THE MEETING WAS CALLED TO ORDER AT 12:40 PM

1  
2  
3 **CHAIRPERSON MARTINEZ:**

4 Good afternoon, ladies and gentlemen. Welcome to today's Education  
5 and Human Services Committee. If we could all rise for the Pledge  
6 of Allegiance to be led by Legislator Hahn.

7  
8 **SALUTATION**

9  
10 Thank you. Okay, we do not have any correspondence today. Madam  
11 Clerk, any cards?

12  
13 **MS. ELLIS:**  
14 No, ma'am.

15  
16 **CHAIRPERSON MARTINEZ:**

17 Thank you. Is there anyone in the audience that would like to  
18 speak before the Committee? We have Ben Zwirn from Suffolk County  
19 Community College.

20  
21 **MR. ZWIRN:**

22 Thank you, Madam Chair. I had an opportunity to speak to some of  
23 the members earlier today at the Budget & Finance Committee  
24 meeting. I wanted to, again, extend our thanks for the support  
25 that we had for the Health and Wellness Facility via CN at the last  
26 general meeting.

27  
28 As you are aware by now, the State did put up the matching funds.  
29 We were the only community college to get anything in the budget at  
30 that late date because Suffolk County Legislature had shown their  
31 support with that resolution; the only way it would move forward.  
32 So without your support, this would not be happening this year. On  
33 Thursday of this week the Board of Trustees is going -- is going to  
34 award the contract to the lowest bidder and hopefully soon  
35 thereafter this will be -- project will be underway and hopefully  
36 by next year we'll be using that facility.

37  
38 I also want to thank the County Legislature, the Clerk's Office,  
39 who did a terrific job because we had to not only get this thing  
40 approved, we had to get it signed and sent up to Albany right away  
41 so all the paperwork was done. So the Clerk's Office did a  
42 terrific job, and also the County Executive for sending over the CN  
43 in the first place, because without that there would have been no  
44 mechanism for us to get this all done.

45  
46 So there's a lot of people doing a lot of things to help the  
47 college get this forward. And, you know, as we said in the  
48 Veterans Committee meeting, Legislator Barraga mentioned that  
49 there's a lot of rehab going on with the veteran center in  
50 Riverhead that the veterans will have access to this -- this  
51 facility as well to help with rehab, especially swimming pool rehab  
52 can be -- can be enormous especially with leg injuries and things  
53 like that, where they have zero resistance. And, I'm sure, that  
54 we'll be able to work together to make this happen. So this will  
55 be a facility that be used by everybody and I think everybody will  
56 be very proud when it's all done.

1 But, again, I just wanted to come and say thank you because a lot  
2 of times you guys do the heavy lifting and nobody says thanks and  
3 it's appreciated.

4  
5 **CHAIRPERSON MARTINEZ:**

6 Thank you, Ben, we appreciate that. I just want to acknowledge  
7 that we do have the Commissioner of Department of Social Services  
8 here. Thank you for -- for being here today.

9  
10 12:42PM Okay, we also have with us a presentation by Little Flower Children  
11 and Family Services of New York. We have with us Corinne Hammons,  
12 CEO and Maureen Fox, VP of External Relations. They're here today  
13 just to brief us on the work that they do; and just so we as  
14 Legislators know that they're out there and if we need their  
15 assistance, they're more than welcome to help out. Welcome.

16  
17 **MS. HAMMONS:**

18 Good afternoon, Members of the Committee. Can you hear me okay? I  
19 am Corinne Hammons, CEO of Little Flower Children and Family  
20 Services of New York.

21  
22 **MS. FOX:**

23 I'm Maureen Fox, VP of External Relations and Communications at  
24 Little Flower.

25  
26 **MS. HAMMONS:**

27 Thank you very much for the invitation to speak today about Little  
28 Flower. We were founded in 1929 by Monsignor Bernard Quinn, a  
29 Catholic priest from Brooklyn, who was looking for a safe place for  
30 the children in his parish. And the place he found was 117 acre  
31 campus in Wading River where we still do our work today. We opened  
32 the doors to the first child, Walter Smith, on August 30th, 1930.

33  
34 Our mission is to help the most vulnerable children and adults in  
35 New York City and Long Island. Since our inception, we have  
36 provided much needed services within our region. We have locations  
37 in Brooklyn and Queens. We just recently opened a residential home  
38 in Nassau County for adults with developmental disabilities. And  
39 we have a significant presence in Suffolk County both in Wading  
40 River and in Hauppauge. In fact, of our 621 employees, almost 400,  
41 395 work in Suffolk County. And we serve a total of 405 clients in  
42 Suffolk County. We spend just over -- just under \$20 million a  
43 year in programs and services benefitting the residents of Suffolk.

44  
45 I'd like to give you an overview of our five major programs so you  
46 can see how we might be able to help your constituents. First is  
47 our Cornerstone Program, the Foster Boarding Home Program. It's  
48 primarily located in Brooklyn and Queens with a smaller program in  
49 Suffolk County serving youth with more therapeutic needs. And  
50 that's funded primarily by OCFS. The goal is to care for children  
51 who are separated from their homes while we work toward family  
52 reunification. We recruit foster parents who best meet the needs  
53 of the children we serve. For example, LGBTQ-affirming parents,  
54 parents interested in caring for infants, parents who can take  
55 multiple siblings and Spanish-speaking parents are some of just --  
56 some of the diverse expertise we have in our network.

1 Safety and care are our primary goals. We provide training and  
2 support for foster parents before, during and after a child is  
3 placed in their home to maximize opportunities for success as  
4 parents and role models. We provide multiple opportunities for the  
5 youth themselves to help them succeed. For example, we have a  
6 mother and baby foster care program allowing a pregnant teen or  
7 teen mom to keep her child with her in the foster home. And an  
8 extensive array of services through our Preparing Youth for  
9 Adulthood Program including life skills training; vocational skill  
10 development; employment training and internships and assistance  
11 with job search and securing employment; positive relationship  
12 building and network opportunities; self esteem and self-awareness  
13 workshops and post-high school scholarships. Mentoring  
14 opportunities are available, particularly with our youth in the  
15 residential treatment center in Wading River and our youth heading  
16 off to college and some of our high school teens.

17  
18 Our second major area of service is services for adult individuals  
19 with developmental delays mostly funded by State OPWDD. We have  
12:46PM 20 eight residential programs throughout New York City and Long  
21 Island. Our three residential programs in Wading River have 26  
22 individuals living there, 19 of whom are from Suffolk County  
23 originally. We also have a very innovative Day Habilitation  
24 Program in Wading River serving 13 individuals, all of whom are  
25 from Suffolk County. Outside of campus we provide medical service  
26 coordination to over 300 individuals in the community throughout  
27 the region, 171 of whom are in Suffolk County.

28  
29 Our third major program is an innovative partnership between OCFS  
12:46PM 30 and the Department of Health called Bridges to Health. It provides  
31 wraparound services to foster care clients throughout Nassau and  
32 Suffolk County; 67 children were referred who are currently served  
33 by Suffolk DSS. And we really appreciate that the Commissioner is  
34 here today and we value the partnership very much. And we have 79  
35 kids in that program residing in Suffolk County.

36  
37 Our fourth major program also stems from DOH and OCFS called Health  
38 Homes. It rolled out in December. We provide care management to  
39 help children get access to critical health care and services that  
40 support their well-being.

41  
42 Little Flower's part of a larger collaborative of 35 child-serving  
43 agencies in the region. Through this collaborative we have access  
44 to an extensive network of medical and behavioral health providers.  
45 Thirty-eight kids are served in Suffolk for this program; 21 of  
46 whom are from Suffolk County.

47  
48 And last but not least, I'd love to tell you about our residential  
49 treatment center in Wading River. And we welcome you to come for a  
12:47PM 50 visit. Legislator Anker was just out visiting us and, I think, had  
51 a really good time. That's funded by a number of sources including  
52 OCFS and through Suffolk County CSE programs in Nassau as well. We  
53 have 90 kids living on campus right now, 57 of whom grew up in  
54 Suffolk County.

55  
56 The RTC is set up like a village with eight to fifteen bedroom

1 cottages that have individual kitchens and dining rooms. The  
2 treatment team consists of social workers, mental health staff,  
3 childcare staff, educators, medical professionals, a recreational  
4 specialist and an occupational therapist. We have medical and  
5 mental health right on campus.

6  
7 We formulate individual treatment plans for each young person to  
8 address their specific needs. Our Inner Lights Program is a  
9 specialized program within the RTC that addresses the special needs  
10 of hard to place youngsters with medical and psychiatric histories.  
11 Their clinical diagnosis may include autism spectrum disorder or  
12 mild developmental delays with an impulse control, anxiety,  
13 psychotic, mood or learning disorder diagnosis as well.

14  
15 We're very fortunate to the have the Little Flower Union Free  
16 School District on campus, which is, as many of you know, a New  
17 York State specialized school district. The relationship with the  
18 school is very collaborative and inclusive. We strive to work to  
19 achieve the best outcomes for our youth by mirroring our treatments  
20 and programs between the agency and the school.

21  
22 On-campus opportunities for recreation and play abound. For  
23 instance, at our Conway Recreation Center, we have a  
24 state-of-the-art indoor rec room with pool tables, foosball,  
25 high-end video equipment and computers. We have a school gym that  
26 is open for after-school activities including basketball and yoga;  
27 a large field for games and other outdoor activities; music and  
28 dance programs; several vocational training programs including an  
29 award-winning Culinary Arts Program. And the kids from that  
30 program run our campus cafe, which is open every Tuesday and  
31 Thursday; gardening and horticultural opportunities and bike riding  
32 in local parks in the community.

33  
34 We're in the process of transforming the historic buildings on our  
35 campus to accommodate additional program and recreational learning  
36 opportunities. The school district is about halfway through  
37 building an addition on their building and we're in line for a  
38 grant upgrade for our campus playground to better meet the needs of  
39 the current older population with limited abilities.

40  
41 Overall at Little Flower it's a very exciting time. We're in the  
42 first year of a three-year strategic plan and looking forward to  
43 expanding our services and programs throughout the region, but --  
44 we focus on safety and stability to those we serve no matter what  
45 challenges they face. And, I want to say in particular, so much of  
46 what we do based is based on the partnership within DSS. And the  
47 two staff people we work with most closely are Michael Licata and  
48 Tama Schnetzer who are both so responsive to the needs of the  
49 children and our -- our partnership.

50  
51 So thank you for the opportunity to speak today. And Maureen and I  
52 are happy to answer any questions.

53  
54 **CHAIRPERSON MARTINEZ:**

55 Thank you. I'm not sure if anyone had the opportunity to look at  
56 the -- the folders that you provided but you do a lot for, you

1 know, our young individuals so I thank you for that. I actually  
2 particularly like the award that was given for the cooking, the  
3 Iron Chef. That's pretty neat, so thank you. Are there any  
4 questions?

5  
6 **LEG. BARRAGA:**  
7 How many children in the preschool program?

8  
9 **MS. HAMMONS:**  
10 In the -- on the --

11  
12 **LEG. BARRAGA:**  
13 On the campus.

14  
15 **MS. HAMMONS:**  
16 On the campus. At the school there are about 120 kids in school,  
17 90 who live with us and then a variety of day students. And they  
18 range in age from 3rd grade up until 12th grade.

19  
20 **LEG. BARRAGA:**  
21 The preschool program is what age group?

22  
23 **MS. HAMMONS:**  
24 We don't have young kids.

25  
26 **LEG. BARRAGA:**  
27 You don't have young kids.

28  
29 **MS. HAMMONS:**  
30 No.

31  
32 **LEG. BARRAGA:**  
33 And those children who are educated, are they part of the school  
34 district or is that separate -- -

35  
36 **MS. HAMMONS:**  
37 Right. So let's take the kids who live on campus, the majority  
38 come through us through a -- a CSE Program. They're educated at  
39 the school in the Special Ed school district. And then they go  
12:51PM 40 home to Little Flower at night, just walk across -- across the path  
41 to their cottage and live with us so it's really wrap around  
42 services.

43  
44 **LEG. BARRAGA:**  
45 So they're part of the overall school district in that particular  
46 area --

47  
48 **MS. HAMMONS:**  
49 Right.

50  
51 **LEG. BARRAGA:**  
52 And funded with state aide, and whatever, the school tax portion of  
53 the property tax, right?

54  
55 **MS. HAMMONS:**  
56 Exactly.

1 **LEG. BARRAGA:**  
2 What district is that?

3  
4 **MS. HAMMONS:**  
5 So Little Flower's its own union free school district.

6  
7 **LEG. BARRAGA:**  
8 Oh, its own.

9  
10 **MS. HAMMONS:**  
11 But the money can flow, say we have a referral from someone in the  
12 Riverhead community, the money can flow from that school district  
13 to support some of the activities --

14  
15 **LEG. BARRAGA:**  
16 Oh, I see, okay, thank you.

17  
18 **CHAIRPERSON MARTINEZ:**  
19 Legislator Browning.

12:52PM

20  
21 **LEG. BROWNING:**  
22 Hi. I had a great visit with you guys a while ago. And I know  
23 that with the Sheriff's Department I don't think you really talked  
24 a lot about what you've been doing with the Sheriff's Department  
25 with the 16 -- are you -- how's that going? Are you still getting  
26 any kids from -- from the jail that are now being released? Can  
27 you give us some info on that?

12:52PM

28  
29 **MS. HAMMONS:**  
30 Maureen may be able to speak a little more to the history since  
31 I've only been around for two years but just to talk broadly about  
32 the relationship with the community, that's been a top priority.  
33 We don't want to be an organization behind gates and so we really  
34 tried to reach out in terms of elopement from our -- our site out  
35 into the community. That's very rare these days and our  
36 relationship not just with law enforcement but also with police and  
37 fire is very strong. I don't know if you know the history of what  
38 -- the question.

39  
40 **MS. FOX:**  
41 No, no, I do know several years back that we did have a program  
42 going with the Sheriff. It is no longer going mostly because our  
43 -- the residents in the residential treatment center are more this  
44 Inner Lights population, which is harder to place, have autism  
45 spectrum and the two populations aren't necessarily copacetic, so I  
46 think this, you know --

47  
48 **LEG. BROWNING:**  
49 I get it.

50  
51 **MS. FOX:**  
52 It kind of went away a little bit. I'm not so sure that the  
53 Sheriff's Department actually either was even looking for any more  
54 referrals at the time, so.

55  
56

1 **LEG. BROWNING:**

2 Oh, okay. No, it's -- and I know that he's been doing so much work  
3 and --

4  
5 **MS. FOX:**

6 Right.

7  
8 **LEG. BROWNING:**

9 -- reducing the recidivism so I'm assuming he's gone over -- I'll  
10 be talking to him. Thank you.

11  
12 **CHAIRPERSON MARTINEZ:**

13 Legislator Kennedy.

14  
15 **LEG. KENNEDY:**

16 Thank you for coming today. I -- the last time I was at Little  
17 Flower was a lot of years ago. And back then you did a marvelous  
18 job. From what I have been hearing, you continue with that. You  
19 have changed with the times as necessary with diagnoses, you are  
20 doing just a marvelous job and we all commend you for your service.

21  
22 **MS. HAMMONS:**

23 That really means a lot and I'll let the staff know as well.

24  
25 **LEG. KENNEDY:**

26 Thanks.

27  
28 **CHAIRPERSON MARTINEZ:**

29 Thank you. Any other questions? Okay, so thank you for being  
30 here. I will definitely schedule a visit.

31  
32 **MS. HAMMONS:**

33 Please do and send referrals our way. Thank you.

34  
35 **CHAIRPERSON MARTINEZ:**

36 Will do.

37  
38 **INTRODUCTORY RESOLUTIONS**
