CHAIRMAN CRECCA:

Good morning, folks. It's 10:15 a.m. This is a joint public hearing of the Finance Committee, the Budget Committee and the Ways and Means Committee on the Capital Budget for 2003. Sorry, I had my years mixed

up there. Thank you, Maxine. I will call the meeting to order and ask that Legislator Postal lead us in the Pledge.

SALUTATION

LEG. CRECCA:

Please be seated. I can for those -- well, it looks like everybody here is in government or most people, but -- no, we have one who is not. But I can tell you we have been working diligently on the Capital Budget and trying to take a close look at it. Let me open this up, it is a public hearing. Is there anyone here from the public who wishes to speak? This is a heck of a hearing. Is there anybody from either the County Executive's Office, the Comptroller's Office or the Treasure's Office who wishes to be heard? There being no witnesses to testify, then there is really -- I'll entertain a motion from Legislator Nowick to close the public hearing, seconded by Legislator Postal. All those favor? Opposed. This public hearing is closed.
