CHAIRMAN ALDEN:

Good morning. We'll start the Consumer Protection Committee meeting with the pledge; Legislator Haley will lead us.

Salutation

Thanks. And actually we were supposed to have a presentation today, I was just recently informed that it canceled out. So we have one tabled resolution, 1696-02 (P) - Adopting Local Law No. 2002, a Local Law to toughen fines for items pricing violations within Suffolk County (Alden).

I'm going to make a motion to table that, seconded by Legislator Nowick. All those in favor? Opposed? 1696 is tabled again (VOTE: 5-0-0-0).

Everything else on our agenda is tabled subject to call, so unless somebody else has something that they want to go into right now, we're done with this meeting. Thank you very much.

(*The meeting was adjourned at 11:39 A.M.*)

Legislator Cameron Alden, Chairman
Consumer Protection & Government Operations Committee
