are in attendance.
- C.) At any meeting of the Legislature the Presiding Officer shall follow the speaker cards in numerical order regardless of the status as a regular speaker or public official. A State, federal, or local official may speak at any time, if requested by a member of the County Legislature to do so in accordance with Rule 11(C) and Rule 2 (A)(11), except during the public portion.
- D.) At any meeting of the full Legislature, no Legislator shall engage in commentary, discussion, or debate with any speaker during any period of the public portion. The three (3) minutes allocated to individuals who wish to speak during the public portion under Rule 8(A) and (B)

and Section 24-11 of the SUFFOLK COUNTY CHARTER shall be devoted exclusively to commentary, testimony, or advocacy by the individual member of the public so addressing the County Legislature. This subparagraph may not be waived at any meeting of the County Legislature by any vote.
