**RESOLUTION NO. -2011, ADOPTING LOCAL LAW
NO. -2011, A CHARTER LAW TO ESTABLISH A 2%
DISCRETIONARY SPENDING CAP IN SUFFOLK COUNTY**

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on _____, 2011 a proposed local law entitled, "**A CHARTER LAW TO ESTABLISH A 2% DISCRETIONARY SPENDING CAP IN SUFFOLK COUNTY**"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

**A CHARTER LAW TO ESTABLISH A 2% DISCRETIONARY
SPENDING CAP IN SUFFOLK COUNTY**

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law No. 21-1983 established a 4% limit on increases in discretionary spending in the annual County operating budget. Mandated expenses are exempt from this cap.

This Legislature further finds that the expense cap has helped restrain County spending and hold down property taxes. However, the spending cap has been weakened in recent years by the reclassification of some discretionary expenses into mandatory expenses.

This Legislature also determines that the State of New York is considering a law that would require school districts and local governments to adhere to a 2% spending cap,

This Legislature also finds that Suffolk County taxpayers would benefit from a tighter cap on County expenses.

This Legislature finds and determines that the County of Suffolk should proactively enact a 2% spending cap rather than wait for State action.

Therefore, the purpose of this local law is to amend the SUFFOLK COUNTY CHARTER to enact a 2% cap on discretionary County spending and to bar the executive branch from unilaterally reclassifying discretionary expenses as mandatory expenses.

Section 2. Amendment.

Article IV of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

ARTICLE IV, County Budget and Capital Program

* * * *

§ C4-6. Submission of proposed county budget by County Executive.

* * * *

- B. The proposed expense budget for any fiscal year shall not exceed the adopted and approved expense budget for the prior fiscal year by more than [4%] 2% or the amount of the increase in the gross [national] domestic product price deflator, whichever is greater, measured by the [Bureau of Labor Statistics] United States Department of Commerce, Bureau of Economic Analysis, for the period of the fiscal year preceding the year in which the initial public hearings on the proposed county budget are held, as calculated against the adopted and approved expense budget for the prior fiscal year. For the purposes of this subsection, "expense budget" shall include all expenditures and all revenues except outlays of federal and state grants or aid, receipts of federal or state grants or aid, outlays by the County of Suffolk for goods or services statutorily required by the state or federal government and outlays used for repayment of all debt principal. The expense budget for the community college shall be treated as a separate budget for the purposes of compliance with the provisions of this subsection. The amount of real property tax revenues and non-real-property-tax revenues attributable to the community college budget shall continue to be the ratio between the two sources of revenue as shall have applied to the expense budget adopted and approved for the prior fiscal year. The proposed expense budget for any fiscal year shall also be submitted by the Executive to the County Legislature in such a form as to require the Suffolk County General Fund and Police District Fund or any captive service fund (nursing, self-insurance and interdepartment operation and service), or net tax levy, calculated together, exclusive of the amount necessary to be raised by tax on real estate to provide for the interest on and principal of all indebtedness in the Suffolk County General Fund and Police District Fund or any captive service fund (nursing, self-insurance and interdepartment operation and service), not to exceed the combined Suffolk County General Fund and Police District Fund or any captive service fund (nursing, self-insurance and interdepartment operation and service) or net tax levy for the prior fiscal year, exclusive of the amount necessary to be raised by tax on real estate to provide for the interest on and principal of all indebtedness in the Suffolk County General Fund and Police District Fund or any captive service fund (nursing, self-insurance and interdepartment operation and service) by more than 4% or the amount of the increase in the gross national product (GNP) price deflator, whichever is greater, measured by the [Bureau of Labor Statistics] United States Department of Commerce, Bureau of Economic Analysis for the period of the fiscal year immediately preceding the year in which the initial public hearings on the proposed county expense budget are held.

* * * *

- D. The proposed expense budget in any fiscal year shall not designate an expense as mandated, which was classified as discretionary in the prior fiscal year, unless such reclassification was previously approved by a duly enacted resolution of the Suffolk County Legislature by a two-thirds vote.

Additionally, this law would bar the County Executive from reclassifying a discretionary expense to mandated in his recommended budget unless such reclassification was previously authorized by a legislative resolution approved by a two-thirds vote.

**RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO.
-2011, A LOCAL LAW AUTHORIZING THE COUNTY
EXECUTIVE TO EXECUTE AGREEMENTS FOR THE SALE OF
THE JOHN J. FOLEY SKILLED NURSING FACILITY**

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on _____, 2011, a proposed local law entitled, "**A LOCAL LAW AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE AGREEMENTS FOR THE SALE OF THE JOHN J. FOLEY SKILLED NURSING FACILITY**"; and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in final form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

**A LOCAL LAW AUTHORIZING THE COUNTY EXECUTIVE TO
EXECUTE AGREEMENTS FOR THE SALE OF THE JOHN J. FOLEY
SKILLED NURSING FACILITY**

**BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY
OF SUFFOLK**, as follows:

Section 1. Legislative Intent.

This Legislature finds and determines that John J. Foley Skilled Nursing Facility (the "Facility") is a 264-bed facility located on approximately 14 acres in Yaphank in Suffolk County (the County). In addition to operating 252 residential health care facility beds (including an Alzheimer's unit) and 12 designated AIDS beds, the nursing facility operates a 60-slot Adult Day Health Care Program (ADHCP). In 1995, the Facility began operating in a newly-constructed building. The total building size is approximately 181,749 square feet with recent (2005) expansions to the adult day health and rehabilitation program space as well as dining and recreational areas on the second floor.

This Legislature further finds and determines that the County has examined the operations at the Facility in order to determine the feasibility of continuing its operation as a County facility. The County has determined that, due to business impediments unique to municipalities (rising municipal labor and employee benefit costs and unreliability of continued intergovernmental transfer (IGT) payments), operating a municipal skilled nursing home is no longer in the best fiscal interest of the County.

This Legislature further finds and determines that where the County had once provided the Facility as an institution for destitute individuals, this is no longer the case. All nursing homes are eligible to receive payments from Medicaid and uninsured and underinsured patients can be cared for at any of Suffolk's 40+ nursing homes.

This Legislature further finds and determines that the Facility could be operated at the same high level of care, but more efficiently by individuals or entities that do not face the operational restrictions particular to municipalities.

This Legislature further finds and determines that pursuant to Suffolk County Resolution No. 881-2008 the County Executive, through the Department of Health Services issued a request for expressions of interest ("RFEI") to transfer ownership and/or operation and management of the "Facility." Qualified RFEI respondents received a request for proposals ("RFP") to transfer ownership and/or operation and management of the Facility issued on September 21, 2009. On February 23, 2010, based on the evaluation of the RFP Review Committee, an award letter for the sale of the Facility was issued to Mr. Kenneth Rozenberg. The County issued, and Mr. Kenneth Rozenberg accepted, a Letter of Intent, dated March 17, 2010, to enter into an agreement for the sale and purchase of the Facility.

This Legislature also finds that pursuant to Suffolk County Introductory Resolution No. 1337-2010, a Land Sale Contract and Asset Purchase Agreement ("the Plan") has been subject to the Suffolk County Administrative Code Section A9-6 review process, including four separate public hearings at which comments were solicited.

Therefore, the purpose of this law is to approve the Plan, an agreement for the sale and purchase of the Facility by the County to Mr. Kenneth Rozenberg, an established nursing home operator, through his companies, Foley Operating LLC and Foley Land LLC.

Section 2. Approval of Request for Proposals.

The County hereby approves the award dated February 23, 2010 to Mr. Kenneth Rozenberg for the sale of the Facility and all assets, property, real or personal, and rights used or usable in the operation of the Facility, of every type and description, tangible or intangible, wherever located.

Section 3. Declaration of Surplus Land.

The 14.06 acres of land, which acreage shall be subject to final survey, is surplus to County needs. The Facility and all associated assets and inventory used to carry out its functions as a skilled nursing facility, as more specifically set forth in the proposed Asset Purchase Agreement and Land Sale Contract, is likewise declared surplus to County needs.

Section 4. Sale of Surplus Land.

The sale by the County to Mr. Kenneth Rozenberg through his company Foley Land LLC of the County's right, title and interest in and to 14.06 acres of land, without recourse, is hereby authorized in exchange for the delivery, to or upon the order of the County, of (i) the payment of the purchase price as set forth in the proposed Land Sale Contract, and (ii) upon such other terms and conditions as are set forth in the proposed Land Sale Contract with Foley Land, LLC, as purchaser, and the County, as seller.

Section 5. Approval of Land Sale Contract.

The form and substance of the Land Sale Contract, presented to the members of the Legislature at this meeting as Exhibit 1, is hereby approved.

Section 6. Execution and Delivery of Land Sale Contract.

The execution and delivery on behalf of and in the name of the County by the County Executive and/or his designee(s) of the Land Sale Contract presented to the members of the Legislature at this meeting, is hereby authorized and directed, with such ministerial and non-substantive changes therein as the County Executive and/or his designee(s) may approve, and the execution and delivery of such Land Sale Contract shall be conclusive evidence of his approval of any such changes and of the authorization and direction thereof by this Legislature.

Section 7. Sale of the Facility.

The sale by the County to Kenneth Rozenberg through his company Foley Operating LLC of all assets, property, real or personal, and rights used or usable in the operation of the Facility, of every type and description, tangible or intangible, wherever located, without recourse, is hereby authorized in exchange for the delivery, to or upon the order of the County, of (i) the payment of the purchase price as set forth in the proposed Asset Purchase Agreement, and (ii) upon such other terms and conditions as are set forth in the proposed Asset Purchase Agreement with Foley Operating LLC, as purchaser, and the County, as seller.

Section 8. Approval of Asset Purchase Agreement.

The form and substance of the Asset Purchase Agreement, presented to the members of the Legislature at this meeting as Exhibit 2, is hereby approved.

Section 9. Execution and Delivery of Asset Purchase Agreement.

The execution and delivery on behalf of and in the name of the County by the County Executive and/or his designee(s) of the Asset Purchase Agreement presented to the members of the Legislature at this meeting, is hereby authorized and directed, with such ministerial and non-substantive changes therein as the County Executive and/or his designee(s) may approve, and the execution and delivery of such Asset Purchase Agreement shall be conclusive evidence of his approval of any such changes and of the authorization and direction thereof by this Legislature.

Section 10. Further Actions.

The County Executive and/or his designee(s) are further authorized to execute and deliver, on behalf of the County, such agreements, instruments or authorizations as may be contemplated by, or necessary or advisable to consummate or otherwise give full effect to, the Land Sale Contract, the Asset Purchase Agreement and this local law, and which are deemed necessary or desirable to effectuate the transactions contemplated by the Land Sale Contract, the Asset Purchase Agreement and this local law, and to perform all acts and do all things required or contemplated to be performed or done by the Land Sale Contract, the Asset Purchase Agreement or by this local law or by any agreement, instrument or authorization approved, contemplated, necessary or authorized hereby.

Section 11. Suffolk County Administrative Code A9-6 Compliance

The County has complied with the procedures set forth in Section A9-6 of the Administrative Code. A report to the Suffolk County Legislature pursuant to Suffolk County Administrative Code Section A9-6 is attached as Exhibit 3. In addition, attached as Exhibit 4 is

a letter from the New York State Department of Health supporting Kenneth Rozenberg as purchaser of the Facility.

Section 12. Applicability.

This law shall apply to all actions and transactions occurring on or after the effective date of this law. Adoption of this law shall be conclusive evidence of full compliance with Suffolk County Administrative Code § A9-6, and shall apply to all actions and transactions occurring on or after the effective date of this law.

Section 13. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 14. SEQRA Determination.

This Legislature has independently considered the Environmental Assessment Form (“EAF”), the Council on Environmental Quality (“CEQ”) recommendation, and any relevant testimony concerning the same; and

This Legislature, being the lead agency under State Environmental Quality Review Act (“SEQRA”) and Chapter 279 of the Suffolk County Code, hereby determines that this local law constitutes an unlisted action, pursuant to 6 NYCRR Part 617 of the implementing regulations pertaining to Article 8 (SEQRA) of the Environmental Conservation Law; and

This Legislature hereby determines that implementation of this action will not have a significant adverse impact on the environment for the following reasons, as demonstrated in the EAF:

1. The action involves the simple transfer of the ownership of an existing operating facility and associated property with no change to the environment or facility operations;
2. The proposed action will not exceed any of the criteria in Section 617.7 of Title 6 NYCRR which sets forth threshold for determining significant impact on the environment;
3. The proposal does not appear to significantly threaten any unique or highly valuable environmental or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and Code;

4. The parcel does not appear to suffer from any severe environmental development constraints (no poor soil properties, no high groundwater and no unmanageable slopes); and

This Legislature hereby directs, in accordance with Section 279.5(c) (4) of the Suffolk County Code, the Suffolk County Council on Environmental Quality to prepare and circulate any appropriate notices or determinations in accordance with this resolution.

Section 15. Effective Date.

This Local Law shall not take effect until at least forty-five (45) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within forty-five (45) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against such Local Law in conformity with the provisions of §24 (1) (a) of the MUNICIPAL HOME RULE LAW, and upon filing in the Office of the Secretary of State.

RE: MEMORANDUM OF COUNSEL TO THE LEGISLATURE PURSUANT TO RULE 28

PROPOSED LOCAL LAW YEAR 2011

TITLE: I.R. NO. -2011; A LOCAL LAW AUTHORIZING THE COUNTY EXECUTIVE TO EXECUTE AGREEMENTS FOR THE SALE OF THE JOHN J. FOLEY SKILLED NURSING FACILITY

SPONSOR: PRESIDING OFFICER, ON THE REQUEST OF THE COUNTY EXECUTIVE

DATE OF RECEIPT BY COUNSEL: 3/2/2011 PUBLIC HEARING: 3/3/2011

DATE ADOPTED/NOT ADOPTED: _____ CERTIFIED COPY RECEIVED: _____

This proposed local law authorizes the sale of the County's John J. Foley Skilled Nursing facility ("Foley facility") to two companies controlled by Kenneth Rozenberg. Specifically, this law:

- 1. Declares the 14.06 acres of land on which the Foley facility sits and all associated assets and inventory, as surplus to the needs of the County.** Pursuant to Section 215 of NEW YORK COUNTY LAW, any surplus declaration requires a two-thirds vote of approval by the County Legislature.
- 2. Approves the Land Sale Contract that is attached as Exhibit "1" to the proposed local law.** Pursuant to this contract, the buyer¹ will acquire the building and land currently used as the Foley facility, together with certain easements, for Eighteen Million Dollars (\$18,000,000.00). The buyer represents that it "intends to continue to use the premises as a skilled nursing facility as it is being operated by seller."
- 3. Approves the Asset Purchase Agreement attached to the local law as Exhibit "2".** Pursuant to this agreement, the buyer² will purchase the Foley facility assets - that is all of the assets, properties and rights used or usable in the operation of the Foley facility, separate and apart from the building and property that is the subject of the Land Sale Agreement. Among the assets are the licenses, certificates and permits held by the County to operate the Foley Facility and the Adult Day Care Program, to the extent that they are transferrable. The purchase price of the assets is Eighteen Million Dollars (\$18,000,000.00).

The Asset Purchase Agreement provides that the buyer will not assume or be responsible for any collective bargaining contract or agreement related to the Foley facility and the adult day care program. The buyer agrees that for a three-month period

¹ The buyer in this transaction is Foley Land LLC.

² The buyer in this transaction is Foley Operating LLC.

following the closing, it will offer the Foley facility's' existing employees the positions of employment that the buyer determines are necessary to operate the facility, provided that the existing employees are qualified to perform the job requirements. To the extent the buyer offers employment to the former County employees, their rates of pay will be consistent with nursing homes in Suffolk County.

Additionally, the County agrees to use reasonable efforts to obtain licenses to increase the adult day care program from the current 24 participants to 60 participants.

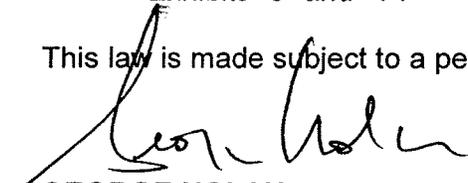

Pursuant to this Agreement, the buyer agrees to continue treatment of each patient receiving services at the Foley facility on the date of closing. Only patients requiring services not available at the facility will be eligible for transfer. To the extent any resident is being treated at another facility, the buyer will reserve the resident's bed in accordance with applicable law and comply with "bed hold" regulations.

The Agreement further provides that should the County Legislature fail to approve the sale of assets by December 31, 2010, either party will have the right to terminate.

The parties also agree to use "reasonable commercial efforts" to complete the subject transaction by December 31, 2011.

4. **States that the County has complied with the procedures set forth in Section A9-6 of the SUFFOLK COUNTY ADMINISTRATIVE CODE.** This section of the Code sets forth detailed procedures that must be followed before any health care service currently provided by the County may be privatized. Among the requirements are four (4) public hearings and a report from the Budget Review Office. In an attempt to comply with Section A9-6, a report from the Suffolk County Department of Health Services and a letter from New York State Department of Health have been attached to the local law as Exhibits "3" and "4".

This law is made subject to a permissive referendum.

HOME RULE MESSAGE REQUESTING STATE OF NEW YORK TO AMEND THE CIVIL SERVICE LAW, IN RELATION TO RESOLUTION OF DISPUTES BETWEEN A PUBLIC EMPLOYER AND SUFFOLK COUNTY PROBATION OFFICERS (SENATE BILL S.3403 AND ASSEMBLY BILL A.5389)

WHEREAS, Section 209(4)(c) of the New York Civil Service Law provides for mandatory arbitration in the event that an impasse is reached in collective bargaining negotiations between a municipality, such as the County of Suffolk, and employee organizations representing members of any organized fire department, police force, or police department; and

WHEREAS, binding arbitration for firefighters and police was initially adopted in 1974 to provide a fair and timely method for resolving contractual disputes involving police and firefighters and in turn to avoid strikes by employees who provide critical public safety services; and

WHEREAS, binding arbitration for compensatory issues was thereafter extended to State Police and State Correction Officers and deputy sheriffs; and

WHEREAS, binding arbitration was subsequently extended to Suffolk County Correction Officers and Suffolk County Park Police; and

WHEREAS, Suffolk County Probation Officers are classified as "Peace Officers"; and

WHEREAS, Probation Officers undergo intensive public safety/rehabilitation training, including the use of firearms; and

WHEREAS, Suffolk County Probation Officers supervise approximately 14,000 felony/misdemeanor offenders in the community; and

WHEREAS, Probation Officers execute felony and misdemeanor arrest warrants, conduct warrantless searches for weapons and narcotics, confiscate contraband and make summary arrests; and

WHEREAS, similar to State Police, local police officers, deputy sheriffs, correction officers, Probation Officers and park police, face inherent dangers on a daily basis while performing analogous public safety services; and

WHEREAS, it is logical to extend the binding arbitration law to include Suffolk County Probation Officers in order to ensure orderly continuous protection of the public during protracted county contract negotiations; now, therefore, be it

1st **RESOLVED**, that this Legislature hereby requests the State of New York to enact Senate Bill S.3403 and Assembly Bill A.5389 to amend the Civil Service Law by extending the Binding Arbitration Law provisions to Suffolk County Probation Officers; and be it further

Intro. Res. No. -2011
Introduced by Legislator Browning

Laid on Table 3/8/11

**RESOLUTION NO. -2011, ADOPTING LOCAL LAW
NO. -2011, A LOCAL LAW TO STRENGTHEN THE
COUNTY'S CRACK HOUSE LAW**

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on , 2011, a proposed local law entitled, "**A LOCAL LAW TO STRENGTHEN THE COUNTY'S CRACK HOUSE LAW**"; and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO STRENGTHEN THE COUNTY'S CRACK HOUSE LAW

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk enacted Local Law No. 2-1989 (Suffolk County Code Chapter 270, Article II) to eradicate crack houses and other serious public nuisances, which significantly diminish the quality of the communities and neighborhoods located in and across the County of Suffolk.

This Legislature further finds that Local Law 2-1989 was previously amended by Local Law 25-2010 to establish a three year framework to make enforcement more efficient, and also to increase interdepartmental communication regarding crack houses and public nuisances, and has operated effectively to that end.

This Legislature further finds that the adoption of this Amendment to Local Law 2-1989 would extend certain timeframes within the law so that the county agencies and departments dealing with the issues presented by drugs in our communities have more time to conduct unhampered investigations and to bring actions or special proceedings, which would ultimately result in more effectively combating the problem of crack houses, drugs and other public nuisances confronting our communities.

Therefore, the purpose of this law is to provide for enhanced timeframes to allow police investigations to remain unhampered, as well as enhanced timeframes to bring Crack House Lawsuits post-conviction and to increase the penalties recovered by these Lawsuits.

Section 2. Amendments.

Chapter 270 of the SUFFOLK COUNTY CODE is here by amended to read as follows:

**Chapter 270
Drug Paraphernalia and Premises**

Article II

§ 270-7. Definitions.

As used in this article, the following terms shall have the meanings indicated:

PROHIBITED CONDUCT – the following:

- A. Any conduct or occurrence that is in violation of the following articles or sections of the New York State Penal Law:

(8) Section [110.70] 170.71 (illegal possession of a vehicle identification number plate).

§ 270-8. Suffolk County governmental determinations.

- A. The Suffolk County Police Department must report to the Department the address of any home at which an arrest for prohibited conduct has occurred within [30] 90 days [of its occurrence] of the arrest, or within 90 days of the cessation of any ongoing investigations or police matters which could be hampered in any way by the forwarding of such information outside of the police department.

- D. The Department shall send notices to the owners and mortgage holders of affected real property no later than [30] 60 days after the Department receives notification from the Suffolk County Police Department or a town or village police department that prohibited conduct has occurred thereon. The Department shall file a copy of all notices it issues with the Clerk of the County Legislature no later than 30 days after their issuance.

§ 270-9. Remedies and enforcement.

- A. Subject to the limitation period set forth in subsection (B) of this section 270-9, [T] the Department is authorized to bring and maintain a civil action or special proceeding in the name of the County in a court of competent jurisdiction for necessary relief, including but not limited to temporary, preliminary and/or permanent equitable remedies, which may include orders to make improvements and/or alterations to a premises; eviction of tenants; ejection of occupants; imposition of civil penalties; and the recovery of the costs of the action, including but not limited to investigative costs, litigation expenses and reasonable attorney's fees, or for such other remedies as may be necessary to prevent or enjoin any public nuisance from existing at any building, residence, premises or place within the County of Suffolk. These remedies may be sought singly or in combination with each other in a court of competent jurisdiction. The owner, lessor, lessee of a building, residence, premises or place where a public nuisance is being conducted, maintained or

permitted shall be named as defendants or respondents in the action or special proceeding. The existence of an adequate remedy at law shall not prevent the granting of temporary or permanent relief pursuant to this Article. The enforcement of all remedies obtained pursuant to this Article shall be carried out by the Department, the Suffolk County Police Department and/or the Suffolk County Sheriff and/or any town or village Police Department in the County of Suffolk. Any town or village government which formally enacts a resolution of authorization may assign personnel, manpower or other town or village resources to the County Suffolk on a voluntary basis without compensation for joint action with the County of Suffolk in carrying out and enforcing the provisions of this Article. Any such joint action shall be coordinated, supervised and controlled by the County of Suffolk.

- B. Any civil action or proceeding referred to in subdivision (A) of this section may be brought by the Department within 3 years of the date of a conviction of any prohibited conduct in the building, residence, premises or place where a public nuisance is being conducted, maintained or permitted. Nothing in this subsection (B) shall be construed as a prohibition on the Department from bringing any civil action or special proceeding authorized by subsection (A) of this section 270-9 prior to the conviction of a person accused of such prohibited conduct.

§ 270-10. Permanent Injunction.

- G. Penalty. If upon order or judgment in an action or special proceeding under this Article a finding is made that the defendant(s) has intentionally conducted, maintained or permitted a public nuisance defined in this Article, a civil penalty, to be included in the judgment, may be awarded in an amount not to exceed [\$1,000 for each day it is found that the defendant or respondent intentionally conducted, maintained or permitted prohibited conduct to exist at the building, residence, premises or place] \$2,500 for each arrest for prohibited conduct in the building, residence, premises or place where a public nuisance is being conducted, maintained or permitted.

§ 270-19. Action or proceeding for ejection or eviction.

- D. A court granting an eviction or ejection pursuant to this section may, in addition to any other order provided by law, make an order imposing and requiring the payment by the defendant or respondent of a civil penalty not exceeding [\$1,000 for each day (after first notice has been given) that the public nuisance was allowed to continue] \$2,500 for each arrest for prohibited conduct in the building, residence, premises or place where a public nuisance is being conducted, maintained or permitted and may also order the payment of the costs to the County in investigating, bringing and maintain the action, and the recovery of reasonable attorneys' fees by the County. In any such case, multiple defendants or respondents shall be jointly and severally liable for any payment so ordered and the amounts of such payments shall constitute a lien upon the subject

building, residence, premises or place. Any penalties or fees shall be payable to Suffolk County and shall become a part of the general fund of the County.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not effect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environment Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20) and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Article II of Chapter 270 of the SUFFOLK COUNTY CODE, known colloquially as the "Crack house law", addresses nuisance properties where illegal activities occur. This local law would allow the County more time to conduct investigations, notify property owners, and commence civil actions against persons who fail to remediate public nuisances and change the law's penalty structure.

Currently, the Police Department has 30 days to report arrests or investigations of prohibited conduct on nuisance properties to the Department of Law. The Department of Law then has 30 days to notify the property owner of the prohibited conduct. The Department of Law is authorized to bring a civil action seeking remediation of the nuisance property.

Under this law, the Police Department will have 90 days to report arrests or investigations involving prohibited conduct to the Department of Law. The Department of Law will have 60 days to notify the property owner of such conduct. The Department of Law will be authorized to bring an action within 3 years of the date of a conviction for any prohibited conduct on a nuisance property.

This law will also change the penalties for failure to remediate nuisance properties. Currently, if the County is awarded a permanent injunction upon a finding that a property owner is intentionally maintaining or permitting a public nuisance to exist on his property, the penalty is \$1,000.00 for each day the property owner permits such conduct to continue. Under this law, the penalty will be a fine of \$2,500.00 for each arrest for prohibited conduct on the nuisance property. These changes would also apply to civil actions brought by the County Attorney seeking an eviction or ejection of tenants or occupants from a nuisance property.

This law will take effect immediately upon its filing in the Office of the Secretary of State.

NO. -2011, A LOCAL LAW TO CHANGE THE

WHEREAS there was duly presented and introduced to this County Legislature at a meeting held on _____, 2011, a proposed local law entitled, "A LOCAL LAW TO CHANGE THE FORMULA FOR DISTRIBUTION OF FUNDS AND FEES GENERATED FROM THE SEIZURE AND FORFEITURE OF VEHICLES," and said local law in final form is the same as when presented and introduced; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

**A LOCAL LAW TO CHANGE THE FORMULA FOR
DISTRIBUTION OF FUNDS AND FEES GENERATED FROM
THE SEIZURE AND FORFEITURE OF VEHICLES**

**BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY
OF SUFFOLK**, as follows:

Section 1. Legislative Intent.

This Legislature finds that the County of Suffolk has enacted local laws which authorize the seizure and forfeiture of motor vehicles under various circumstances.

This Legislature further finds that the Suffolk County Police District may charge reasonable and customary towing, maintenance and storage fees when it seizes a vehicle. However, when a law enforcement agency outside the Police District seizes a vehicle pursuant to Suffolk County local laws, that entity may receive a maximum reimbursement of \$300.00 from forfeiture proceeds, even if its actual towing and storage costs are much higher.

This Legislature also finds that authorizing towns and villages to receive a greater share of towing and storage funds from the seizure and forfeiture of vehicles is more equitable and will encourage stronger enforcement of the County's seizure and forfeiture laws in areas outside the County Police District.

Therefore, the purpose of this law is to increase the share of towing and storage funds received by outside law enforcement agencies in connection with the seizure and forfeiture of vehicles.

Section 2. Amendments.

- I. Article IV of Chapter 270 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Whenever an outside law enforcement agency shall transfer a seized asset to the Suffolk County police impound facility it shall be entitled to :

(b) [I]n the event the fees collected [by the police department] for all costs actually incurred for towing the seized property or asset to and from its impound area, maintenance and for paid storage, upon disposal of said seized asset, exceed [the actual towing costs incurred, or the \$300 maximum, whichever is less, as the case may be,] \$300.00, such excess shall be [retained] shared equally by the Suffolk County Police Department and the outside law enforcement agency which transferred said seized property or asset to the Suffolk County police impound facility.

IV. Article VI of Chapter 467 of the SUFFOLK COUNTY CODE is hereby amended as follows:

Article IV of Chapter 270 and Articles III, IV, and VI of Chapter 467 of the SUFFOLK COUNTY CODE authorize the forfeiture of vehicles used in or obtained through various crimes. This proposed local law would amend the distribution scheme for funds generated from the sale of seized property or assets.

When law enforcement agencies outside the Police Department seize vehicles, they store the property until it is transferred to the Suffolk County police impound facility and sold. Currently, outside law enforcement agencies that seize vehicles are entitled to up to \$300.00 as reimbursements for the costs of towing, maintenance and storage of the seized asset, with the Suffolk County Police Department retaining any funds in excess of the actual costs of storage or \$300.00, whichever is less.

Under this law, outside law enforcement agencies will receive the first \$300.00 generated from the sale of the vehicle to cover towing, storage and maintenance costs. If the asset is sold for more than \$300.00, the Suffolk County Police Department and the outside law enforcement agency will divide the additional proceeds equally.

This law will take effect immediately upon its filing in the Office of the Secretary of State.

Intro. Res. No. -2011
Introduced by Legislator Romaine

Laid on Table 3/8/11

**RESOLUTION NO. -2011, ADOPTING LOCAL LAW
NO. -2011, A CHARTER LAW TO STRENGTHEN
COUNTY LEGISLATURE OVERSIGHT OF
DEPARTMENTS, OFFICES AND AGENCIES**

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2011 a proposed local law entitled, "**A CHARTER LAW TO STRENGTHEN COUNTY LEGISLATURE OVERSIGHT OF DEPARTMENTS, OFFICES AND AGENCIES**"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

**A CHARTER LAW TO STRENGTHEN COUNTY LEGISLATURE
OVERSIGHT OF DEPARTMENTS, OFFICES AND AGENCIES**

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the SUFFOLK COUNTY CHARTER empowers the County Legislature to oversee and investigate the performance of the various departments, offices and agencies of Suffolk County government.

This Legislature also finds that certain County departments and functions are also subject to oversight and regulation by the federal or state government; however, this Legislature is often unaware of the reports, audits and findings produced by these agencies.

This Legislature also determines that the County Legislature can exercise its oversight authority more effectively and institute necessary changes in County government in a more timely manner if it has ready access to the information produced by state and federal agencies.

Therefore, the purpose of this law is to require all County departments, offices and agencies subject to federal or state oversight, to forward copies of reports, audits and findings generated by these entities to the Suffolk County Legislature.

Section 2. Amendment.

Article 23 of the SUFFOLK COUNTY CHARTER is hereby amended by the addition of a new Section C23-18, to read as follows:

**ARTICLE XXIII,
General Provisions**

§ C23-18. Filing of Audits and Reports.

Any County department, office or agency subject to oversight and/or regulation by a federal or state agency, shall file with the Clerk of the County Legislature any audit, report, inspection finding or determination generated by such federal or state agency within thirty (30) days of their receipt of said audit, report, inspection finding or determination. The Clerk of the County Legislature shall provide an electronic copy of all such audits, reports, inspection findings and determinations to each County Legislator.

Section 3. Exemptions.

The provisions of this law shall not apply to any document or record which cannot be disclosed pursuant to federal or state law, or to any document or record, which if disclosed, would interfere with a law enforcement investigation or a judicial proceeding.

Section 4. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

RESOLUTION NO. -2011, ADOPTING LOCAL LAW NO. -2011, A LOCAL LAW TO BAN THE SALE OF CERTAIN SYNTHETIC CHEMICALS BEING MARKETED AS "BATH SALTS" IN SUFFOLK COUNTY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2011, a proposed local law entitled, "A LOCAL LAW TO BAN THE SALE OF CERTAIN SYNTHETIC CHEMICALS BEING MARKETED AS "BATH SALTS" IN SUFFOLK COUNTY" now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO BAN THE SALE OF CERTAIN SYNTHETIC CHEMICALS BEING MARKETED AS "BATH SALTS" IN SUFFOLK COUNTY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that a new type of product has recently become widely available in the United States which is being marketed as "bath salts".

This Legislature also finds and determines that these "bath salts" are actually powdered synthetic chemicals intended for ingestion as a hallucinogen, but are marketed specifically to avoid federal regulations.

This Legislature determines that, in addition to being marketing as "bath salts", these chemicals are being marketed as plant food, pond scum remover, odorizer and growth stimulator.

This Legislature further finds and determines that "bath salts" contain one or more of the following synthetic chemicals: 3,4-Methylenedioxymethcathinone, commonly known as Methylone; 3,4-Methylenedioxypropylone, commonly known as MDPV; 4-Methylmethcathinone, commonly known as Mephedrone; 3-Methoxymethcathinone; 3-Fluoromethcathinone; and 4-Fluoromethcathinone.

This Legislature finds that MDPV and Mephedrone are similar to cathinone, a chemical found in the khat plant in Africa. Cathinone is a stimulant extracted from khat leaves, similar to cocaine.

This Legislature also finds that human consumption of "bath salts" and similar products containing these chemicals can cause hallucinations, psychosis, increased heart rate, chest pain, agitation, anxiety, extreme paranoia, delusions, suicidal thoughts, violent behavior, nausea and vomiting.

This Legislature further finds that use of these chemicals has also been linked to multiple suicides in the United States.

This Legislature also determines that the states of Louisiana and Florida, as well as many counties, towns and local municipalities across the United States, have banned the sale of these chemicals. Several other states are considering similar action.

This Legislature further determines that Suffolk County should ban the sale of these chemicals and any products containing these chemicals to protect the health, safety and welfare of County residents.

Therefore, the purpose of this law is to ban the sale of 3,4-Methylenedioxymethcathinone, 3,4-Methylenedioxyprovalerone, 4-Methylmethcathinone, 3-Methoxymethcathinone, 3-Fluoromethcathinone, and 4-Fluoromethcathinone in the County of Suffolk.

Section 2. Definitions.

As used in this law, the following terms shall have the meanings indicated:

“PERSON” shall mean any natural person, individual, corporation, unincorporated association, proprietorship, firm, partnership, joint venture, joint-stock association or other entity or business organization of any kind.

Section 3. Prohibitions.

No person shall sell or offer for sale the chemicals 3,4-Methylenedioxymethcathinone (“Methylone”), 3,4-Methylenedioxyprovalerone (“MDPV”), 4-Methylmethcathinone (“Mephedrone”), 3-Methoxymethcathinone, 3-Fluoromethcathinone, or 4-Flouromethcathinone or any products containing said chemicals within the County of Suffolk.

Section 4. Penalties.

Any person who knowingly violates the provisions of this article shall be guilty of an unclassified misdemeanor punishable by a fine of up to \$1,000 and/or up to one year’s imprisonment.

Section 5. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 6. Reverse Preemption.

This law shall be null and void on the date that statewide or federal legislation goes into effect, incorporating either the same or substantially similar provisions as are contained in this article, or in the event that a pertinent state or federal administrative agency issues and promulgates regulations preempting such action by the County of Suffolk. The County Legislature may determine via mere resolution whether or not identical or substantially

similar statewide or federal legislation has been enacted for the purposes of triggering the provisions of this section.

Section 7. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 8. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 9. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

Intro. Res. No. 1147-2011
Introduced by Legislator Schneiderman

Laid on Table 3/8/2011

**RESOLUTION NO. -2011, ADOPTING LOCAL LAW
NO. -2011, A CHARTER LAW TO PROTECT
TAXPAYERS FROM LARGE SPIKES IN PROPERTY
TAXES**

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on _____, 2011 a proposed local law entitled, "**A CHARTER LAW TO PROTECT TAXPAYERS FROM LARGE SPIKES IN PROPERTY TAXES**"; now, therefore, be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

**A CHARTER LAW TO PROTECT TAXPAYERS FROM LARGE
SPIKES IN PROPERTY TAXES**

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that sound budgeting principles require that the ongoing, regular expenses of County government be supported by adequate recurring revenues.

This Legislature also finds that while it is sometimes appropriate to address short term fluctuations in revenues with a non-recurring revenue source, an over reliance on "one shots" or "special items" creates a structural imbalance in a municipality's budget and insures future fiscal problems.

This Legislature determines that in recent years, the County of Suffolk has increasingly relied on non-recurring revenues to balance its budgets. Since 2004, the County Executive has utilized a variety of one shots to balance the County budget including securitizing tobacco settlement proceeds, selling the Suffolk County Health Plan, amortizing County retirement costs, drawing down the County's Tax Stabilization Fund and proposing the sale of the John J. Foley Skilled Nursing Facility.

This Legislature further finds that the County's reliance on one shot revenues has helped create huge structural deficits that are only worsening and leaves Suffolk County in a perpetual state of fiscal emergency.

This Legislature further finds that the time has come to end Suffolk County's addiction to one shot revenues and restore sound budgeting policies in Suffolk County.

Therefore, the purpose of this law is to amend the SUFFOLK COUNTY CHARTER and cap the amount of non-recurring revenues that can be included in the County's operating budget.

Section 2. Definitions.

As used in this law, the term below shall have the meaning indicated:

"SPECIAL ITEM" - revenue or savings that are not expected to recur on a regular basis. This term shall include, but not be limited to, revenue from the sale or securitization of a County asset, the amortization of non-capital County expenses, transfers from the tax stabilization reserve fund and savings generated by a lag payroll. This term shall not include any General Fund balance from the prior fiscal year.

Section 3. Amendments.

Article 4 of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

**ARTICLE IV,
County Budget and Capital Program**

* * * *

§ C4-6. Submission of proposed county budget by County Executive.

* * * *

L. The General Fund portion of the proposed expense budget in any fiscal year shall not include special items which, in the aggregate, exceed fifty (50%) percent of the prior fiscal year's property tax levy in the General Fund.

* * * *

§ C4-10. Action by County Legislature on proposed budget.

* * * *

K. The General Fund portion of the adopted expense budget in any fiscal year shall not include special items which, in the aggregate, exceed fifty (50%) percent of the prior fiscal year's tax levy for the General Fund unless the County Legislature adopts a resolution by a two-thirds (2/3) vote approving special items in excess of this limit. Such a resolution shall be subject to the veto and override provisions set forth in Section C4-11 of the SUFFOLK COUNTY CHARTER, and any veto may be overridden by a two-thirds (2/3) vote of the County Legislature.

L. Upon approval by a 2/3 vote of the County Legislature, the special item funds in excess of the 50% limit may be expended only to finance a public emergency, an unanticipated expenditure or an unanticipated revenue loss, subject to the definitions contained in New York State General Municipal Law Section 6-e, and must be accompanied by a corrective action plan as a precondition for use of these funds. The corrective action plan shall detail the recurring revenues and/or recurring expenditure reductions to be

utilized to mitigate the current use of special item funds that exceed the standard set forth in Section C4-6(L).

* * * *

Section 4. Applicability.

This law will apply to operating budgets proposed and adopted on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall not take effect until at least sixty (60) days after its adoption, nor until approved by the affirmative vote of a majority of the qualified electors of the County of Suffolk voting on a proposition for its approval if within sixty (60) days after its adoption there is filed with the Clerk of the County Legislature a petition protesting against this law in conformity with the provisions of Section 34(4) of the NEW YORK MUNICIPAL HOME RULE LAW and upon filing in the Office of the Secretary of State.

RE: MEMORANDUM OF COUNSEL TO THE LEGISLATURE PURSUANT TO RULE 28

PROPOSED LOCAL LAW YEAR 2011

TITLE: I.R. NO. -2011; A CHARTER LAW TO PROTECT TAXPAYERS FROM LARGE SPIKES IN PROPERTY TAXES

SPONSOR: LEGISLATOR SCHNEIDERMAN

DATE OF RECEIPT BY COUNSEL: 2/28/2011 PUBLIC HEARING: 3/22/2011
DATE ADOPTED/NOT ADOPTED: _____ CERTIFIED COPY RECEIVED: _____

This proposed law would amend the SUFFOLK COUNTY CHARTER to limit the use of special items,¹ known more commonly as "one shots", in the County's operating budget.

Specifically, the law would bar the County Executive from including in the General Fund portion of his recommended operating budget special items, which in the aggregate, exceed 50% of the prior fiscal year's property tax levy for the General Fund.

The same limit on special items would apply to the adopted expense budget unless the County Legislature pierces the limit by a two-thirds vote of its entire membership. Any excess special item monies could only be utilized to respond to a public emergency, an unanticipated expenditure or unanticipated revenue loss.

This law is made subject to a permissive referendum.

This term shall include, but not be limited to, revenue from the sale or securitization of a County asset, the amortization of non-capital County expenses, transfers from the tax stabilization reserve fund and savings generated by a lag payroll. This term shall not include any General Fund balance from the prior fiscal year.

Dear Commissioner Blass:

I am pleased to inform you that your enclosed **Transitional Jobs 2 Program** plan submitted in response to 10-LCM-18 has been approved in the amount of \$115,312.

The Transitional Jobs 2 program funds are available to support subsidized employment opportunities combined with at least 105 hours of paid education and training to help TANF-eligible individuals secure employment and develop or demonstrate positive work skills consistent with your district's approved plan. We trust that your agency will review program outcomes and ensure that participants receive the necessary services to successfully transition to unsubsidized employment. Please also ensure that program participants are informed of the availability of earned income tax credits, other tax credits and transitional benefits.

Districts that make changes to their approved Transitional Jobs 2 program must submit a plan modification to OTDA for approval within 30 calendar days of implementing a change. The reimbursement of costs incurred under the Transitional Jobs 2 program is contingent on OTDA's approval of the district's plan.

Financial claims should be submitted to the Bureau of Financial Services as described in the claiming instructions included in 10-LCM-18. The program period for the Transitional Jobs 2 program is October 1, 2010 to September 30, 2011, and final claims must be received by November 15, 2011. If these funds are not re-appropriated in the SFY 2011-2012 Enacted State Budget, final claims must be submitted by August 15, 2011. Districts should ensure that these timeframes are taken into consideration when negotiating wage subsidy agreements with employers.

Detailed instructions for reporting program outcomes under the Transitional Jobs 2 program will be provided under separate cover to your program contact.

**RESOLUTION NO. -2011, ADOPTING LOCAL LAW
NO. -2011, A LOCAL LAW TO BAN THE SALE AND USE
OF COAL TAR SEALERS IN SUFFOLK COUNTY**

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on _____, 2011, a proposed local law entitled, "**A LOCAL LAW TO BAN THE SALE AND USE OF COAL TAR SEALERS IN SUFFOLK COUNTY;**" now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

**A LOCAL LAW TO BAN THE SALE AND USE OF COAL TAR
SEALERS IN SUFFOLK COUNTY**

**BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF
SUFFOLK**, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Suffolk County is committed to protecting the environment and the health and safety of its residents.

This Legislature also finds and determines that Suffolk County is located on a sole source aquifer which supplies the County's drinking water.

This Legislature further determines that coal tar sealer is a waste product from steel manufacturing which is used to protect pavement and asphalt against water damage and cracking.

This Legislature finds that parking lot sealers made with a coal tar base contain large quantities of polycyclic aromatic hydrocarbons ("PAHs"), a known carcinogen.

This Legislature determines that PAHs are known to cause asthma and other ailments in children exposed to high concentrations of the chemical.

This Legislature also finds that PAHs are present in high amounts in many waterways, as it can seep into groundwater and nearby waterways and enter the run-off stream from coal tar sealed asphalt. Animals exposed to PAHs in water, including frogs and insects, have shown stunted growth, with most dying shortly after exposure to high concentrations of the chemicals.

This Legislature further finds that PAHs from coal tar asphalt sealers not only wear off with friction, but also evaporate into the atmosphere, which allows them to enter the air and combine with household dust.

This Legislature also determines that ground floor residential spaces located near coal tar sealed parking lots have been tested for PAHs and have pollution levels twenty five times higher than those with parking lots coated with other sealers.

This Legislature further determines that drainage ditches near some coal tar sealed lots have also been found to have higher PAH levels than found at toxic waste sites and severely polluted waterways.

This Legislature finds that, in recognition of the dangers posed by coal tar sealers, Lowes and Home Depot have discontinued the sale of such products at their stores nationwide.

This Legislature determines that municipalities throughout the nation, including many in Texas and Minnesota, have banned the sale and use of coal tar sealers in their jurisdictions.

This Legislature also finds that asphalt and latex based sealants are safe alternatives to coal tar sealers and do not contain any PAHs.

Therefore, the purpose of this law is to ban the sale and use of coal tar sealers in the County of Suffolk.

Section 2. Definitions.

As used in this law, the following terms shall have the meaning indicated:

“ALTERNATIVE BASED SEALER” shall mean any sealer material that does not contain coal tar and is used on asphalt or concrete surfaces, including a driveway, parking lot or other paved surface.

“COAL TAR” shall mean a byproduct of the process used to refine coal, which contains high levels of polycyclic aromatic hydrocarbons (PAHs).

“COAL TAR SEALER” shall mean a sealer material containing coal tar that is used on an asphalt or concrete surface, including a driveway, parking lot or other paved surface.

“COMMISSIONER” shall mean the Commissioner of the Department of Health Services.

“PAHs” shall mean polycyclic aromatic hydrocarbons, a group of organic chemicals which are formed during the incomplete burning of coal, oil, gas or other hydrocarbons. These chemicals are present in coal tar and are known to be harmful to humans, fish and other aquatic life.

“PERSON” shall mean any natural person, individual, corporation, unincorporated association, proprietorship, firm, partnership, joint venture, joint stock association, or other entity or business organization of any kind.

Section 3. Prohibitions.

- A. No person shall sell or offer for sale any coal tar sealer in the County of Suffolk.

- B. No person shall apply any coal tar sealer to any driveway, parking lot or other surface within the County of Suffolk.

Section 4. Exemptions.

- A. This law shall not apply to any person who is conducting bona fide research on the effects of coal tar sealer products or PAHs on the environment with the written consent of the Commissioner.
- B. This law shall apply only to the sale and use of coal tar sealers and shall not affect the use of alternative based sealers or other alternatives that do not contain PAHs in the County of Suffolk.

Section 5. Penalties.

Violation of this law shall be subject to a civil fine of five hundred dollars (\$500.00) for an initial violation, with a penalty of seven hundred fifty dollars (\$750.00) for any subsequent violations.

Section 6. Enforcement and Investigations.

- A. This law shall be enforced by the Department of Health Services in accordance with the procedures set forth in §760-202 through 760-215 of the Suffolk County Sanitary Code.
- B. The Department of Consumer Affairs is hereby authorized and empowered to investigate alleged violations of this law upon the request of the Commissioner. Upon the completion of an investigation, the Department of Consumer Affairs shall forward its findings to the Commissioner.

Section 7. Rules and Regulations.

The Commissioner is hereby authorized and empowered to establish rules and regulations necessary for the implementation of this law.

Section 8. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 9. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 10. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 11. Effective Date.

This law shall take effect on January 1, 2012.

Re: 2011 Approval Letter for Community
Chemical Dependency and Problem
Gambling Treatment, Prevention, Recovery
Services

Dear Mr. Flescher:

The enclosed *State Aid Funding Authorization (SAFA)* for the 2011 local fiscal period reflects your **tentative** base funding levels for Office of Alcoholism and Substance Abuse Services (OASAS) supported chemical dependency and problem gambling prevention, treatment, and recovery services in your County. As you are aware, the 2011-12 Executive Budget has not yet been released and, therefore, final approved funding will be determined after the State Budget is passed.

Tentative base funding levels are the result of the Program Performance Review process, which has just recently been completed by OASAS Field Operations and Budget Management staff. In some cases, State Aid has been reduced as a result of Performance Review, prior year management plans, or other issues. If you have not received a management plan letter or have any questions regarding these actions, please contact your Field Office representative regarding required actions.

While it has been the practice to restore funding when management plans have been satisfied or other issues resolved, the State of New York is facing a fiscal challenge and OASAS may not have the ability to provide additional State Aid or permit the movement of funding as it has in the past.

The enclosed *SAFA* reflects the following adjustments for the 2011 local fiscal period:

- The return to appropriate base funding for programs which had one-time adjustments during the 2010 local fiscal period, and;
- Any adjustment to Funding Source codes to identify State and/or Federal funding for treatment, prevention, and recovery services (please see enclosed listing of Funding Source Codes), as well as the inclusion of initiative codes to identify specific services and/or revenues.

If applicable, the enclosed SAFA may also include funding for:

- Annualization of the 2010 funding for Recovery Community Centers (Program Code 3970), and;
- Reductions for Road to Recovery case management terminations as of June 30, 2010.

As in the past, funding for Safe and Drug-Free Schools and Communities services (SDFSC) (Funding Code P) and Dormitory Authority of the State of New York (DASNY) (Program Code 4270) cannot be transferred to any other OASAS programs.

Please note that if there are direct-contract programs assigned to your county, an **informational copy** of the SAFA for **all funded programs** - allocated and direct - is also enclosed.

Outstanding Budget Issues

There may be programs on the 2011 SAFA marked with an X-restriction. This restriction indicates that there are unresolved budget/contract issues with the program. No advance payments can be made for programs with an X-restriction until the pending issues are resolved and the restriction is removed. Please contact your Field Office representative to discuss the outstanding issues and required actions.

2011 Program Codes, Funding, Funding Source, Restriction and Initiative Codes/Timeline

Enclosed are a listing of updated program codes and an updated listing of funding, funding source, restriction and initiative codes used on the 2011 SAFA, as well as an updated OASAS State Aid Timeline. The Timeline outlines OASAS' requirements for submission of documents and payment of State Aid advances, including when advances will be withheld for failure to submit required documents to OASAS.

Submission of Claims

Claims for the 2011 calendar year period are due by May 1, 2012. **Failure to meet the May 1st submission deadline will result in a withhold of advance payments.** Please also note that any claims submitted after December 31, 2012 will not be accepted.

OASAS State Aid Funding Requirements

The enclosed **OASAS STATE AID FUNDING REQUIREMENTS** is affixed to the SAFA and communicates OASAS and Federal requirements and restrictions on the use of State Aid funding. This enclosure, or the information contained therein, must be included as part of your contracts with local service providers.

Federal Funding Notification

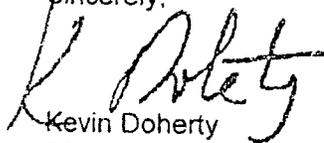

Provider agencies receiving Federal funding as identified on the SAFA **must be notified by the County that they are receiving such funding and the source of this funding (i.e., Federal SAPT Block Grant, etc.)**. Please see the enclosed SAFA code document for a listing and description of these Federal funding codes.

After reviewing the enclosed 2011 SAFA, please sign it indicating your acceptance, and return a copy to the OASAS Bureau of Financial Management at 1450 Western Avenue - 4th Floor, Albany, New York 12203-3526. Should you have a concern with the amounts identified on the 2011 SAFA, please contact your Field Office representative, indicate your concern on the authorization (or attach a letter describing your concerns) and sign and return the Authorization. **Failure to return the signed SAFA by March 1, 2011 will result in the withholding of future advance payments.**

As is the usual practice, OASAS will withhold advance payments if a completed 2011 mid-year claim is not received by August 15, 2011 or a final claim for 2010 is not received by May 1, 2011.

Please contact your OASAS Field Office representative if you have any questions concerning the enclosed SAFA document.

Sincerely,

Kevin Doherty

Hauppauge, NY 11788

Dear Director Flescher:

The NYS Office of Mental Health (OMH) is authorizing your initial State aid funding levels for the period January 1, 2011 to December 31, 2011 as listed on Attachment A of this letter (Funding Source Allocation Table). As in the past, the listing of programs which are being funded by Disproportionate Share (DSH) Revenue is included.

The allocations authorized in this letter include full annual funding for initiatives previously authorized. The first six months are approved actuals and the second six months are estimates. Any changes in your authorization level based on the enactment of the 2011-12 State Budget will result in a revised State aid letter. As stated in the last year's State Aid Letter, the first quarter allocations included in this letter have been reduced by the FMAP contingency statute (Chapter 313 of the Laws of 2010).

The new County Allocation Tracker (CAT) will be available January 1, 2011. Please ensure that it is updated to agree with the State Aid Letter Allocations. The providers are still expected to submit final Consolidated Budget Reports (CBRs), in a timely manner by November 1, 2011. The Consolidated Claim Report and Consolidated Financial Report for local fiscal year 2011 are due May 1, 2012. Guidelines for completion of the CBR/CCR/CFR can be accessed through the OMH website. If any of your providers need assistance in completing these forms, they should contact the OMH Help Desk at 1-800-HELPNYS.

The Aid to Localities Spending Plan Guidelines which explain the reporting and use requirements of your authorized funding can be also be accessed through the OMH website. In addition, please remember if you receive Federal Funds to submit your two Federal Certifications which are also available on the OMH website. Please share this website with all of your subcontract providers so that they may become familiar with the guidelines that apply to them, and refer to the guidelines as necessary. As a reminder, failure to submit the CAT, CCR or CFR schedules in a timely manner may result in the delay of subsequent State aid payments and/or Medicaid payments.

Inherent in OMH's budget and claiming policy is an expectation that your Department will monitor expenditures against budgeted costs throughout the year. Please notify your OMH field office of any significant fiscal or programmatic problems as soon as they become known. If you have questions regarding any local mental health fiscal issues, including questions regarding the information or instructions that are included in this letter, please call Gary Schiliro at (631)761-3334.

Attached is a draft resolution and duplicate copy amending Resolution No. 877 of 2007 for the above referenced project. This resolution revises the apportionment of the funds for engineering costs for Improvements to CR 39, North Highway.

RE: **Amending the 2011 Capital Budget and Program and Appropriating Funds in Connection with Construction Support and Construction Inspection Services (CP 5568)**

Attached is a draft resolution and duplicate copy to appropriate the sum of \$800,000 for construction support and construction inspection services on various projects. Due to the massive highway construction work presently underway, and other projects planned to be awarded this year, the Department requires assistance with construction support and inspection of these critical roadway projects. This funding will provide the oversight required to complete our Capital projects safety, and in a timely and workman-like manner. A potential list of construction projects is attached. It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

There are no funds included in the 2011 Capital Budget and Program for this project and, as such, an offset must be provided. We are utilizing \$800,000 from CP 5497. CP 5497 (Construction of Sidewalks) has been let, and the bids have come in slightly lower than anticipated, therefore, the remaining funds can be utilized.

The Suffolk County Council on Environmental Quality has reviewed these types of projects and has determined that projects of this nature constitutes a Type II action, pursuant to Section 617.5(c) (20) and (21) of Title 6 of New York Code of Rules and Regulations ("NYCRR"), therefore, the Legislature has no further responsibilities under SEQRA.

Attached is a draft resolution and duplicate copy to appropriate the sum of \$6,500,000 for construction in connection with the above referenced project. There are insufficient funds included in the 2011 Capital budget and program for this project. However, pursuant to the Suffolk County charter, Section C4-13, an offsetting authorization is not required on amendments which are financed in an amount of at least fifty percent (50%) by Federal or State aid.

Funding is requested for construction of the final phase of this multi-phase project to improve pavement and drainage deficiencies along CR 11, Pulaski Road between Larkfield Road and NYS Route 25A.

The Suffolk County Council on Environmental Quality has reviewed this project and has determined that it constitutes an unlisted action. The Suffolk County Legislature concurred with these findings pursuant to Resolution 20-2009.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP5095(CR11 PhII Aid).doc".

RE: Amending the 2011 Capital Budget and Program and Appropriating Funds in Connection with Traffic Studies for Safety Improvements at Various Intersections (CP 3301)

Attached is a draft resolution and duplicate copy to appropriate the sum of \$400,000 for engineering in connection with the above referenced project. There are insufficient funds included in the 2011 Capital Budget and Program for this project and, as such, an offset must be provided. Planning and design is still underway for various locations in which funds have been adopted for construction in 2011 under CP 3301. It is our intent to utilize \$300,000 of these construction funds as an offset.

The purpose of this appropriation is to have funding available to conduct traffic engineering studies on short notice for the purpose of recommending safety improvements to reduce the accident rates at various intersections. In addition, a portion of these funds will be utilized to continue the Department of Public Works and the Suffolk County Police Department's integration of the Traffic & Criminal Software (TraCS) program, which will allow for a direct connection between the SCPD's accident reports generated in the field, enabling them to be uploaded directly to the SCDPW's Accident Database, which is a crucial tool in studying intersections for safety improvements.

The Suffolk County Council on Environmental Quality has reviewed these types of projects and has determined that projects of this nature constitutes a Type II action, pursuant to Section 617.5(c) (20), (21) and (27) of Title 6 of New York Code of Rules and Regulations ("NYCRR"), therefore, the Legislature has no further responsibilities under SEQRA.

RE: **Appropriating Funds in Connection with Reconstruction of Culverts (CP 5371)**

Attached is a draft resolution and duplicate copy to appropriate the sum of \$868,250 for construction in connection with the above referenced project. There are sufficient funds included in the 2011 Capital Budget and Program for this project.

These funds will provide for construction for the ongoing repair and maintenance of County-owned highway culverts under County roads and in County parks. These improvements include repairing structural problems such as deteriorated concrete, rusted reinforcing rods and eroded shoreline.

A potential list of culvert reconstruction projects is attached. It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed these types of projects and has determined that projects of this nature constitutes a Type II action, pursuant to Section 617.5(c)(1), (2), (20) and (27) of Title 6 of New York Code of Rules and Regulations ("NYCRR"), therefore, the Legislature has no further responsibilities under SEQRA.

SUBJECT: Resolution:
To Accept and Appropriate Federal Sub-Grant ARRA Funding
to continue implementation of services related to the
Rockefeller Drug Law Reform

DATE: February 1, 2011

.....

Enclosed for further processing are two copies of a resolution to accept and appropriate Federal American Recovery and Reinvestment Act (ARRA) funding to the NYS Division of Probation and Correctional Alternatives for the Probation Department to continue implementation of services related to the Rockefeller Drug Law Reform.

Governor David A. Patterson signed the Rockefeller Drug Law Reform (RDLR) legislation on April 7, 2009. The goal of this legislation is to assist felony drug dependent offenders in obtaining drug treatment in residential and community based settings with structured community probation supervision to assist them in law abiding lives. NYS DPCA was awarded Federal ARRA funding, a portion of which will be allocated to counties projected to have 15 or more eligible felony drug offenders diverted from incarceration that will receive a community-based sentence of probation supervision and drug treatment in accordance with the RDLR. RDLR funds will be used for salaries for two Senior Probation Officers to supervise these cases. Probation will receive \$108,000 for the period commencing October 1, 2010 and ending March 31, 2011. These funds have not been included in Probation's 2010 or 2011 Operating Budget. This resolution package includes as backup SCIN forms 175a, 175b and 164, and a copy of the grant letter to the Probation Department.

I hope this resolution request meets with your approval. If you have any questions in this regard, please do not hesitate to contact me at 2-5100 or Mary Wider at 2-5133.

Mr. John K. Desmond
Probation Director
Suffolk County Probation Department
P.O. Box 188
Yaphank Avenue
Yaphank, New York 11980

Dear Mr. Desmond:

I am pleased to notify you that the Division of Criminal Justice Services (DCJS) is exercising the option to renew the grant awarded to the Suffolk County Probation Office for the second year. This grant is to support an observed increase of caseload in Drug Law Reform cases handled by your jurisdiction and diverted from State prison during the last federal fiscal year as a result of the 2009 Drug Law Reform Act.

Funding for the investigation and/or supervision of these new cases is being provided through the federal American Recovery and Reinvestment Act (ARRA) through a sub-allocation of the federal Byrne grant from DCJS. ARRA funding is available to your jurisdiction for the first 6 months at \$108,000 (October 1, 2010 to March 31, 2011) and then the grant will be supported by the State General Fund thereafter for the annual award of \$216,000. A new contract will be executed for April 1, 2011 to March 31, 2012 at that time.

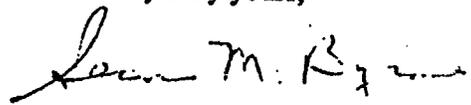

As recipient of a contract supported by JAG ARRA funds you are responsible for ensuring funds are used to create new jobs, hire new staff or to prevent layoffs. There are also additional federal reporting requirements. Awardees receiving federal funds are required to report quarterly through the federal Performance Measure Tool (PMT) to the federal Bureau of Justice Assistance (BJA) on performance measures within 15 days after the end of the calendar quarter. Finally, the standard quarterly progress reports for DCJS contracts must be completed in the DCJS internet-based automated Grants Management System (GMS).

The Office of Program Development and Funding (OPDF) assigned Kristen Hamilton, Criminal Justice Program Representative, to assist your department in the closure of your first year grant and the development of the second year grant application. Applications must be completed and submitted through the Grants Management System (GMS) by **January 10, 2011**. Once the application is received, we will begin the grant contracting process. Should you have any questions, please have a member of your staff contact Ms. Hamilton at Kristen.hamilton@dcjs.state.ny.us or at 518-485-9644.

1176

On behalf of DCJS, congratulations on your award. We look forward to working with you in making New York State a safer place to live and enhancing the quality of life in your community.

Very truly yours,

Sean M. Byrne
Acting Commissioner

Re: REVISED INTRODUCTORY RESOLUTION REQUEST - CP 3047 -
Purchase of Heavy Duty Equipment for Sheriff's Office

Per the 2011 Adopted Capital Budget, the Sheriff's Office requests the introduction of a resolution to appropriate funds in connection with the purchase of one (1) replacement, large capacity prisoner transport bus for the Sheriff's Office for 2011 under Capital Project 3047 as part of a planned replacement program. The bus will replace a 1981 Motor Coach Industries (MCI) bus which is beyond its useful life and needs to be replaced as soon as possible.

Suffolk County has committed to the construction of a new, additional Correctional Facility at Yaphank to address building issues and the growth in the number of inmates throughout Suffolk County's Correctional System. This growth in the number of inmates at the Yaphank Facility will result in an increase in the number of inmates being transported between the Riverhead and Yaphank Facilities on a daily basis due to reclassification requirements. Concomitantly, there will be an increase in the number of inmates being transported to and from the Courts. Therefore, the 1981 MCI bus, which is unreliable, must be replaced.

Copies of a draft resolution, impact statement and introductory form were already sent to your Office.

We request that this resolution be laid on the table at your earliest convenience.

Thank you for your consideration in reviewing this draft resolution.

RE: C.P. 1678 – Rehabilitation of Parking Lots, Sidewalks, Drives and Curbs at Various County Facilities

We are forwarding herewith a draft resolution appropriating the sum of \$1,250,000.00 for construction in connection with the above referenced project. There are presently funds included in the 2011 Capital Budget and Program for this project.

Attached are locations tentatively scheduled for rehabilitation in 2011 for the above-referenced project. This project provides for resurfacing, repairing and/or rehabilitating drives, parking fields, curbs and sidewalks at various County office facilities. This work reduces further deterioration, which then requires costly reconstruction. Also, elimination of hazardous conditions reduces the County's liability claims.

An e-mail version was sent to CE RESO REVEIW saved under the title "RESO-REQUEST CP1678 – Rehabilitation of Parking Lots, Drives and Curbs at County Facilities."

RE: **Appropriating Funds in Connection with Strengthening and Improving County Roads (CP 5014)**

Attached is a draft resolution and duplicate copy to appropriate the sum of \$6,000,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2011 Capital Budget and Program for this project.

This funding will provide for the repair and/or resurfacing of roadways throughout Suffolk County. This project improves both the surface and structural condition of the road and significantly extends the life of the roadway. Additionally, these funds provide for the repair of other related appurtenances (drainage, curb, etc.) within the roadway limits. Preventive maintenance is necessary to provide safe highways and mitigate future costly reconstruction projects.

A potential list of locations is attached. It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature under a previous version of the implementing rules and regulations of SEQRA and determined that the project constitutes a Type II action.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP5014(S&I CRs).doc".

RE: **Appropriating Funds in Connection with Reconstruction of Drainage Systems on Various County Roads (CP 5024)**

Attached is a draft resolution and duplicate copy to appropriate the sum of \$525,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2011 Capital Budget and Program for this project.

Increasing traffic volumes and the aging of the county road drainage systems require various levels of maintenance, repair and replacement. Major reconstruction projects are progressed with individual capital projects. However, the life of the drainage systems can be extended with less costly improvements. Large scale repairs, replacement in kind, and other miscellaneous drainage maintenance projects will be performed under this Capital Program.

This project includes excavation and repair or replacement of existing deteriorated drainage structures, piping and may include new concrete or asphalt pavement surrounding the system, concrete curb and sidewalk and installation of thermoplastic pavement markings.

A potential list of drainage system reconstruction projects is attached. It may be necessary to add and/or substitute other locations due to seasonal limitations, changes in priorities or other requirements to be determined by this Department.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature and have determined that they constitute a Type II action, pursuant to Resolution 1168-1995 and no further review is required.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP5024(drainage systems).doc".

RE: **Appropriating Funds in Connection with Improvements to County Environmental Recharge Basins (CP 5072)**

Attached is a draft resolution and duplicate copy to appropriate the sum of \$250,000 for construction in connection with the above referenced project. There are sufficient funds included in the 2011 Capital Budget and Program for this project.

This on-going project will improve the functionality, security, appearance and potential public health impacts of the County's recharge basins. The County maintains over 250 recharge basins, most of which are over 25 years old. The natural growth of vegetation has encroached into holding areas, reducing the natural recharge ability of the basins. The shedding of needles and leaves from the plantings as well as the materials contained in the runoff from roadways have caused the bottoms of the basins to become silted, limiting the recharge of water back into the ground. The vegetation has also encroached into the security fencing around the basins compromising the safety barriers around these sites. Recommended funding will allow the cleaning and restoration of these basins.

The Suffolk County Council on Environmental Quality has reviewed projects of this nature and have determined that they constitute a Type II action and no further review is required.

An e-mail version of this resolution was sent to CE RESO REVIEW saved under the title "Reso-DPW-CP5072(Recharge Basins).doc".

SUBJECT: **A Draft Resolution Transferring Funds from the Assessment Stabilization Reserve Fund, and Appropriating Funds in Connection with Improvements to Suffolk County Sewer District No. 23 – Coventry Manor (CP 8149)**

DATE: January 10, 2011

Attached is a draft resolution, SCIN Form 175a and 175b, and backup for the referenced capital project filed as Reso DPW CP 8149 SD #23 – Coventry Manor ASRF Improvements dated 1-10-11 and backup filed as Reso-Backup DPW CP 8149 SD #23 – Coventry Manor ASRF Improvements dated 1-10-11. The resolution transfers Assessment Stabilization Reserve Funds for construction purposes. It is noted that a public hearing was held indicating that the project amount of \$1 million was necessary to perform the project.

During 2010, additional planning funds were requested and at this time construction funds are insufficient to implement the project and have been included in the 2011 Adopted Capital Program. As we have indicated in past resolutions based on the guidance of the County Attorney's office due to the use of the Assessment Stabilization Reserve Funds, there will be no fiscal impact to the benefited properties based on the Suffolk County Assessment Stabilization Reserve Fund allowing all residents of the sewer district to experience only a 3% annual increase regardless of any improvements performed, therefore, will not jeopardize the project hearing process. This resolution, therefore, appropriates the additional construction funding of \$250,000.

We would appreciate the draft resolution being laid on the table at your convenience.

Serving Our Veterans, Armed Forces and Their Families

Dear Fellow County Official,

We know that America's counties provide essential programs and services to communities, but it is up to us to tell the public about the responsibilities counties have and the great programs and services they provide. My County Government Works presidential initiative is a yearlong effort to raise awareness and understanding about counties.

National County Government Month (NCGM) in April and my County Government Works presidential initiative (see page 9) are terrific opportunities to deliver important messages to the communities we serve. This booklet provides ideas for a variety of ways counties can celebrate county government month and participate in the County Government Works initiative throughout the year.

This year's county government month theme is "**Serving Our Veterans, Armed Forces and Their Families.**" Counties should try to link activities to this theme by recognizing, honoring and thanking veterans and military personnel for their service. There are specific ideas to consider listed throughout this booklet. It is important and timely as more veterans, military service members and their families turn to their county government for services and help.

NACo always encourages counties to actively promote county government services and programs. National County Government Week was expanded to a full month to offer counties more opportunities to participate. Counties aren't expected to hold veterans or public awareness events every day, but they can schedule activities any time over the four weeks.

Popular events include holding public tours of county facilities; talking to students, community organizations and business leaders about county programs and services; holding essay and art contests; and sponsoring "County Family Day" events on the courthouse grounds. You can hold media events, write newspaper columns, or be a guest on local radio and TV shows. Find a way to discuss new county programs, highlight existing ones or just explain what you do and the good work your county does.

In addition to my County Government Works initiative, I have created a Veterans and Military Service Task Force (see page 10) to encourage NACo members to develop and highlight best practices and to promote innovative programs, services and benefits for our heroes. Counties should do what they can to meet the diverse needs of our veterans and work hard to help service members and families successfully transition after deployment. I encourage you to learn more about the activities and initiatives of our new task force and work them into your county government month plans.

Use this booklet and the online tools available at www.naco.org to learn how your county can take advantage of county government month, the County Government Works raising awareness program and the opportunity to honor and help veterans, our returning service members and their families. Take the time to educate your community about your county and to lend a hand to our veterans.

I know you are proud of your county's programs and services, the men and women who deliver them and the men and women who defend our country and our freedom. Start planning today to celebrate county government month.

National County Government Month Award

Win two, free registrations to any NACo conference!

Purpose: The purpose of the National County Government Month Award is to encourage counties to participate in National County Government Month and to recognize those counties that sponsor outstanding programs to educate citizens about county government during the month of April. The entries will also be posted online and will serve as a database of ideas for other counties to use.

Eligibility: To be eligible for the competition, the program must be conducted by a current NACo member during the month of April as part of National County Government Month.

Criteria: Programs will be judged on the following factors: citizen participation, involvement of elected officials, utilization of existing resources, amount of positive media coverage generated by the event(s), and how the program was promoted by the county (i.e. press releases, social media, utility mailers, etc.).

Nominations: Applications must be received by May 31, 2011, to be eligible for the competition. The winning counties will be recognized during the NACo Annual Conference at a general session. Three counties will be recognized – rural counties (population less than 100,000); suburban (population between 100,000 and 500,000) and metropolitan (population above 500,000).

Judging: A team of public relations professionals from the National Association of County Information Officers (NACIO) will judge the applications and will select one winner in each category.

Prize: Each winning county will win two, free registrations that could be used at any NACo conference. This prize is worth more than \$1,000.

Application: The application form will be made available by Jan. 31, 2011, and will be posted on the NACo website at www.naco.org.

Getting Started

National County Government Month — held each April — is an annual celebration of county government. Since 1991, the National Association of Counties has encouraged counties to actively promote the services and programs they offer. Counties can schedule activities any time during the month. NCGM is an excellent opportunity for your county to highlight effective county programs and raise public awareness and understanding about the various services provided to the community. This year's theme is "Serving Our Veterans, Armed Forces and Their Families." Try to plan events around this theme. Here are a few ideas on how to get started:

Establish a planning committee

The committee will plan, organize and coordinate all activities relating to NCGM. Committee members should include representatives from the county board, administration, school system and each county department. In addition, a public information officer or county official experienced in media relations should be included. Consider including a County Extension Service representative. This could be a staff member, 4-H volunteer or 4-H member. All areas of county government and schools should be involved in the planning process.

Decide how extensive your activities will be

Plan activities in your county throughout the month, or perhaps, just a few featured events. Hold fun and informative activities to reach different segments of your community such as students, educators, seniors, young families, business leaders, and community organizations. Activities should be designed to bring residents to county facilities such as the courthouse, parks, public safety building, and recycling/waste transfer station. Activities can be planned to deploy county officials to locations where residents are assembled. Suggestions for activities such as open houses and public tours are described elsewhere in this booklet.

Involve the media

Be sure members of the local news media are aware of NCGM and the activities your committee have planned. Consider involving a member of the news media in the planning process. Media outreach tips are described elsewhere in this booklet.

The following pages will provide you and your planning committee several ideas on what to include in your county's celebration of NCGM.

Give Them the Facts

National County Government Month offers an opportunity to educate residents about county programs, services and responsibilities. It is also an opportunity to address misinformation about county government. One effective way is to present the facts. As part of NCGM, prepare and distribute county fact sheets. Some counties roll out a County Fact of the Day or issue fact sheets representing key county departments, such as public safety, parks and recreation, transportation and healthcare.

Since this year's theme is "Serving Our Veterans, Armed Forces and Their Families," develop fact sheets listing:

- Health services the county provides and how many veterans are receiving those services.
- Housing assistance services the county provides and how many veterans are receiving those services.
- Employment programs the county provides and how many veterans are receiving those services.
- The number of military families benefiting from various county government services.
- List all county services available for veterans and military families complete with contact information.

Also highlight the traditional county services and responsibilities:

- How many bridges are owned and maintained by the county?
- How many miles of roads and highways are owned and maintained by the county?
- How many calls were responded to last year by the sheriff, police and fire departments?
- How many patients were served last year at county hospitals and clinics?
- How many building permits were reviewed and approved last year?
- How many building inspections were conducted last year?
- How many documents were filed with the county clerk's office last year?
- How many individuals were detained in the county jail last year?
- How many individuals used the public library last year?
- How many public requests for information were responded to last year?
- How many cases were heard in county court last year?
- How many children or senior citizens received county services last year?

Open the County to the Public

A great way to educate residents about county services is getting them to visit county facilities. Keep in mind that this year's theme is "Serving Our Veterans, Armed Forces and Their Families." Here are some ideas:

Hold an open house at the courthouse/administration building
Have displays featuring county departments showcasing the services provided. Have employees available to discuss the services. Schedule guided tours through the building. Use your local historical society or library to create presentations or displays to educate residents about the county's rich history. If the weather is nice, have the displays outside in the courtyard or a nearby parking lot. Have music, face painting, balloons, refreshments and entertainment for children. Make it a fun and interesting learning experience for the entire family.

To incorporate the "Serving Our Veterans, Armed Forces and Their Families" theme, invite local veterans and servicemen/women to the open house and honor them during opening remarks. County leaders could honor county employees who are veterans or families whose spouses or family members are serving their country. A special proclamation honoring all who have served could be read aloud.

Schedule tours of other county facilities

Schedule public tours at county facilities such as health facilities, parks, libraries, recycling/waste transfer stations, and public safety buildings. Reach out to community groups, such as service clubs, 4-H, and scouts and encourage them to come as a group to see how various county facilities operate.

2011 NCGM Tip:

Schedule an open house or guided tour of a county building for the most convenient day and time people can attend, such as early weekday evenings or weekends. Promote it well in advance.

Bring informational displays to the people

Hold public outreach events at the shopping mall, senior citizens' center, recreation center, library or other location where people are expected to gather. Arrange to set up displays, provide county fact sheets and conduct presentations on county services. Work with the county extension service to spread the message about what counties do.

Partner with local businesses for a "jobs fair"

Highlight your county's workforce development and employment services at a "county jobs fair." If you have employment programs designed specifically for veterans and returning military service members, highlight those. Partner with the Chamber of Commerce and local businesses to educate job seekers about the skills and education local employers are looking for. Determine if an employer in your county is actively seeking retired military personnel. For example, the Metro transportation system in Washington, D.C. actively seeks men and women with military experience to fill positions such as engineers, rail traffic controllers and mechanics with electro-mechanical and HVAC experience.

Encourage volunteerism

Encourage residents to volunteer their time and talents to the community. Organize fellow county officials to spearhead a specific community service project and ask others to volunteer. Ask residents to volunteer their time to visit the elderly, disabled and ill in county hospitals and nursing homes. Ask residents to volunteer their services to assist area non-profit organizations such as those who serve veterans, seniors, juveniles, foster children, homeless persons, and domestic violence victims.

NACo Presidential Initiatives

County Government Works

NACo President Glen Whitley's "County Government Works" initiative fits superbly into any National County Government Month plans your county is making. He is urging all counties to make the American public more knowledgeable and positive about the contributions of county government throughout his term.

Whitley believes strongly that county residents, who are beneficiaries of government services, and officials at other levels of government, who are partners in delivering those services, must be made more knowledgeable about the contributions of county government. This challenge can only be met through the active participation of county officials all across the country.

A variety of outreach tools are available on the NACo website, www.naco.org, under the About Counties/Tell the Public What You Do section. There you will find examples of effective public awareness programs, how to establish citizen/leadership universities, and examples of state association public awareness efforts.

The toolkit offers county officials practical, proven methods for raising county government awareness. The kit includes:

- A speaker's library that provides talking points for community and civic group meetings.
- Ideas for scheduling tours of county buildings.
- Information on citizen universities.
- Methods for informing and educating students.
- Brochures for community and school events.

The brochures are already designed and formatted. All you have to do is add your county's information and make copies.

2011 NCGM Tip:

County Fact Sheets can be distributed at county facilities, sent to local reporters, posted on the county website and made available at community meetings.

1190

The brochure will provide basic facts and information about your county that will be a valuable resource for your residents.

"Especially in these tough times, it's important for county officials to go the extra mile and communicate the roles and responsibilities of counties," Whitley said. "I am asking all county officials to join me in this effort."

NACo's Veterans and Military Service Task Force

As part of his presidential initiative, NACo President Glen Whitley created the "Veterans and Military Service Task Force" to address issues important to veterans, members of the armed forces and military families.

The task force is focusing on best practices and policies in four subject areas: (1) physical and mental health, substance abuse, suicide prevention; (2) housing and homelessness (3) employment services and access to employment and (4) justice system, including law enforcement, courts and probation.

The goal of the task force is to engage NACo and its members to develop and highlight county best practices and policies to promote innovative programs and services and benefits for our nation's military, veterans, and their families.

Check the NACo website at www.naco.org for updated information on task force activities.

NACo Programs Help Counties Help Communities

The National Association of Counties has many programs and initiatives available to assist counties. If your county participates in any of NACo's programs, National County Government Month is an excellent opportunity to inform the public about them. If not, consider getting your county involved in one or more of NACo's programs and announce it during NCGM.

NACo Prescription Discount Card Program

Many families do not have prescription drug coverage. By participating in the NACo Prescription Discount Card Program, you can help provide real savings to families. If your county already participates, highlight the program's success by announcing the total savings. Inform residents where the free cards are available. Distribute them during an open house. If your county is not a participant, why not launch the program during NCGM?

Program highlights:

- More than \$338 million has been saved nationally by consumers.
- Average savings is 24 percent per prescription.
- More than 1,373 counties are participating nationwide.
- Cards are free to obtain and easy to use.
- No forms to fill out.
- No cost to the county, taxpayers or consumers.
- No age, health or income restrictions.
- Offers the uninsured or underinsured with at-the-register discounts on prescriptions through a nationwide network of 59,000 participating pharmacies.

Contact: Andrew Goldschmidt at 202.942.4221 or agoldsch@naco.org.

NACo Dental Discount Program

NACo has launched a Dental Discount Program to help residents in member counties. Thirty-eight counties representing 24 states have agreed to be a part of a pilot to test the program. The program will provide residents in those

counties with cards that will save from 5 percent to 50 percent on a full complement of dental services. The cards will cost \$59 a year for individuals and \$69 a year for families. NACo is partnering with Careington, Inc. to provide the program.

Contact: Andrew Goldschmidt at 202.942.4221 or agoldsch@naco.org.

Network of Care

NACo's Network of Care program is a highly interactive, single source online network that consumers, community-based organizations, and local and state governments can use to access a wide variety of important information relating to social services.

The Network of Care's individual websites and eLearning online training services focus on several social services areas such as behavioral health, aging and people with disabilities, developmental disabilities, children and families, domestic violence and public health. The websites give critical service information, support, advocacy, and state-of-the-art communication tools to consumers, caregivers and providers.

The resources available in the Network of Care include an easy-to-use service directory, comprehensive health library, a secure personal health record-keeping tool for consumers and caregivers, a political advocacy tool and links to pertinent websites from across the nation.

Network of Care sites for Military Service, Veterans and Families

Similar to the Network of Care websites described above, Oregon, California and Maryland are states with Network of Care sites devoted exclusively for veterans, military service members and their families. These Networks of Care provide its members and their families with critical, comprehensive information to help them reintegrate into their communities upon return from active duty.

Network of Care was developed by Trilogy Integrated Resources, which serves as NACo's service provider. To see an online demonstration of the Network of Care, visit www.naco.networkofcare.org.

School Involvement

Be sure to include schools in your National County Government Month activities to enable students to begin learning about county government. Again, think creatively about how to tie in this year's theme: "Serving Our Veterans, Armed Forces and Their Families."

Presentations in schools

Plan visits to schools by various elected and appointed county officials. Discuss interesting historic facts about the county, such as famous residents or important events. Discuss how county government is structured and define its roles and responsibilities. Explain how the county works in conjunction with the state and federal government. Consider organizing a panel discussion with residents who have been positively affected by county programs. Make information on county government available to teachers to use in presentations or as part of their lesson plans.

Career day

Plan career days at local high schools. Share information about various occupations within county government such as sheriff deputies, police officers, social workers, nurses, court clerks, tax collectors, elections officials, parks and recreation employees, transportation department workers, librarians, corrections officers, firefighters and emergency dispatchers. Emphasize the essential services that these public servants provide each day to the community.

Tours of county facilities

Encourage schools to set up tours of county offices and facilities. The approach should be part of a class lesson on government structure, the legislative process, public safety, health-care and other services.

County official for a day

This is a popular activity for many students. High school students interested in government

2011 NCGM Tip:

Consider getting a cosponsor for NCGM celebrations, such as a local newspaper, TV station or radio station or other visible organization in the community.

could be part of a program to become a county official for a day ("shadow" an official) and share the experience with other students.

Contests

For younger students, sponsor a poster, essay or coloring contest involving the "Serving Our Veterans, Armed Forces and Their Families" theme or use another county government theme, such as parks and recreation or public safety.

Lectures

Offer to address or teach a class at the community college. The topics could include healthcare, green government, economic development, technology, public safety, disaster preparedness, infrastructure and transportation, or careers in county government.

Debates

Encourage college and high school students to address issues affecting local government through debates. Hold the debates in classrooms or as part of a high school assembly.

Meet with Members of Congress

National County Government Month is an ideal time to discuss national issues affecting county government with members of Congress who represent your county. During NCGM, schedule a meeting with your Congressional representatives or key staff in your Congressional district office. Use the meeting to explain the great challenges facing your county and how Congress can help.

Many important issues are being debated nationally that affect counties. Under the banner of NACo's Restore the Partnership campaign, discuss the importance of reauthorization of the federal surface transportation bill, the new Farm Bill, and robust federal funding for the Community Development Block Grant program (CDGB), Energy Efficiency and Conservation Block Grant program (EECBG), and rural development programs.

Be prepared with facts and information about how specific federal issues affect your county. Know where your member of Congress stands on important issues and which committees he or she serves on. Your message should be focused, compelling and relevant. To find out about NACo's 2011 Key Legislative Priorities and obtain fact sheets on current national issues important to counties, visit the Legislation and Policy section of the NACo website at www.naco.org.

2011 NCGM Tip:

Invite your member of Congress to attend your NCGM events.

Media Relations Strategies

Careful planning is essential to maximize public awareness of National County Government Month activities and the county services and programs you are highlighting. Here are six ways to help secure positive news media coverage:

Educate the news media

Inform local reporters, editors and broadcasters early and often about NCGM and your county's plans to celebrate it.

Plan to make news

Coordinate newsworthy events or announcements. You can launch new initiatives, announce plans for new programs or recognize county employees for their excellent public service. Keep in mind that newspapers seek in-depth facts, television stations want good visuals and radio reporters want snappy sound bites. All reporters seek good stories. They want access to knowledgeable and articulate sources to make their stories interesting and informative.

Publish a calendar of events

Publish a calendar of NCGM events on your county's website. Ask the local newspapers to publish the calendar. Ask the local television, cable and radio stations to air public service announcements about county services or events.

Write media advisories

Prepare and send media notices well in advance for specific NCGM events, such as the open house, tour of the hospital or visit to a local school. Describe who, what, where, when and why. Make it newsworthy.

2011 NCGM Tip:

Have a plan to promote county government month events via social media such as Twitter and Facebook.

Write news releases

Have news releases ready to distribute to the media the day of special NCGM events. Highlight what's new, beneficial and cost-effective. Use lively, concise quotes from appropriate county officials. Provide contact information.

Take your message to the media

Do not assume the news media will cover your events or announcements. Ask for a meeting with the newspaper's editorial board; volunteer to stop by the television station for an interview; be an in-studio guest on a local radio program. Be accessible, proactive and enthusiastic about county government and the services provided to the community.

Leaders to highlight county services for veterans

Re: N.Y.S. D.O.T. Grant for LIE/HOV with 100% Support

As you are aware, the Sheriff's Office has been the recipient of New York State Department of Transportation funding for the LIE/HOV Enforcement Program in Suffolk County. The contract for this funding was through December 31, 2010 with the State's option to extend the term of the agreement up to an additional two years. There are federal funds approved and available for the execution of this agreement and the Region apportioned the State funding share for a 12 month period. Since then the County has received a one year contract extension with an operational period from January 1, 2011 through January 2, 2012. The attached resolution and the required supporting documentation are being submitted for your review to cover the one year extension of this grant. This funding will enable the Sheriff's Office to continue to enhance public safety with high visibility HOV Traffic Enforcement.

An e-mail version of the resolution was sent to CE RESO REVIEW, saved under the title "Reso-Sheriff - Grant for LIE/HOV Enforcement Program".

Due to time constraints on upcoming deadlines set by the State we are respectfully requesting a Certificate of Necessity for this resolution so it may be laid on the table for vote at the March 8, 2011 meeting.

Thank you for your consideration in reviewing this draft resolution.

Council Legislator Edward P. Romaine
423 Griffing Ave – Suite 2
Riverhead, NY 11901

Dear Councilman Romaine,

As a 34 year resident of Suffolk County, and a homeowner on Shelter Island since 1984, I was honored to be asked by Supervisor Jim Dougherty and Councilman Ed Brown to represent Shelter Island on the Suffolk County Department of Parks, Recreation and Conservation Commission. I have been working with the Town of Shelter Island for the past few years as part of the Taylor's Island Preservation and Management Committee. In that capacity I have been deeply involved in trying to preserve the Island and prevent further erosion through restoration and replacement of deteriorated bulk heading, developing a proposal for the Restoration of the Smith-Taylor Cabin, located on the island, and promoting support for the Island from residents, non-residents and government representatives. This year, our hard work finally paid off—we received a \$110,600 matching grant from the New York State Department of Parks, Recreation and Historic Preservation. I will be taking a leadership role, working with other committee members and Town personnel to plan, oversee and monitor the implementation of the Environmental Protection Fund's award and matching funds.

My husband and I have been avid sailors in Suffolk County over the years, and more recently became campers enjoying the beauty and natural resources available to us in Suffolk County. As campers we most recently enjoyed and explored Cedar Point, Indian Island, Shinnecock East, and Theodore Roosevelt County Parks. Over this winter we are camping throughout Florida and New Mexico. We enjoy being outdoors and respect how important it is to preserve natural areas for public use.

I look forward to working with other representatives from Suffolk County in support of the Department of Parks, Recreation and Conservation. Attached please find an updated resume as requested by your assistant Joanne Liquori. As you can see, I spent most of my professional life in the educational arena. I believe this background, and my background as a conference presenter and professional developer will be helpful to this commission.

Sincerely,

Kathleen Gooding

MEMORANDUM

TO: File

FROM: Boris Rukovets, P.E., Special Projects Supervisor *BR*

SUBJECT: **Collection System Treatment Process Improvement Project for SD No. 3 – Southwest RFP**

DATE: March 1, 2011

This memorandum describes the contractor selection process and summarizes the key performance and savings tracking information for the subject RFP.

1. Contractor Selection Process

On May 27, 2010, the Suffolk County Purchasing Division on behalf of the Suffolk County advertised the RFP soliciting proposals for the consulting services for the engineering, planning and implementation of a biological treatment process for the collection system of the Sewer District No. 3 – Southwest. The aforementioned process introducing non-pathogenic organisms into the collection system is expected to decrease influent loading, improve treatment efficiency and reduce energy and chemicals usage and sludge treatment costs at the Sewer District No. 3 – Southwest wastewater treatment plant.

The Purchasing Division provided the RFP to three (3) potential contractors and received only one response from In-Pipe Technology Company, Inc. (IPTC) on July 15, 2010. Subsequently, an independent evaluation committee reviewed the proposal from IPTC and on November 22, 2010 recommended that the Department of Public Works enter into a contractual agreement with IPTC. Since only one party responded to the proposal, the contract requires an approval of the Legislature.

2. Proposal Implementation and Performance Targets.

The proposal requires installation of 140 dosing panels throughout the collection system, introduction of IPTC non-pathogenic bacteria into collection system and monthly IPTC service visits during duration of the contract. The proposal includes 14 performance targets, nine of

SUFFOLK COUNTY IS AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

1209

which, if achieved, would result in direct savings to the County; five remaining targets would result in water quality improvements, without translating into direct savings. The initial term of contractual agreement with IPTC would be for one year which could be extended for two additional one-year terms at the discretion of the County.

3. Savings Tracking

The proposal is structured such that the percentage of confirmed and documented savings realized from reduced energy and chemicals usage and sludge treatment costs would be used as the basis for payment to IPTC. The proposal guarantees no net cost to the County¹ and provides the following fee schedule: Month 1 – none; Months 2-6 – 90% of savings; Months 7-36 – 60% of savings but not to exceed \$100,000. Taking both the in-kind services and contractor's contingency fees into account, the proposal projects net annual savings to the County of approximately \$600,000 in Year 1 and \$1,237,000 in subsequent years.

Each of the proposed nine financial performance targets will be used as performance metrics. At the end of each quarter of IPTC's operations, the performance for each of the past three months will be compared to the baseline. If the monthly plant performance results for each of the performance metrics met or exceeded the baseline, no action would be required and IPTC would be reimbursed based on the aforementioned percentage of confirmed and documented savings. If, however, the performance results for any of the monthly performance metrics "fell below" the baseline, the corresponding dollar value of savings would be recorded and subtracted from monthly fees owed to IPTC for the most recent quarter or, if not applicable, subsequent quarter.

SUBJECT: Capital Project # 1726 – FIBER CABLING NETWORK and WAN
TECHNOLOGY UPGRADE

We are forwarding a draft resolution requesting appropriation of \$ 1,278,000 for the year 2011. The resolution amount represents the monies that will be provided by CP-1726 for Capital Project # 1726. An email version of the resolution was sent to CE RESO saved under the title "Reso-ITS-CP-1726."

Program Description: The current County WAN infrastructure is nearing the end of its useful life. There are significant numbers of county switches and routers that are already at the end of their useful life and over the course of the next three years; all of the equipment will be either be at the end of its lease or at the end of its useful life. A phased approach to equipment replacement and refresh is required in order to ensure the integrity of the County's WAN network. WAN equipment will be replaced with current technology and equipment that will provide the County with the ability to have a managed approach to growth and improve existing county services. The majority of the equipment is located in the Hauppauge, Riverhead and Yaphank datacenters. However, all the equipment in every county site will need to be replaced in the next three years.

Operating Budget Impact: This program will have a positive operating budget impact as it will proactively upgrade the county WAN allowing us to add sites/users in managed approach rather than an ad-hoc fashion.

SUBJECT: Capital Project # 1729 - DISASTER RECOVERY

We are forwarding a draft resolution requesting appropriation of \$ 600,000 for the year 2011. The resolution amount represents the monies that will be provided by Capital Project # 1729. An email version of the resolution was sent to CE RESO saved under the title "Reso-ITS-CP-1729".

Program Description: Funding for this project will be used to purchase the Phase I hardware and software necessary to protect the critical applications currently running at the Department of Technology, in an architecture that supports disaster recovery. This consists of: server consolidation and virtualization to efficiently use the system resources, Storage Area Network (SAN) expansion to accommodate real time data replication at a remote location, consolidated management and monitoring of all systems, and hardware support to access remote systems. The plan will provide restoration of critical applications services and data for all County departments in the event of an emergency.

Operating Budget Impact: Savings will be realized by both the elimination of duplicative services, and through a coordination of systems based on the County's overall priorities, not those of individual departments.

Subject: Organized Crime Drug Enforcement Task Forces (OCDETF) State and Local Overtime and Authorized Expense Agreement for Fiscal Year 2011

Dear Det. Lt. Burke:

The New York-New Jersey Region OCDETF Regional Coordination Group has approved an OCDETF Agreement for the Suffolk County Police Department under the following terms:

OCDETF Case #:
Dates of the Agreement: 12/08/2010 through 09/30/2011 (Fiscal 2011)
Funding Amount: \$ 25,000.00
Sponsoring Federal Agency: DEA

At no time should your State or Local agency exceed the approved funding noted above.

**Please note that the approved funding amount may be less than the amount originally submitted to the Regional Coordination Group.

Initial funding allocations represent projections only and therefore are subject to modification by the Regional Coordination Group based upon the progress and needs of the OCDETF investigation. Federal government accounting policy requires all open obligations be reviewed and validated at the end of each quarter; therefore if no costs have been incurred within 90 days of the date of the agreement all funding could automatically be de-obligated unless an extension has been requested and has been granted in writing by the sponsoring Agency Regional OCDETF Coordinator.

If additional funding or agreement modifications are necessary, a written request must be submitted by the sponsoring Agency Regional OCDETF Coordinator to the Assistant U.S. Attorney (AUSA) Regional OCDETF Coordinator prior to incurring any overtime and/or expenses. The sponsoring Federal agency and State or Local agency will be notified in writing on the status of the request. Any supplemental funding will be contingent upon availability of funds.

OCDETF Agreement for Fiscal Year 2011

A reimbursement request will not be deemed "submitted" unless it is completely and accurately prepared. Reimbursement requests must be submitted within 30 days of overtime worked. The requests must be approved and signed by the sponsoring Federal agency prior to being forwarded to the U.S. Attorney's office. All requests without the proper signatures will be returned. Approved funds that do not have properly submitted reimbursement requests submitted on a timely basis will be de-obligated by the committee to meet other financial responsibilities.

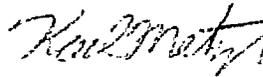

The State or Local agency is responsible for ensuring and monitoring overtime payments. These payments may not, on an annual per person basis, exceed \$17,202.25 (increased to 25% of a GS-12 Step 1 Federal salary rate in effect for fiscal year beginning October 2010). The field office of the sponsoring Federal agency and the sponsoring Agency Regional OCDETF Coordinator will also monitor these payments, as stated in section 13 of the agreement. Without approval from the Regional Coordination Group and the grant of a waiver from the OCDETF Executive Office in Washington D.C. an agency may not be reimbursed in excess of \$25,000.00 on any OCDETF investigation in a given year.

Reimbursement requests which are not submitted for payment in a timely manner are subject to availability of funds.

If you have any questions, please do not hesitate to contact your sponsoring Agency Regional OCDETF Coordinator J. Michael Smith at 646-805-6947.

Very truly yours,

Preet Bharara

This agreement is between the above named State or Local law enforcement agency and the Organized Crime Drug Enforcement Task Forces (OCDETF) Program. This agreement shall be effective when signed by an authorized State or Local agency official, the sponsoring Federal Agency Special Agent-In-Charge, the sponsoring Agency Regional OCDETF Coordinator, the Assistant United States Attorney Regional OCDETF Coordinator, and the OCDETF Executive Office.

1. It is agreed that the State or Local law enforcement officers named on this agreement will assist in OCDETF investigations, Strategic Initiatives and prosecutions as set forth in the Organized Crime Drug Enforcement Task Forces State and Local Overtime and Authorized Expense/Strategic Initiative Programs, Policies and Procedures Manual, October, 2010.
2. No individual agreement with a State or Local department may exceed \$25,000, and the cumulative amount of OCDETF State and Local overtime monies that may be expended on a single OCDETF investigation or Strategic Initiative in a single fiscal year may not exceed \$50,000 without express prior approval from the OCDETF Executive Office. The OCDETF Executive Office will entertain requests to exceed these funding levels in particular cases. Please submit a written request including justification approved by the AUSA Regional Coordinator to the OCDETF budget officer when seeking to exceed the above stated funding levels.
3. Each Reimbursable Agreement will be allowed no more than six (6) modifications per year. In addition, if the funds for a particular agreement are completely deobligated with the intention of closing that agreement, it will not count as a modification for purposes of this policy. These amendments or changes must be transmitted by a memorandum approved and signed by the AUSA Regional OCDETF Coordinator or designee for the region and forwarded to the OCDETF Executive Office.
4. If an Agreement does not have any activity during the last ninety (90) days, the funds shall automatically be deobligated. The OCDETF Executive Office will assist with the monitoring of the aging Agreements. Further, if a State or Local agency indicates that it is no longer performing work under a particular Agreement, the State and Local Overtime Procedures Manual requires that a modification memorandum identifying the amount to be deobligated be submitted to the OCDETF Executive Office as soon as possible after determining that no work is being performed.
5. The State and Local law enforcement agency must provide billing estimates or activity on a monthly basis.
6. The State or Local law enforcement agency agrees to provide experienced drug law enforcement officers who are identified in this agreement to work on the specified OCDETF investigation or Strategic Initiative. Any change in law enforcement officers assigned must be agreed to by all approving officials.
7. Officers who are not deputized shall possess no law enforcement authority other than that conferred by virtue of their position as a commissioned officer of their parent agency.

1215

8. Officers who are deputized may possess Federal law enforcement authority as specified by the agency affording the deputation.
9. Any State or Local officers assigned to an OCDETF Investigation or Strategic Initiative in accordance with this agreement are not considered Federal employees and do not take on the benefits of Federal employment by virtue of their participation in the investigation or Strategic Initiative.
10. OCDETF and the sponsoring Federal law enforcement agency(ies) for the approved OCDETF investigation or Strategic Initiative will provide to the assigned State/Local officers the clerical, operational and administrative support that is mutually agreed to by the parties in this agreement.
11. Officers assigned to OCDETF investigations or Strategic Initiatives must work full-time on the investigation(s) or Strategic Initiative(s) in order to be paid overtime. In order to satisfy the "full-time" requirement, a law enforcement officer must work forty (40) hours per week or eight (8) hours per day on a single or multiple OCDETF investigation(s) or Strategic Initiative(s). Any established exceptions or waivers to this definition shall be requested by the Regional Coordination Group and attached as Addendum A to the Agreement. [The parent State or Local agency must pay the base salary of its officers. In the event officers must work overtime on an OCDETF investigation or Strategic Initiative, the OCDETF Program will reimburse the parent State or Local law enforcement agency for a limited amount of those overtime costs.] The agency is responsible for paying its law enforcement officer(s) for their overtime, travel and per diem expenses. To ensure proper and complete utilization of OCDETF overtime and expense allocations, reimbursement claims must be submitted monthly on the OCDETF Reimbursement Request Form. The OCDETF Executive Office may refuse payment on any reimbursement request that is not submitted to the OCDETF Regional Coordination Group within thirty (30) days of the close of the month in which the overtime was worked.
12. It is the responsibility of the State & Local agency to retain and have available for inspection sufficient supporting documentation for all regular hours and overtime hours worked towards a specific OCDETF case. Officers' timesheets must reflect work towards a specific OCDETF case and must be reviewed and signed by an authorized State & Local official.
13. Analysis of reimbursement claims by the Regional Coordination Group may result in a modification of the obligation of funds contained within this agreement as well as the time period covered. The agency affected by any such modification will receive a memo notifying them of the changes.
14. Overtime payments, in any event, may not, on an annual per person basis, exceed 25% of the current approved Federal salary rate in effect at the time the overtime is performed. The State or Local agency is responsible for ensuring that this annual payment is not exceeded. The Executive Assistant/OCDETF Program Specialist will monitor these payments via MIS and communicate to the Federal Agency Regional OCDETF Coordinators who provide status updates to any officer approaching the threshold.

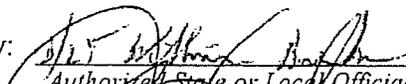

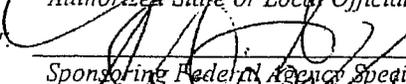

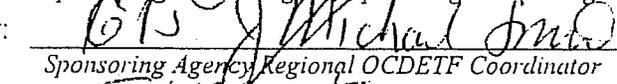

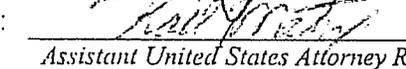

1215

15. The overtime log must be attached to the reimbursement request when submitting the monthly invoices. The Sponsoring Federal Agency Supervisory Special Agent and the State or Local official authorized to approve the Reimbursement Request must certify that only authorized expenses are claimed, the regular hours requirement is satisfied, and that overtime has not exceeded 25% of the current Federal salary rate in effect at the time the overtime was worked.
16. Under no circumstances will the State or Local agency charge any indirect costs for the administration or implementation of this agreement.
17. The State or Local agency shall maintain complete and accurate records and accounts of all obligations and expenditures of funds under this agreement for a period of six (6) years and in accordance with generally accepted accounting principles to facilitate inspection and auditing of such records and accounts.
18. The State or Local agency shall permit examination and auditing by representatives of the OCDETF Program, the sponsoring Federal agency(ies), the U.S. Department of Justice, the Comptroller General of the United States, and/or any of their duly-authorized agents and representatives, of any and all records, documents, accounts, invoices, receipts, or expenditures relating to this agreement. Failure to provide proper documentation will limit State or Local law enforcement agencies from receiving OCDETF funding in the future.
19. The State or Local agency will comply with Title VI of the Civil Rights Act of 1964 and all requirements applicable to OCDETF agreements pursuant to the regulations of the Department of Justice (see, e.g., 28 C.F.R. Part 42, Subparts C and G; 28 C.F.R. 50.3 (1991)) relating to discrimination on the grounds of race, color, sex, age, national origin or handicap.
20. This agreement may be terminated by any of the parties by written notice to the other parties ten (10) business days prior to termination. Billing for outstanding obligations shall be received by OCDETF within thirty (30) days of the notice of termination.
21. The Debt Collection Improvement Act of 1996 requires that most payments made by the Federal government, including vendor payments, must be made by electronic funds transfer (EFT). In accordance with the act, all OCDETF reimbursement payments will be issued via EFT. All participating State and Local agencies must complete and submit the attached EFT form. The OCDETF Executive Office must receive one EFT form from each participating agency or police department prior to processing their reimbursement payments. In certain circumstances the OCDETF Executive Office may make exceptions for agencies that are unable to accept this form of payment, however, such agencies must include written justification in the addendum of each new agreement.
22. All changes made to the original agreement must be approved by the OCDETF Executive Office and initialed by the Executive Assistant/OCDETF Program Specialist of the Regional Coordination Group making the revision. The AUSA Regional OCDETF Coordinator or designee must initial all funding changes.

1215

23. The Regional Coordination Group is responsible for identifying and implementing any additional policy requirements, as needed, for its specific region. Those regional policies will be documented in the Addendum B and attached to the approved Agreement. The Agencies are agreeing to adhere to these additional requirements and must have written approval by the Regional Coordination Group for any exceptions to the regional policies.

This agreement is not a contract or obligation to commit Federal funds in the maximum amounts projected. Funding allocations for the time period set forth and agreed to herein represent projections only and are based upon consultation between the sponsoring Federal agency and the State or Local law enforcement agency. They are, therefore, subject to modification by OCDETF based upon the progress and needs of the OCDETF investigation or Strategic Initiative. Additionally, resources are contingent upon the availability of funds per the approval and signature of the OCDETF Executive Office obligating authority. The OCDETF Executive Office will approve and certify that all the terms and conditions of the agreement have been met.

COST REIMBURSEMENT AGREEMENT

This Agreement is made between the United States Department of Agriculture, Office of Inspector General (OIG) and the Suffolk County Police Department (tax identification no. 11-6000464).

WHEREAS, OIG and the Suffolk County Police Department are conducting an investigation into Supplemental Nutrition Assistance Program (SNAP) fraud that began in 2008 and the investigation is continuing and ongoing. The parties agree to the following:

1. To conduct and participate in joint law enforcement operations and to:
 - a. Cooperate in a comprehensive law enforcement effort to identify and locate individuals and businesses involved in SNAP fraud and related violations of law throughout the State of New York and other States in violation of State and Federal laws including, but not limited to:

7 U.S.C. § 2024 (SNAP Fraud); and
New York State Penal Law § 158 (Welfare Fraud).
 - b. Conduct appropriate law enforcement operations and engage in traditional methods of investigation to effectuate prosecutions before the courts of the United States, the State of New York, and/or other States.
 - c. Gather intelligence relating to SNAP fraud, dealing in proceeds of unlawful activity, and related violations of law.
2. To accomplish the objectives of the joint law enforcement operations outlined above, the Suffolk County Police Department agrees to assign experienced officers to the joint activities, as requested by the OIG, Northeast Region, Special Agent-in-Charge (SAC).
3. To accomplish the objectives of the joint law enforcement operations outlined above, OIG agrees to participate with the Suffolk County Police Department to coordinate resources as needed to assist in meeting the goals of the joint task force effort. Permissible expenses reimbursable under this Agreement may include overtime relating to Suffolk County Police Department officers, investigative equipment, travel, training, intelligence data gathering expenditures, and other joint operation support costs, relating to State or local law enforcement officers. With respect to approved funding for this joint law enforcement operation, OIG will obligate in its financial management system an amount equal to the total authorized funding under this Agreement for the joint operation, as specified below in paragraphs four through nine.

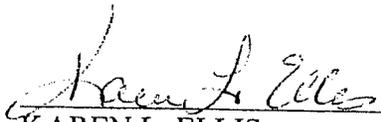

1216

4. Subject to the availability of funds from the Department of Justice Assets Forfeiture Fund, OIG will administer the funds to Suffolk County Police Department for reimbursement of overtime relating to Suffolk County Police Department officers, investigative equipment, travel, training, intelligence data gathering expenditures, and other joint operation support costs incurred while engaged in the joint law enforcement operations under this Agreement.
5. The Suffolk County Police Department will submit a reimbursement request to the regional OIG office on a monthly basis by the 15th of the following month, covering incurred costs to OIG for disbursement of funds for overtime relating to Suffolk County Police Department officers, investigative equipment, travel, training, intelligence data gathering expenditures, and other joint operation support costs. The reimbursement request must include the following information: FMMI Code [115410R2200706RADOJAJR706AG]; and Purchase Order No. [4500011417].
6. Upon receipt, the regional SAC will review the reimbursement request to ensure that the request contains only costs that may be lawfully reimbursed based upon the standards and criteria enunciated in 28 U.S.C. § 524(c)(1)(I). After the SAC has reviewed the reimbursement request and concluded that the costs submitted are in accordance with 28 U.S.C. § 524(c)(1)(I), the SAC, by the 20th of the month, will send the request to the SAC, Investigations Business Operations Division (IBOD). IBOD will perform an initial review of the reimbursement request and then forward the request to OIG's Financial Management Division (FMD), Asset Forfeiture (AF) Desk. FMD-AF will complete a final review of the reimbursement request and process the request for payment as appropriate. The maximum total amount for authorized reimbursement pursuant to this Agreement is fifteen thousand dollars (\$15,000).
7. During the period of the joint law enforcement operations outlined above, the Suffolk County Police Department will remain responsible for the payment of costs incurred by Suffolk County Police Department personnel.
8. More than one law enforcement agency may be involved in the joint law enforcement operation as outlined above. OIG will reimburse funds for expenses incurred in the conduct of the joint law enforcement operation as outlined above only to the entity identified in this Agreement. If more than one State or local law enforcement agency is participating in the joint law enforcement operation, separate reimbursable agreements must be entered into with each law enforcement agency in order to reimburse costs as approved by the Department of Justice Assets Forfeiture Fund.
9. In no event will the Suffolk County Police Department charge any indirect costs to OIG for the administration or implementation of this Agreement.
10. The Suffolk County Police Department shall maintain, on a current basis, complete and accurate records and accounts of all obligations and expenditures of funds under this Agreement, in accordance with generally accepted accounting principles and instructions provided by OIG to facilitate onsite auditing and inspection of such records and accounts.

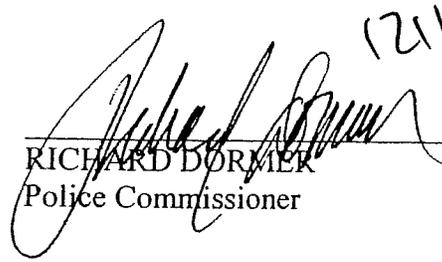

1216

11. The Suffolk County Police Department shall permit and have readily available for examination and auditing by OIG, the United States Department of Justice, the Comptroller General of the United States, and any of their duly authorized agents and representatives, any and all records, documents, accounts, invoices, receipts, and expenditures relating to this Agreement. The Suffolk County Police Department shall maintain all such reports and records until all audits and examinations are completed and resolved, or for a period of three (3) years after termination of this Agreement, whichever is later.
12. The Suffolk County Police Department shall comply with Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and all requirements imposed by applicable regulations.
13. All overtime payments from all Federally-provided sources for each individual State or local officer participating in the joint law enforcement operation with the Federal Government shall not exceed 25 percent yearly base pay of a GS-12, Step 1, taken from the general pay scale at the beginning of each Federal Government fiscal year, without any locality pay or other adjustments during the fiscal year.
14. All final costs must be incurred by September 30, 2011. All requests for payment and supporting documentation must be submitted to the regional SAC no later than October 15, 2011.
15. Billings for all outstanding expenditures must be received by OIG within thirty (30) days of the termination date for the joint law enforcement operation, but no later than October 15, 2011. OIG will only be responsible for the disbursement of funds for authorized overtime relating to Suffolk County Police Department officers, investigative equipment, travel, training, intelligence data gathering expenditures, and other joint operation support costs, as specified by and during the term of this Agreement.
16. The regional SAC will ensure that all final billing is received by the IBOD SAC no later than October 20, 2011.
17. This Agreement becomes effective upon the date that the last party signs the Agreement. This Agreement may be terminated by either party with thirty (30) days advance written notice. Any amendments to this Agreement must be in writing and signed by both parties.

**Re: MV 2010/11 Award for Motor Vehicle Theft and
Insurance Fraud Prevention Program**

Dear Ms. Furey:

I am pleased to advise you that Suffolk County Police Department has been awarded \$117,450 in SFY 2010/11 grant funds with agreement by the New York State Motor Vehicle Theft and Insurance Fraud Prevention Board (the Board). This funding is available through the Motor Vehicle Theft and Insurance Fraud Demonstration Program (MVTIFDP) to support the program proposal described in your recent grant application.

Over \$5.7 million in grant funding was requested as compared to the \$3.7 million available for awards in this cycle. As a result of this overwhelming response, the Board was able to recommend funding at reduced levels. We will work with you to help structure your proposed program consistent with the award amount.

The Statewide Plan of Operation for motor vehicle theft and insurance fraud, as legislated by Article 36-A of the Executive Law, requires a coordinated approach to detect, prevent, deter and reduce motor vehicle theft and insurance fraud. The Division of Criminal Justice Services (DCJS) utilized the Plan in its assessment of the applications. DCJS requires that all MVTIFP grantees develop a strategy that included a threat assessment describing the scope of the motor vehicle theft and insurance fraud problem and the coordinated efforts that would be utilized to effectively combat these crimes. An evaluation of these efforts will be incorporated into the project work plan for the 2010/2011 grant period.

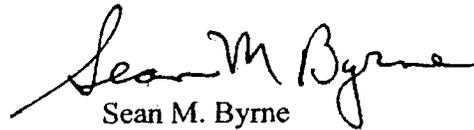

All grant recipients are required to enter investigative targets in the Secure Automated Fast Event Tracking Network (SAFETNet) as a special condition of the award. During the contract period, grantees will be expected to produce substantiated information, both statistical and programmatic, on the effectiveness of the initiatives implemented by the grant program. This information is essential to demonstrate the success of your program and may influence the continued support of your program initiatives in future funding cycles.

1217

The primary contact for your project will receive a contract preparation package from the DCJS Office of Program Development and Funding (OPDF) Criminal Justice Program Representative assigned to this project. The Criminal Justice Program Representative will assist your office in the development of the MVTIFP grant contract. If you have any questions related to the Motor Vehicle Theft and Insurance Fraud Prevention Program, please call the MVTIFP Program staff at (518) 457-8404.

On behalf of the Board and DCJS, congratulations on your award. We look forward to continuing to work with you to reduce motor vehicle theft and insurance fraud in New York State.

Very truly yours,

Sean M. Byrne

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X) Amendment. D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

APPENDIX A

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the previous consent, in writing, of the State and any attempts to assign the contract without the State's written consent are null and void. The Contractor may, however, assign its right to receive payment without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6.a).
4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.
5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.
6. **WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement

1217

schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law.

7. **NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. **INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. **SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. **RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. **IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.**

(a) **FEDERAL EMPLOYER IDENTIFICATION NUMBER and/or FEDERAL SOCIAL SECURITY NUMBER.** All invoices or New York State standard vouchers submitted for payment for the sale of goods or services or the lease of real or personal property to a New York State agency must include the payee's identification number, i.e., the seller's or lessor's identification number. The number is either the payee's Federal employer identification number or Federal social security number, or both such numbers when the payee has both such numbers. Failure to include this number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or New York State standard voucher, must give the reason or reasons why the payee does not have such number or numbers.

(b) **PRIVACY NOTIFICATION.**

(1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used

1217

for tax administration purposes and for any other purpose authorized by law.

(2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in New York State's Central Accounting System by the Director of Accounting Operations, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State; or (iii) banking services, insurance policies or the sale of securities. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Governor's Office of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ('CPLR'), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the

1217

State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. **PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of State Finance Law '165. (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in '165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. **MACBRIDE FAIR EMPLOYMENT PRINCIPLES.** In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

APPENDIX A1

AGENCY-SPECIFIC CLAUSES

1217

1. For grant solicitations or direct grant awards announced before April 10, 2006, if this Agreement exceeds \$15,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for \$15,000 or less, it shall not take effect until it is executed by both parties.

For grant solicitations or direct grant awards announced on or after April 10, 2006, if this Agreement exceeds \$50,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for \$50,000 or less, it shall not take effect until it is executed by both parties.

2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in writing and signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

A. For State funded grants:

For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

B. For Federally funded grants:

Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.
2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.
3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as support for grant project personnel costs.

The most current version of these Federal OMB Circulars may be viewed on-line at:

www.whitehouse.gov/omb/circulars.

1217

The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract which results in a change of greater than 10 percent to any budget category must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller. An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract which result in a change of 10 percent or less to any budget category, the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.

2. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. A letter signed by the Chief Executive Officer or Fiscal Officer authorizing these changes must be submitted to DCJS with the next voucher or fiscal cost report submission.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed \$450 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$450 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to \$999 under this grant agreement can be obtained at the Grantee's discretion.

2. Consultant services that cost between \$1,000 and \$4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.

3. Consultant services that cost between \$5,000 and \$9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.

4. A Grantee obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened;

and maintenance of a record of competitive procurement process.

1217

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 5-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.
2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to \$999 at its discretion.
3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$1,000 and \$4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such quotes.
4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$5,000 and \$9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.
5. A Grantee spending in aggregate of \$10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.
6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module and print and submit such reports to DCJS/ODPF program representatives with the final program progress report or sooner. Alternatively, the Grantee may use the Equipment Inventory reports prescribed by DCJS to list equipment purchases and submit them to DCJS via postal service. Items of equipment costing less than \$500 do not need to be reported on the Equipment Inventory Reports although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and

1217

possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports and one final report to DCJS via the GMS system and additional information or amended data as required.

A. Program progress reports will be due within 45 days of the last day of each calendar quarter or on an

1217

alternate schedule as prescribed in Appendix D. The first program progress report will be due within 45 days of the last day of the calendar quarter from the start date of the program.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

Calendar Quarter; Report Due
 January 1 - March 31; May 15
 April 1 - June 30; August 15
 July 1 - September 30; November 15
 October 1 - December 31; February 15

B. The final report, or where applicable interim progress reports, will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges within 45 days after the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

- Activities to be performed;
- schedule;
- Project policies;
- Other policies and procedures to be followed;
- Dollar limitation of the Agreement;
- Appendix A, Appendix A-1, Appendix C, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and
- Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

127

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year \$500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

- OMB Circular A 21, Cost Principles for Educational Institutions;
- OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;
- OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;
- OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and
- OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee, additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: www.whitehouse.gov/omb/circulars.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed itemization forms provided by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported

1217
expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

APPENDIX C

PAYMENT AND REPORTING SCHEDULE

1217

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.
2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted within 45 days of the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.
3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Finance with its final fiscal cost report within 45 days of termination of this grant contract.
4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see <http://www.criminaljustice.state.ny.us/ofpa/forms.htm>). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.
5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law (<http://caselaw.lp.findlaw.com/nycodes/c113/a19.html>). Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Finance in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue, vouchers will not be eligible for prompt payment.
6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services
Office of Finance
4 Tower Place
Albany, NY 12203-3764

DCJS reserves the right not to release subsequent grant awards pending Grantee compliance with this Agreement. In the event that any expenditure for which the Grantee has been reimbursed by grant funds is subsequently disallowed, DCJS in its sole discretion, may reduce the voucher payment by the amount disallowed. If necessary, the Grantee may be required to submit a final budget reallocation. Publications: The implementing agency will submit to DCJS for review all proposed publications (written, visual or sound) prior to their public release. Any such publications shall contain the following statement... "This project is supported by a grant from the New York State Motor Vehicle Theft and Insurance Fraud Prevention Board."

The following special conditions apply to contracts with county or municipal governments as appropriate: Participating law enforcement agencies that are funded by DCJS to conduct drug, firearms or vehicle theft or vehicle related insurance fraud investigations shall register with SAFETNet. Participation in SAFETNet obligates the registered agency to submit information regarding persons or addresses under active investigation in accordance with SAFETNet standard operating procedures. In addition, the agency agrees to participate in the Upstate New York Regional Intelligence Center (UNYRIC) or the New York/New Jersey High Intensity Drug Trafficking Area Regional Intelligence Center (NY/NJ HIDTA RIC) as appropriate.

Law enforcement agencies are required on a monthly basis to submit a data extract file for the target jurisdiction to DCJS for crime mapping. Grantees may request a temporary waiver of the mapping requirement if this condition would prohibit the immediate implementation of this project. Information regarding the New York State Crime Mapping System can be made by calling the Customer Contact Center at 800-262-3257.

All criminal justice information management software which a grantee may purchase or develop with funds provided under the terms of this agreement must conform to established New York State criminal justice data standards as documented in the most current version of the New York Statewide Criminal Justice Data Dictionary. October 26, 2010

Dear VAWA Grantee:

I am pleased to announce that your organization will receive continued funding under the Federal STOP Violence Against Women (VAWA) grant program. This initiative is being supported with New York State's FFY 2010 STOP award which was appropriated in the 2010-2011 State Budget.

Please be aware, in these times of serious fiscal crisis in New York State and the nation there is no guarantee of future funding for this program. All grantees should make every effort to manage funds efficiently and seek ways to sustain their program with other resources wherever possible. We are pleased to have been able to provide funding assistance this year for your program.

The VAWA Program Representative assigned to your project will contact you in the very near future. At that time, you will receive guidance on how to proceed with your application. Simultaneously, agencies should discuss with your Representative any proposed changes to the 2010 contract goals and objectives prior to submitting your application. It is important to ensure your work plan is realistic and can be achieved within your contract period.

Congratulations on your award! Thank you once again for the work you are doing to help prevent violence against women.

Very truly yours,

Sean M. Byrne

Question #6

Current activities: Discuss the project activities, current efforts and accomplishments of your program over the past year. Ensure it contains recent and relevant data. Relate how your workplan has demonstrated success or failure.
(Limit - two pages, double-spaced with a 12 pitch font and one inch margin copied from a Microsoft Word document.)

Answer

VIBS provided sexual assault victim treatment to 44 persons at SANE centers at Good Samaritan Hospital, Peconic Bay Medical Center and Stony Brook University Medical Center. SANE centers are staffed by NYS SAFEs. SANEs encouraged 30 victims to report an assault to law enforcement and advise them of the 30 day mandatory hold of their evidence. VIBS Emergency Room Companion Program provided services to 44 persons. The ERCs work 24 hours per day, 7 days per week, unless there are

extenuating circumstances, i.e., two patients having an exam at the same time. VIBS provided community education regarding the specialized sexual assault services available to the community. VIBS provided 5 presentations with a total of 160 audience members. The Retreat sent out 5 eblasts to over 6600 people and 148 brochures in English and Spanish to medical facilities and a community event. 158 VIBS provided community education regarding the specialized sexual assault services available to the community. At The Retreat, 41 of the 372 hotline calls received were assisted by funded staff. The Retreat sent 5 eblasts to over 6600 recipients. Grant funded staff from SCCADV received 3 hotline calls, did one presentation, and received 247 visits to their website which is available in English and Spanish. Grant funded staff provided domestic violence victims with advocacy as follows: (Current/Prior/ YTD). VIBS total: 13/0/13; Underserved: 13/0/13. Retreat total: 52/0/52; Underserved: 16/0/16. SCCADV total: 43/0/4 Underserved: 2/0/2. Grant funded staff provided domestic violence victims with advocacy as follows: (Current/Prior/ YTD). VIBS total: 10/0/10; Underserved: 9/0/9. Retreat total: 16/0/16; Underserved: 3/0/3. SCCADV total: 0/0/0; Underserved: 0/0/0.

Question #7

Future activities: If refunded, describe your plan for continuing the program in the upcoming year, including any proposed changes. Demonstrate how the objectives are clearly defined, challenging, realistic and relate to the goal(s) of the project. Explain how the tasks relate to the objectives, how the performance measures are measurable, specific and relate to the objectives/tasks and the project demonstrates improvement of the criminal justice response to violence against women.

(Limit - two pages, double-spaced with a 12 pitch font and one inch margin copied from a Microsoft Word document.)

Answer

The program will continue as described in the workplan. This year the workplan was revised to include objectives for each service provider agency rather than general program objectives. This makes it easier to follow the tasks and performance measures for each agency. All of the tasks and performance measures have been clearly defined in measurable terms. Since they are for each agency the reporting of outcomes will be easier. The project has added Brighter Tomorrows as another victim service agency. Brighter Tomorrows works in collaboration with the other 3 victim's service agencies to provide comprehensive services throughout the county. The improvements from last year will give the county a improved response to victims of domestic violence

Question #8

Sustainability: Although most of the currently funded projects have been receiving VAWA funding for several years, the original purpose of these awards were to provide start-up funds. Due to a steady decrease in Federal funding, it is imperative that projects create and/or enhance their sustainability plans to continue operation of existing projects should the funding no longer be available. Provide a detailed plan for continuation of your project if in two years, STOP VAWA funds are no longer available. Describe how the existing project will be maintained and supported without federal VAW funds.

(Limit - one page, double-spaced with a 12 pitch font and one inch margin copied from a Microsoft Word document.)

Answer

The four victim service agencies are dependent upon grants and fundraising to keep providing services. Without VAWA funding, they will have to seek additional funds through fundraising efforts of other grants. The sustainability will be difficult and all efforts will be made by the county to assist the agencies in seeking other sources of funding.

Question #9

DCJS must certify that: "tribal, territorial, State, or local prosecution, law enforcement, and courts have consulted with tribal, territorial, State or local victim services programs during the course of developing their grant applications in order to ensure that proposed activities and equipment acquisitions are designed to promote the safety, confidentiality, and economic independence of victims of domestic violence, sexual assault, stalking and dating violence."

VAWA defines a victim services program as "a nonprofit, nongovernmental organization that assists domestic violence, dating violence, sexual assault, or stalking victims, including rape crisis centers, domestic violence shelters, faith-based organizations, and other organizations with a documented history of effective work concerning domestic violence, dating violence, sexual assault or stalking."

This Federal language mandates that you must consult with the victim services organization in your county during the course of developing your application. Therefore, all public or municipal agencies are required to submit as a part of this application the certification letter found in Addendum D.

Answer

The grant is operated by the 4 victims services agencies in the county thus ensuring that "the proposed activities and equipment acquisitions are designed to promote the safety, confidentiality, and economic independence of victims of domestic violence, sexual assault, stalking and dating violence."

Intro. Res. No. -2011
Introduced by Legislator Cilmi

Laid on Table 3/8/11

**RESOLUTION NO. -2011, ADOPTING LOCAL LAW
NO. -2011, A LOCAL LAW TO SUNSET LIVING WAGE
SUBSIDIES**

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on , 2011 a proposed local law entitled, "**A LOCAL LAW TO SUNSET LIVING WAGE SUBSIDIES**"; now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. -2011, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO SUNSET LIVING WAGE SUBSIDIES

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk enacted a Living Wage Law in 2001 to require businesses receiving grants, loans, tax incentives, contracts and other forms of compensation from the County to pay their employees a wage sufficient to support a family.

This Legislature determines that the Living Wage Contingency Fund was established to help contract agencies, on a temporary basis, transition to paying employees a living wage while continuing to deliver important services.

This Legislature finds that the "transitional financial assistance" first offered to contract agencies in 2002 is evolving into a permanent taxpayer financed subsidy. More than \$450,000 was paid out of the Living Wage Contingency Fund in 2009 and again in 2010.

This Legislature further finds that the Living Wage Law presently makes a special allowance for child-care providers allowing them to pay their employees a lower hourly wage than all other contract agencies.

This Legislature finds that the time has come to phase-out the Living Wage Contingency Fund.

Therefore, the purpose of this law is to bar the use of County funds for living wage compliance after December 31, 2011.

Section 2. Repeal.

Section 347-15 of the SUFFOLK COUNTY CODE is hereby repealed.

Section 3. Prohibition.

No County funds shall be used to provide financial assistance to any contract agency in order to meet increased payroll expenses associated with Living Wage Law requirements.

Section 4. Applicability.

This law shall apply to actions occurring on or after the effective date of this law.

Section 5. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 6. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 7. Effective Date.

This law shall take effect January 1, 2012.

Following the enactment of the Living Wage Law in 2001, the County established a Living Wage Contingency Fund to help not-for-profit corporations and child care providers meet increased payroll expenses associated with the law's requirements.

This proposed law would phase out the Living Wage Contingency Fund and bar the County from providing financial assistance to contract agencies to meet Living Wage Law requirements.

This law will take effect January 1, 2012.
