PUBLIC SAFETY COMMITTEE
Of the
Suffolk County Legislature
Minutes

A regular meeting of the Public Safety Committee of the Suffolk County Legislature was held in the Rose Y. Caracappa Legislative Auditorium of the William H. Rogers Legislature Building, 725 Veterans Memorial Highway, Smithtown, New York on Thursday, May 11th, 2016 at 9:30 a.m.

Members Present:

Legislator Kate Browning - Chairperson
Legislator Robert Calarco - Vice-Chair
Legislator Kara Hahn
Legislator Tom Cilmi
Legislator Leslie Kennedy
Legislator William Spencer
Legislator Monica Martinez

Members Not Present:

Legislator Bridget Fleming

Also In Attendance:

Presiding Officer DuWayne Gregory - District #15
Legislator Robert Trotta - District #13
George Nolan - Counsel to the Legislature
Amy Ellis - Chief Deputy Clerk/Suffolk County Legislature
John Ortiz - Senior Budget Analyst/Legislative Budget Review Office
Rob Conti - Aide to Presiding Officer Gregory
Paula Godlewski - Aide to Legislator Browning
Alysa Turano - Aide to Legislator Hahn
Ali Nazir - Aide to Legislator Kennedy
Elizabeth Alexander - Aide to Legislator Spencer
Liz Sutton - Aide to Legislator Fleming
Maria Barbara - Aide to Legislator Cilmi
Katie Horst - Director-Intergovernmental Relations/CE's Office
John Marafino - County Executive Assistant
Jason Hahn - County Executive Assistant
Valerie Smith - County Attorney's Office
Lieutenant Robert Scharf - Lieutenant/Staff Services Bureau/SCPD
Mike Homan - Lieutenant/Chief of Department's Office-SCPD
Kerri Souto -Director of Government Relations/SC Police Comm Office
Mike Postel - Director of Police Communication Systems/SCPD
Patrice Dlhopsky - Director/Suffolk County Probation Department
Michael Sharkey-Chief Deputy Sheriff/Suffolk County Sheriff's Office
Anthony Papparatto - Chief of Staff/Suffolk County Sheriff's Office
Mike Franchi - Warden/Suffolk County Sheriff's Office
Chris Brockmeyer - Captain/Suffolk County Sheriff's Office
Ron Schmitt - Chief-PSD/Suffolk County Sheriff's Office
Patrice Dlhopsky - Director/Suffolk County Probation Department
Joe Williams - Commissioner/Fire, Rescue & Emergency Services
John Jordan - Deputy Commissioner/Fire, Rescue & Emergency Services

1 Tim Crafts - Chairman/Suffolk County FRES Commission
2 Lou Tutone - 1st Vice-President/Suffolk County PBA
3 Lou Civello- 5th Precinct Trustee/Suffolk County PBA
4 Jim Roddin - Trustee/Superior Officer's Association
5 George Michael- Trustee/Suffolk Detective's Association
6 Joe Callari - Vice-President/AME
7 Margaret Bianculli - Resident of Farmingville
8 Michael McDermott - Suffolk County Libertarian Party
9 Stephen Ruth -Resident of Centereach
10 All Other Interested Parties

11
12 **Minutes Taken By:**

13 Alison Mahoney - Court Stenographer

14
15 ***(*The meeting was called to order at 9:50 a.m. *)***

16
17 **CHAIRPERSON BROWNING:**

18 Okay, good morning. We will start our Public Safety Committee
19 meeting. If everyone could stand for the Pledge of Allegiance led
20 by Legislator Cilmi.

21
22 ***Salutation***

23
24 And as always, a moment of silence for those who defend our country
25 at home and abroad. And this is National Police Week, so let's
26 keep in mind also our law enforcement members who have been killed
27 in the line of duty.

28
29 ***Moment of Silence Observed***

30
31 Thank you. Okay, we have a couple of cards. Okay. And our first
32 speaker is Margaret Bianculli? I'm sorry, Margaret --

33
34 **MS. BIANCULLI:**

35 I'm fine.

36
37 **CHAIRPERSON BROWNING:**

38 -- if I couldn't say your name right.

39
40 **MS. BIANCULLI:**

41 Well, I'm back again on the alarm bill to give you an update. I
42 have now removed my alarm. I have holes in my walls and my
43 ceiling. And I will be presenting you with an updated bill from
44 the \$7,000 you owe me to add another 640 and a possible \$150 if my
45 appeal does not -- if my appeal fails. Because on -- I'll just
46 reiterate. I was burglarized on April 4th; Saturday, April 15th my
47 alarm was installed; Saturday, April 15th I had my first "*false*",
48 and I put it in quotes, alarm, because there's no way that we know
49 that it's a false alarm. In fact, over the weeks since I've been
50 here last and that alarm, I went back to look at my shed and I've
51 noticed that my shed does seem like there was some attempt, because
52 we've changed the locks and dead-bolted it and stuff. So there's
53 no way for us to know whether or not it was a false alarm.

1 I went to register on April 17th, like a good, law-abiding citizen,
2 and while I was there I saw angry citizens, there were three of
3 them waving envelopes with their fines, and that's when I first
4 found out about the fine. I first found out about the registration
5 from my alarm company after they installed the alarm as he was
6 walking out the door. So when I got back from Yaphank, I did not
7 register because when I went back from Yaphank I called my alarm
8 company, which was Mercury, and I told them to suspend my alarm
9 until I decide what to do or how I'm going to handle this, and so
09:52AM 10 my alarm was suspended two days after I had paid for and had it
11 completely installed.
12

13 Finally, by May 5th they were able to come. We were, you know,
14 running back and forth to doctors, as I shared with you the last
15 time, the health issues we're having in my home. By May 5th they
16 came and they took my alarm system out, so now everybody knows
17 publicly that my home is vulnerable. But I will tell you, do not
18 attempt to come to my home when I'm home and take something that's
19 not yours or something that I do not want to give to you.

09:53AM 20
21 And I really resent those of you who have voted for this law.
22 There's no way the police can determine if my alarm is a false
23 alarm or not. And I am a responsible resident, and I'm sorry for
24 all of us and our tax dollars that we have to worry about those who
25 may be more irresponsible than most of us are. But the police
26 every day, multiple times in a day, have to make a decision on what
27 call to go to, what's the most important. Is it an alarm call or a
28 heroin overdose, which one am I going to go to? It might get a
29 little more difficult if you're going to decide whether I'm going
09:54AM 30 to have a -- go to a woman giving birth or a heroin overdose; those
31 might get a little more difficult, but the police have to make
32 those kind of decisions every day, multiple times in a day. Now I
33 have had to make a decision to allow my home and property to be
34 vulnerable, and I have to come to you and I look at you as being
35 culpable and part of the criminals, part of those who are stealing
36 from me, not only in fines and registrations, but also from a loss
37 of more than \$7,000 in property, and if I were there, possibly my
38 person. So I resent this and you need to do away with that law
39 altogether, if you can't do something to relieve us.

09:55AM 40
41 *(*Legislator Spencer entered the meeting at 9:55 a.m. *)*
42

43 **CHAIRPERSON BROWNING:**

44 Margaret, thank you for coming in. I will let you know that the
45 Chief was to come and he asked, out of courtesy, that I would table
46 the bill for this cycle, and it will be back up again in two weeks.
47 I know we talked before, you gave your information to Kerri, so
48 they will reach out to you to resolve the issue that you had.
49

09:55AM 50 **MS. BIANCULLI:**

51 Uh-huh.
52

53 **CHAIRPERSON BROWNING:**

54 You know, I tried to lessen the impact, but it was unsuccessful.
55 And I think that not requiring anyone to reregister I think is
56 fair. Now, I do believe -- did the alarm company tell you that you

1 can have the alarm but that you don't have to have that call go to
2 the Police Department; did they give you that information?

3
4 **MS. BIANCULLI:**

5 Yes, they did. As we discussed this, I've tried all different
6 kinds of ways. My issue, it boils down to one very, very simple
7 thing; if I'm in Maryland with my grandchildren, who also are
8 having health issues -- they're beautiful twins -- but if I'm in
9 Maryland and my alarm goes off, there is no way that I can say, *No,*
09:56AM 10 *don't call the police.* Because every time that alarm goes off and
11 I say, *Don't call the police,* I don't have an alarm. I don't have
12 use of the alarm. So yes, they did explain that to me as we're
13 trying to discuss it and they were saying, *Well, we live with this*
14 *and we find out, as we have the alarm more and more, we don't have*
15 *those false alarms.* Well, I say, *Thank you very much. I had my*
16 *alarm on day one, didn't have a chance to register between a*
17 *Saturday and a Monday, I got hit with a \$150 fine.*
18

19 Now, the same thing will happen, the police come to my house. I'm
09:57AM 20 right bordered on a school, I have thousands of illegal aliens in
21 my community, of which over these years I personally never had any
22 trouble with except on the corners as we were fighting many years
23 ago. But -- and that's a whole different issue. But we do have a
24 big heroin epidemic. Where are our police taking care of that?
25 There are many things happening. So now I'm robbed, I'm
26 vulnerable, I'm robbed and I have no way to protect myself, no way
27 to protect myself, because now I'm scared that I'm going to have --
28 \$150 for me on a fixed income is a lot of money; \$50 to me is a lot
29 of money. And you've taken that opportunity and ability for me and
09:57AM 30 my neighbor, because my neighbor across the street has stopped his
31 alarm also, he won't come because he's afraid, and why fight City
32 Hall?
33

34 **CHAIRPERSON BROWNING:**

35 Well, Margaret, thank you for coming, because I think it is
36 important to hear from our constituents, and I appreciate you
37 coming in. But like I said, we will table it this cycle.
38

39 **MS. BIANCULLI:**

09:58AM 40 It's okay.
41

42 **CHAIRPERSON BROWNING:**

43 In a few weeks we will -- I will be voting for it and making that
44 motion to approve it, and I'm hoping that my colleagues will
45 support it.
46

47 **MS. BIANCULLI:**

48 Well, in the least that's wonderful. However, for me, that still
49 doesn't get me my alarm back and my protection back. And I am
09:58AM 50 going to submit this, leave this for you --
51

52 **CHAIRPERSON BROWNING:**

53 Yes.
54
55
56

1 **MS. BIANCULLI:**

2 -- or whoever wants the copies. And this is my favorite page,
3 nobody has called me and said, *We're not going to pay this*. Nobody
4 has called to negotiate it with me. So I am fining you \$7,829.14,
5 which of course a part of that comes out of my pocket because I'm a
6 taxpayer and this is done by taxpayers. But that's okay, I'll do
7 that share.

8
9 **CHAIRPERSON BROWNING:**

10 Thank you, Margaret.

11
12 **MS. BIANCULLI:**

13 And thank you for people like you and some others who are actually
14 trying to look at this reasonably. Sometimes we have to take sour
15 with the sweet, and we just have to not penalize us as we're trying
16 to protect our property, and that's your job to help us do that,
17 not to take it away from us. Thank you.

18
19 **CHAIRPERSON BROWNING:**

20 Thank you, Margaret. Next speaker is Michael McDermott.

21
22 **MR. McDERMOTT:**

23 Good morning. I'm very happy that this is now an interactive thing
24 because I would really like comments from you also, so thank you
25 for that.

26
27 This young lady, I certainly support her position on the alarms.
28 However, the heroin Opioid problem is epidemic in Suffolk County,
29 all over the country they're saying that. We have Senator Phil
30 Boyle who represents the task force to handle this problem, and now
31 he's running for Sheriff; are you kidding? I know that's got
32 nothing to do with you at the moment, but man. I have a very close
33 family member who came home one year ago two days ago and found her
34 boyfriend dead on the kitchen floor. He had been fighting heroin
35 for a long time, and then when the high wasn't good enough they --
36 they found that he had laced it with Fentanyl. Now they have a
37 drug called Narcan that's supposed to revive somebody who stops
38 breathing, so there are some tools that can be used if used
39 properly.

40
41 Unfortunately the addicts all have it, because it's free, and what
42 they do is they just revive each other so they can continue to have
43 a high. I don't know if any of you realize this sort of thing, but
44 it's a major, major problem. And it's hit home close to me, as
45 well as many of my friends, shockingly, people you'd never even
46 know. So it's not just addicts. Addicts are treated like
47 criminals when they should be treated with love and compassion and
48 find out what the problem is and do something for them. Sending
49 them to South Oaks for 30-days and then they come out does nothing
50 for them. It seems like the problem just wants to be put in the
51 back, but it's not put in the back because people are dying.

52
53 I'm calling -- I'm here to talk about the red light cameras because
54 people are dying. And I don't really understand why you guys
55 aren't really doing something about it. I've heard, *Well, the*
56 *Democrats won't let us, or the Republicans* -- I mean, come on, this

1 is not a Democrat/Republican problem.

2
3 I'm Michael McDermott, I ran for Governor in 2014. I'm a serious
4 guy, I'm the Chair of the Libertarian Party. We have had an
5 overwhelming amount of support and candidates come forward for each
6 of the 18 Legislative Districts, as well as Sheriff, DA and
7 numerous Town offices. I've never seen such an overwhelming amount
8 of support, because something has to be done. We've got to get
9 some people on this body that are going to really stand up and
10 demand over and over and over until the rest of you listen.

11
12 Now having said that, I wanted to give you a couple of facts that
13 you may -- I'm sure you're aware of, but I want to say it anyway
14 because I want it on the record. I just have to open my phone,
15 forgive me. There we go. These are statistics from 2015 which
16 were the only ones that are available. Thirty-one million dollars
17 was generated under the Suffolk Red Light Camera Program in 2015.

18
19 *(Timer Sounded)*

20
21 Only 2.2% of the people answered tickets and scheduled hearings,
22 the rest are trying to earn a living. Only .054% went to trial,
23 only .09% were dismissed at trial. No total default ticket info
24 provided compared to default judgements taken. There's a lot of
25 information you just can't get. Total default unanswered tickets
26 are not revealed to the public. No accident data analysis
27 provided, including pedestrian, bicycle, vehicle collisions; and
28 you know about some of those because we've spoken about it. A
29 Federal investigation in accounting is required because the data
30 used to make the annual reports is exempt from public disclosure as
31 per Suffolk County.

32
33 It has been documented -- I'm almost done. It has been documented
34 over and over again ad nauseam. Suffolk County yellow light times
35 have been shortened to enhance red light running; this requires a
36 Federal investigation by the U.S. Attorney and audit by an outside
37 accounting firm on \$31 million. The program is running an obscene
38 profit about putting lives at risk. Administrative fees of \$30 per
39 ticket obviously is not necessary to offset the cost of the
40 program; because you brought in \$31 million and we don't know where
41 the money is going, and when there is a death, the films
42 mysteriously disappear. I'm telling you, this is a faulty, faulty,
43 flawed program, clearly there just for revenue. And although Rob
44 Trotta put a bill forward, it didn't get out of this committee, and
45 that's shameful of this committee. So I'm asking Rob Trotta to
46 bring it up again and I'm asking you to vote on it, get it to the
47 full Legislature, let them vote on it. Let's put it on the record
48 again and again.

49
50 **CHAIRPERSON BROWNING:**

51 Mr. McDermott, your time is up.

52
53 **MR. McDERMOTT:**

54 Thank you for hearing me.

1 **CHAIRPERSON BROWNING:**
2 Legislator Cilmi, I believe you have a question?

3
4 **LEG. CILMI:**
5 I was just going to ask him to continue the statistics --

6
7 **CHAIRPERSON BROWNING:**
8 *(Laughter)* okay.

9
10 **LEG. CILMI:**
11 -- if he was cut off on the time. But I want to just --

12
13 **CHAIRPERSON BROWNING:**
14 He made his statement, yeah.

15
16 **LEG. CILMI:**
17 He did. I think he finished, yeah.

18
19 **CHAIRPERSON BROWNING:**
10:04AM 20 No, I gave him the time, yeah.

21
22 **LEG. CILMI:**
23 Yeah, I appreciate that. But I do want to point out, the -- I'm
24 not sure what the purpose of the Senator Boyle comment was; with
25 all due respect, certainly.

26
27 **MR. McDERMOTT:**
28 It was concerning the heroin and Opiate epidemic.

29
10:04AM 30 **LEG. CILMI:**
31 He did, in fact, chair a task force, co-chaired a task force with a
32 colleague from Upstate and that task force was successful,
33 actually, in writing and passing a number of great pieces of
34 legislation. That while it has not fixed the crisis for sure, and
35 there are certainly many causes and we've all tried to come at this
36 crisis in many different ways; in fact, I spent a good part of the
37 weekend helping an addict get into treatment. So, you know, it's
38 not something that's going go away overnight, unfortunately,
39 there's no silver bullet. But I know that each of us, regardless
10:05AM 40 of party here, is focused on that crisis, and we've all seen far
41 too many parents who have lost their children, and I know Phil
42 continues to focus on it as well. So for whatever that's worth.

43
44 **MR. McDERMOTT:**
45 Well, it would be worth --

46
47 **LEG. CILMI:**
48 We thoroughly appreciate the gravity of that crisis.

49
50 **MR. McDERMOTT:**
51 Well, it would be worth more -- the same thing with the red light
52 cameras. It would be worth more if you lengthen the yellow lights,
53 as you've proposed. And it would be worth more if people would
54 stop dying and you would pay attention to this sort of thing. And
55 I know you care. I know you all care. But if you don't do
56 anything about it, you can't --

1 **LEG. CILMI:**

2 My point is -- and I don't want to belabor our conversation, but
3 the point is that we are -- with respect to the Opioid crisis,
4 every one of us has been doing, not just talking, but doing on that
5 crisis.

6
7 **MR. McDERMOTT:**

8 Good. You all carry Narcan?
9

10 **LEG. CILMI:**

11 What's that?
12

13 **MR. McDERMOTT:**

14 Do you carry Narcan?
15

16 **LEG. CILMI:**

17 Many of us, I know I've been to at least two Narcan classes and I
18 do have Narcan and I know many of us do.
19

20 **MR. McDERMOTT:**

21 There's a symposium coming up on the 22nd in Ronkonkoma I'm going
22 to post on Facebook, I'll send you a copy of it if you'd like.
23

24 **LEG. CILMI:**

25 Sure. Yeah, I'd appreciate that.
26

27 **MR. McDERMOTT:**

28 There's a lot of good that that could do, but along with the good
29 comes some bad and that's what I'm concerned about.
30

31 **LEG. CILMI:**

32 We encourage our constituents to attend those classes, we attend
33 the classes ourselves. We sponsor those classes. And, in fact,
34 the classes themselves and the fact that many of our first
35 responders are equipped today with Narcan was made possible by a
36 resolution that this Legislature passed that was sponsored actually
37 by Legislator Hahn sitting next to me. So --
38

39 **MR. McDERMOTT:**

40 Good.
41

42 **LEG. CILMI:**

43 You know, in that respect -- listen, you and I completely agree
44 with respect to the red light camera issue. And not only did I
45 propose a bill that would extend the yellow light timings, but
46 also, and I think more importantly, would extend the length of time
47 that the red lights in opposing directions are simultaneously lit.
48 I was sitting at a light yesterday at the intersection of Saxton
49 Avenue and Sunrise Highway, I was under the bridge heading south,
50 and I was at the red light and --
51

52 **CHAIRPERSON BROWNING:**

53 Question?
54
55
56

1 **LEG. CILMI:**

2 Yes, I'll turn this into a question, but I just want to make this
3 point. I was sitting at the red light, the eastbound traffic light
4 turned red, not even two seconds before -- after that light turned
5 red did my light turn green. Now, had I gone right at that moment,
6 it's totally conceivable that a car would have been -- you know,
7 would have missed that red light and gone right through that red
8 light and there could have been a tragic accident. It's just -- it
9 doesn't make any sense. That light should have -- my light should
10 have stayed red three or four seconds longer, don't you agree?

10:08AM

11
12 *(*Laughter*)*
13

14 **MR. McDERMOTT:**

15 Absolutely.

16
17 **LEG. CILMI:**

18 I was going to get to it eventually *(laughter)*. Thank you.

10:08AM

19
20 **MR. McDERMOTT:**

21 When you say that that intersection right there is one example, is
22 just a trap --

23
24 **LEG. CILMI:**

25 It's one of many, many examples.

26
27 **MR. McDERMOTT:**

28 It's a trap that is causing people not to have accidents or get
29 tickets. A lot of people are opposing because they don't want to
30 pay the tickets; that's the smallest of the problems.

10:08AM

31
32 **LEG. CILMI:**

33 Yeah.

34
35 **MR. McDERMOTT:**

36 And you know for you sure, because I know you know {Doug Regman}
37 and I know that --

38
39 **LEG. CILMI:**

40 Yes.

41
42 **MR. McDERMOTT:**

43 -- we all know Nico.

44
45 **LEG. CILMI:**

46 Yes.

47
48 **MR. McDERMOTT:**

49 And I don't know if you've all seen the video of it, it's
50 unbelievable to see what happened to this child and how fast that
51 woman was going to try to beat the red light.

10:08AM

52
53 **LEG. CILMI:**

54 Yep.

1 **MR. McDERMOTT:**

2 And as far as the heroin, I do applaud any efforts that's made, but
3 more has to be done and that's my point.

4
5 **LEG. CILMI:**

6 Agree completely.

7
8 **MR. McDERMOTT:**

9 Thank you.

10:09AM 10

11 **CHAIRPERSON BROWNING:**

12 Okay. And on -- Mr. McDermott? We have a couple of more for you,
13 so don't go anywhere.

14
15 **MR. McDERMOTT:**

16 Oh, okay.

17
18 **CHAIRPERSON BROWNING:**

10:09AM 20

19 And I just would like to you ask you if you're familiar with the
20 fact that we do not have regulated recovery homes in Suffolk
21 County; are you aware of that?

22
23 **MR. McDERMOTT:**

24 I saw something on the agenda today. Is that what you're talking
25 about? Recovery what, homes?

26
27 **CHAIRPERSON BROWNING:**

28 Recovery homes.

10:09AM 30

29
30 **MR. McDERMOTT:**

31 No, I'm not sure what this is.

32
33 **CHAIRPERSON BROWNING:**

34 So this is something that I've been working on --

35
36 **MR. McDERMOTT:**

37 Good.

10:09AM 40

38
39 **CHAIRPERSON BROWNING:**

40 -- since I've been in office. Been to Albany.

41
42 **MR. McDERMOTT:**

43 If I call your office, will they send me something about it?

44
45 **CHAIRPERSON BROWNING:**

46 Oh, yeah. We actually have monthly meetings here, we have a group
47 here, but we'd be happy to send you the information.

10:09AM 50

48
49 **MR. McDERMOTT:**

50 Okay.

51
52 **CHAIRPERSON BROWNING:**

53 But I'd like to ask you if it's an issue. I was at a wake on
54 Saturday, a friend's son, 29 years old. So I'd like to ask you to
55 continue to advocate on that issue, because OASIS is not
56 responding. That it needs to be -- that's something that needs to

1 be regulated by them; they are still to date not recognizing that.

2
3 **MR. McDERMOTT:**

4 May I ask you one quick question? Have you spoken to the police
5 since they've had Narcan and I think it's Suboxone with them?
6

7 **CHAIRPERSON BROWNING:**

8 Yeah.
9

10:10AM 10 **MR. McDERMOTT:**

11 You know, I have also and, you know, the mentality -- and I'm not
12 trying to be negative about the Police Department, but the mind-set
13 is that what's the point, because they're just going to go out and
14 get high again, and I'm concerned about that. And I think it's
15 because our culture is to treat addicts and people, and some of
16 them -- I have friends that are on all kinds of pain medication and
17 they're not working, so they're either in pain or trying to find
18 something else. So it's a big problem. We have to treat these
19 people, and I think you agree, with love and compassion, not as
10:10AM 20 criminals, and the police have to get that mind-set. So the Police
21 Commissioner, Sheriff DeMarco, or whoever the next Sheriff is going
22 to be, we should really think of it in that point of view, because
23 they really need help, not just put away for 30 days. And the
24 police can't just say, *What's the point?* Because you wonder how
25 hard they're going to work. Now, I'm not saying anything negative;
26 I don't know how hard they're going to work. But if the mind-set
27 was with love and compassion with these people, I think a lot more
28 would be done to help them, so that's what I'm asking. And I think
29 you would all agree with that. But I'm hoping that you do and --

10:11AM 30 **CHAIRPERSON BROWNING:**

31 Well, actually, we do agree.
32
33

34 **MR. McDERMOTT:**

35 -- actually really do something about it.
36

37 **CHAIRPERSON BROWNING:**

38 And like I said, it's been a passion of mine --
39

10:11AM 40 **MR. McDERMOTT:**

41 Good.
42

43 **CHAIRPERSON BROWNING:**

44 -- for the past 11 years. And, you know, just if you're not aware,
45 also I ask do you know about in the jail, Sheriff DeMarco has a
46 number of programs for veterans and for our young people and the
47 drug problem, he does have programs in the jail.
48

49 **MR. McDERMOTT:**

10:11AM 50 Well, I'm not saying that nothing's being done.
51

52 **CHAIRPERSON BROWNING:**

53 Okay.
54
55
56

1 **MR. McDERMOTT:**

2 I'm just saying not enough is being done because the epidemic
3 continues. And as long as it continues, you can't really sit back
4 and say, *We're doing a lot*. Well, a lot may be good; more and
5 stopping the epidemic would be better. And I don't have the
6 answer. Like Tom Cilmi said, there is no silver bullet magic
7 solution.

8
9 **CHAIRPERSON BROWNING:**

10 No, there isn't.

11
12 *(*Presiding Officer Gregory entered the meeting at 10:12 a.m.*)*

13
14 **MR. McDERMOTT:**

15 Except we have to keep working and persevering. Listen, I ran for
16 Congress twice, Governor once, lost, and I don't give up, and I
17 hope you all don't give up, honestly. Sometimes losing is the best
18 educator.

19
20 **CHAIRPERSON BROWNING:**

21 I won't give up on that issue. However --

22
23 **MR. McDERMOTT:**

24 Or the red lights, I hope.

25
26 **CHAIRPERSON BROWNING:**

27 And that's another topic of discussion, yes. I don't necessarily
28 disagree with everything you say about the red light cameras.

29
30 **MR. McDERMOTT:**

31 Okay. Any other questions?

32
33 **CHAIRPERSON BROWNING:**

34 Don't go anywhere; yes, I have two more. Legislator Trotta?

35
36 **LEG. TROTТА:**

37 I have a question to you and then I wanted to answer, through the
38 Chair. You're saying that the 2015 report came out but there's no
39 accident data.

40
41 **MR. McDERMOTT:**

42 There's no what?

43
44 **LEG. TROTТА:**

45 Accident data?

46
47 **MR. McDERMOTT:**

48 No accident data; I haven't been able to find any.

49
50 **LEG. TROTТА:**

51 Okay. So through the Chair -- I mean, I saw that also. Could you
52 request that Mr. Margiotta come here. And, you know, back in 2014
53 there were three red light locations in my district where the
54 accidents increased over 100%, in some cases 150%. So I would like
55 to have him come here, because now a year-and-a-half has gone by,
56 if those accidents have still increased, there's a big problem and

1 that we should take care of that.

2
3 So what you're saying, if that is in fact true, is we don't care
4 about the safety of the citizens of this County, we want their
5 revenue. So I would demand that Mr. Margiotta come here with the
6 statistics for 2015, considering 2016 is already over and we're in
7 almost halfway through 2017.

8
9 **MR. McDERMOTT:**

10:13AM 10 Can I second that? Am I permitted to second?

11
12 **LEG. TROTТА:**

13 So I would like a recommendation that you get him here and --

14
15 **CHAIRPERSON BROWNING:**

16 No, I will, I'll make a request. And I'll also make that request,
17 I believe, of the Police Department. If you want to give Kerri or
18 anyone in the Police Department some information, like specific
19 locations you have. Because I know they have --

10:13AM 20
21 **LEG. TROTТА:**

22 No, I want to see the report, you know, that the --

23
24 **CHAIRPERSON BROWNING:**

25 No, no, no, I'm just saying, we'll ask of him, but we should also
26 ask for the data from the Police Department also, for those
27 specific locations.

28
29 **LEG. TROTТА:**

10:13AM 30 Okay. I would hope it was the same, but okay.

31
32 **CHAIRPERSON BROWNING:**

33 Right, but it's good to compare.

34
35 **MR. McDERMOTT:**

36 You know, I don't know this for sure, but I'm thinking the camera
37 company has a lot to do with this, because they don't want a lot of
38 this data to come out because it's not good for them.

10:14AM 39
40 **LEG. TROTТА:**

41 I'm also concerned on who is preparing this data.

42
43 **MR. McDERMOTT:**

44 Yeah.

45
46 **LEG. TROTТА:**

47 I mean, there's no prepared by on it, are we hiring someone,
48 They're just -- there's no information on where it comes from.

10:14AM 49
50 **CHAIRPERSON BROWNING:**

51 Well, like I said --

52
53 **MR. McDERMOTT:**

54 Well, if you're calling for an independent investigation --

1 **CHAIRPERSON BROWNING:**
2 We'll make that request.

3
4 **MR. McDERMOTT:**
5 -- I'd like to volunteer to be on that committee.

6
7 **LEG. TROTТА:**
8 And just -- I read an article about -- I'll put this in the form of
9 a question also -- that Narcan, you know, the increases of deaths,
10 unfortunately, has increased, even though there's Narcan. And I
11 read an article saying that maybe that's the cause of it, because
12 people are feeling more --

10:14AM

13
14 **MR. McDERMOTT:**
15 Well, it does save lives, but those lives, just without a real
16 remedy, they just go back to taking more and more and more because
17 they have the Narcan as --

18
19 **LEG. TROTТА:**
20 I understand. Bizarre ramifications.

10:14AM

21
22 **MR. McDERMOTT:**
23 But as great as it might be, it's not good enough because like you
24 said, it's causing more of an epidemic in some cases.

25
26 **LEG. TROTТА:**
27 I'm not saying it's causing more of an epidemic, I'm saying that
28 maybe there's more deaths because of it.

29
30 **MR. McDERMOTT:**
31 Well, that's an epidemic.

10:15AM

32
33 **CHAIRPERSON BROWNING:**
34 Okay. So don't go anywhere; one last question; Legislator Kennedy.

35
36 **LEG. KENNEDY:**
37 Good morning. Thank you for coming out to speak again about a
38 topic that has been bothering most of us.

39
40 **MR. McDERMOTT:**
41 Thank you, Mrs. Kennedy.

10:15AM

42
43 **LEG. KENNEDY:**
44 I'm going to try to make this into a question. Did you say that
45 the films disappear after a period of time?

46
47 **MR. McDERMOTT:**
48 Yes. They're not FOIEd, they're not able to be -- they're not
49 turned over after being FOIEd, they're saying they don't have any
50 on file.

10:15AM

51
52 **LEG. KENNEDY:**
53 What I have been told, and I just wanted to get this on the record,
54 is that you have 30-days to request it, after that they are
55 deleted. So the point is if you have a question, you immediately,
56 with the ticket, with something that went on, an accident, you do

1 it immediately.

2

3 **MR. McDERMOTT:**

4 Yes.

5

6 **LEG. KENNEDY:**

7 And that way within the 30-day period, you're able to get it.

8 I just -- you know, I have to clarify facts over here.

9

10:15AM

10 **MR. McDERMOTT:**

11 Okay. So why not extend that 30 days to 90 days? I mean, there
12 are deaths and, you want, they want to see what's the cause of them
13 and the evidence is being obliterated. What -- you know, I mean,
14 that's true. I mean, I can show you the FOIL requests that we've
15 done and gotten back the answers, I'll provide that to you.

16

17 **LEG. KENNEDY:**

18 That would be good.

19

10:16AM

20 **MR. McDERMOTT:**

21 And I can provide one of the videos of one of the kids being hit.
22 I haven't published it because it's just terrible.

23

24 **LEG. KENNEDY:**

25 If you can send us all, including me, the information, the FOILs
26 that you have sent dated --

27

28 **MR. McDERMOTT:**

29 Yes.

30

31 **LEG. KENNEDY:**

32 -- and the date of the incident, that would be excellent for us.

33

34 **MR. McDERMOTT:**

35 I'd be happy to meet with you at any time and bring you that
36 information.

37

38 **LEG. KENNEDY:**

39 Okay, great. Thank you.

40

41 **MR. McDERMOTT:**

42 We all should have that common goal of correcting this problem.
43 And my frustration is only that it continues.

44

45 **LEG. KENNEDY:**

46 Okay.

47

48 **MR. McDERMOTT:**

49 I posted a speech I made here a year ago here yesterday, same
50 thing. I could have just replayed it here, if I could do that.

10:16AM

51

52 **LEG. KENNEDY:**

53 You're right.

54

55 **MR. McDERMOTT:**

56 All right. No, I'm not going to do it now. But thank you for

1 letting me have some time. Anyone else?

2
3 **CHAIRPERSON BROWNING:**

4 Thank you. Next speaker, Mr. Ruth, Stephen Ruth.

5
6 **MR. RUTH:**

7 Good morning, Ladies and Gentlemen. So 0.5% of the people actually
8 answered their tickets from the Red Light Camera Program, 0.5. And
9 less than 1% of those people, of the 0.5%, less than 1% of those
10 people were actually not guilty, everyone else was guilty. That's
11 not due process and that's not what our Forefathers fought for.
12 That's extortion. That's extortion. And it's done through
13 engineering, short, yellow lights. Increasing the all red clearing
14 time only makes the intersection a little safer, it doesn't stop
15 the County from extorting people. And it also doesn't stop people
16 from slamming on their brakes or slamming on the gas because of the
17 yellow light time. The yellow light time is the problem.

18
19 And now that the intersection in Rocky Point was fixed -- I mean,
20 Miller Place was fixed, excuse me. They did fix the intersection
21 in Miller Place, but now how about going up the block to Rocky
22 point? How about going down William Floyd Parkway? How about
23 doing every single intersection in the County? We want all red --
24 we want the protected left-hand turn signal on every single
25 intersection, protected left-hand turn signals, so that after the
26 green arrow it goes to a red arrow. It doesn't go to a green light
27 so you get caught in the intersection, because that's why people
28 are making left-hand turns in front of traffic, because there's
29 no protected left-hand turning signals. I depicted that to the
30 DOT, I requested it before the last kid was killed; they didn't do
31 anything, they did it after the kid was killed. Reactionary -- I
32 understand, it's like reactionary politics. If you wait until
33 after a kid dies, *Oh, we fixed the problem after the kid got*
34 *killed, now can I have your vote?* And *Yeah, yeah, yeah, we'll vote*
35 *for you;* that's retarded. Just because the rest of the public is
36 retarded doesn't mean I'm retarded. I know that you wait until
37 people get killed to act, that way you could scoop up votes.
38 Well, now go up the block to Rocky Point and fix that intersection,
39 because you fixed the Miller Place intersection, go up the block
40 and fix the Rocky Point intersection which is like 500 feet from
41 the Rocky Point High School.

42
43 The fact that there's no due process along with this program --
44 they're also not disclosing the accident data. It says it's
45 Legislatively exempt from public disclosure; why is that? Did this
46 Legislature exempt us, the public, from seeing the accident data or
47 the videos? Because that's what I take from it. It's
48 Legislatively exempted from the public, that's what we got from our
49 last FOIL request. How is that? How is that possible that you
50 would exempt us from being able to analyze the data that you're
51 gathering from this program which hasn't been released for the past
52 two-and-a-half years. It's two-and-a-half years ago and it hasn't
53 been released; why is that? How is it Legislative exempted from
54 the public? I know why, because you have to scrub it, change it,
55 lie about it and then release it after you do it -- after you work
56 on it for two-and-a-half years, I'm sure it should be impressive

1 after you release it. *Oh, yeah, we cut down on T-Bone accidents.*
2 We want to know how many pedestrians got killed and also vehicle to
3 bike and motorcycle accidents, we want to know all the accident
4 data and it needs to be analyzed by Ernst & Young, a private firm.

5
6 *(Timer Sounded)*
7

8 We don't want the TPVA analyzing it, nor do we want Xerox analyzing
9 it. We don't know who's analyzing it, and it's Legislatively
10 exempted from the public? Come on. Who would vote on such a
11 thing? That's a conspiracy against the people of Suffolk County
12

13 **CHAIRPERSON BROWNING:**
14 Okay. Thank you.
15

16 **MR. RUTH:**
17 Any questions?
18

19 **CHAIRPERSON BROWNING:**
20 I guess not.
21

22 **LEG. CILMI:**
23 I have a question. I'll ask you a question.
24

25 **CHAIRPERSON BROWNING:**
26 Okay.
27

28 **LEG. CILMI:**
29 Steve, you said -- you said that you got a letter in response to a
30 FOIL request that the information that you requested was
31 Legislatively exempt? In other words that -- I mean, what I take
32 from that is that we built into the resolution that the public
33 couldn't see that information?
34

35 **MR. RUTH:**
36 Exactly.
37

38 **LEG. CILMI:**
39 I don't --
40

41 **MR. NOLAN:**
42 It's State legislation, it's not us.
43

44 **LEG. CILMI:**
45 Oh, it's State legislation? Could I ask, through the Chair, just
46 to clarify with Counsel, please?
47

48 **CHAIRPERSON BROWNING:**
49 Yeah. Sure, we'll have George.
50

51 **MR. NOLAN:**
52 I believe that would be the State legislation which authorized the
53 program. Certainly we did not put that in our local legislation.
54

55 **LEG. CILMI:**
56 I couldn't imagine us putting something like that in a piece of

1 legislation. So could you research and provide us with that State
2 legislation?

3
4 **MR. NOLAN:**
5 Sure.

6
7 **LEG. CILMI:**
8 And if you, Steve, could share with us the nature specifically of
9 the request, however -- you know, if you have the document, you
10 know, asking for whatever information you were asking for, share
11 that with us, as well as the response that you got, that would be
12 helpful.

13
14 **MR. RUTH:**
15 Yeah, I can e-mail that to you while I'm at the meeting today.

16
17 **LEG. CILMI:**
18 I appreciate that. Thank you.

19
20 **MR. RUTH:**
21 My pleasure. Also, we were doing FOIL requests as to the
22 signatures of engineers on the traffic -- the signal -- they call
23 them the installation plans as well as the traffic signal plans and
24 there was no engineer signatures. The FOIL request came back that
25 there is -- through a diligent search, that there is no engineer
26 signatures. Traffic signal engineers just recently contacted me
27 since they're no longer employed by the County and they're willing
28 to testify. They were unable to make it today, but they were
29 willing to testify that no engineer signed off on the traffic
30 signal plans, nor the installation plans for the cameras.

31
32 Also, the report that was issued from 2015 -- 2015's report didn't
33 include the people that didn't answer their tickets, it didn't
34 include the default judgments that were placed on our residents.
35 The reason why they're not going to talk about the judgements that
36 are placed upon the residents that don't answer the tickets is
37 because they don't want to disclose how they're destroying this
38 County financially. They're destroying the residents financially
39 and they're making it impossible for people to go about their
40 business. You can't buy cars, you can't buy a house. They have
41 all kinds of judgments being placed upon people and it's really
42 affecting not only their credit, but their financial well-being and
43 it's not right.

44
45 **CHAIRPERSON BROWNING:**
46 Okay.

47
48 **MR. RUTH:**
49 It's got to stop.

50
51 **CHAIRPERSON BROWNING:**
52 Thank you, Mr. Ruth.

53
54 **MR. RUTH:**
55 One other thing.

1 **CHAIRPERSON BROWNING:**

2 No, I'm sorry. There was no more questions.

3
4 **MR. RUTH:**

5 Does anybody want to know where the cameras are up the block from
6 national cemeteries?

7
8 **CHAIRPERSON BROWNING:**

9 I would like -- I think we can get that information. Like we said,
10 Mr. Margiotta, we're going to request that he come.

10:23AM

11
12 **MR. RUTH:**

13 But I've been requesting that those cameras up the block from our
14 national cemeteries be removed as they are abusing the families of
15 our war veterans during funeral processions.

16
17 **CHAIRPERSON BROWNING:**

18 Thank you, Mr. Ruth. And I believe that's something Mr. Margiotta
19 is aware of. And if you'd like to submit any additional
20 information, I'll be happy to take it and share it with him and we
21 will address it with him when he comes to the Legislature.

10:23AM

22
23 **MR. RUTH:**

24 Thank you very much.

25
26 **CHAIRPERSON BROWNING:**

27 Thank you. I don't see any more cards. Do we have anyone else in
28 the room who would like to speak? No? No one else? Okay. And
29 just to --

10:24AM

30
31 **MR. McDERMOTT:**

32 Ms. Browning, I have my contact information. How do I give it to
33 you? Can I just give it to somebody?

34
35 **CHAIRPERSON BROWNING:**

36 You can give it to the Clerk.

37
38 **MR. McDERMOTT:**

39 Thank you.

10:24AM

40
41 **CHAIRPERSON BROWNING:**

42 Just some information for my colleagues here. I did reach out,
43 Mr. Ruth, a couple of months ago, provided us with information, it
44 was all from the State DOT, with regards to the timing, there were
45 some e-mails and other information. I did reach out, right after
46 we got that information, to State DOT and asked them if they could
47 come and explain the timing on the lights. At this point in time,
48 I have not been able to confirm a day for them to come. We have
49 given them the times of our meetings, the dates and times of our
50 meetings, public safety, so I will continue to try and get them
51 here. It was their e-mails and it was their information, so I want
52 to give them the courtesy to come and respond to some of Mr. Ruth's
53 requests on that. I don't believe there are any other questions,
54 correct?

10:25AM

55
56

1 So we'll go to the agenda. Okay, **Tabled Resolutions, 1007-17 -**
2 **Adopting Local Law No. -2017, A Local Law to eliminate alarm**
3 **registration renewal fee for Residential Buildings (Browning).**
4 Like I said, I will make a motion to table for one cycle. We come
5 back in two weeks. Our Chief Cameron requested that I table so
6 that he could be here. He does have a serious issue that he has to
7 handle today, and so I will give him that courtesy. However, it
8 doesn't change my opinion, but I will give him that courtesy. I've
9 made the motion to table. Second, Legislator Calarco. All in
10 favor? Opposed? Abstentions? ***It's tabled (VOTE: 7-0-0-1 -***
11 ***Not Present: Legislator Fleming).***

12
13 ***1259-17 - Adopting Local Law No. -2017, A Local Law to conform***
14 ***Child Fatality Review Team with State requirements (Hahn).*** Kara?

15
16 **LEG. HAHN:**
17 Motion.

18
19 **LEG. SPENCER:**
20 Second.

21
22 **CHAIRPERSON BROWNING:**
23 Motion to approve. Second, Legislator -- who was that? Spencer.
24 All in favor? Opposed? Abstentions? ***It is approved (VOTE:***
25 ***7-0-0-1 - Not Present: Legislator Fleming).***

26
27 **Introductory Resolutions**

28
29 ***1271-17 - Adopting Local Law No. -2017, A Local Law to eliminate***
30 ***cremation approval fee (Trotta).*** Was that closed?

31
32 **MR. NOLAN:**
33 You need to table it.

34
35 **CHAIRPERSON BROWNING:**
36 Oh. Motion to table for public hearing by Legislator Calarco.
37 I'll second that. All in favor? Opposed? Abstentions? ***It's***
38 ***tabled (VOTE: 7-0-0-1 - Not Present: Legislator Fleming).***

39
40 ***1297-17 - Accepting and appropriating a grant in the amount of***
41 ***\$40,000 in State funding from the New York State Division of***
42 ***Criminal Justice Services, for the Southwest Suffolk Heroin***
43 ***Initiative -- Mr. McDermott -- grant program with 88.43% support***
44 ***(County Executive).***

45
46 **D.P.O. CALARCO:**
47 Motion.

48
49 **CHAIRPERSON BROWNING:**
50 Motion to approve by Legislator Calarco. Second, Legislator
51 Martinez. All in favor? Opposed? Abstentions? ***It is approved***
52 ***(VOTE: 7-0-0-1 - Not Present: Legislator Fleming).*** Sorry, did you
53 have a question?

54
55 **LEG. HAHN:**
56 Is this the one -- this is one of the things we'll lose with the

1 budget.

2

3 **CHAIRPERSON BROWNING:**

4 Good to go?

5

6 **MR. NOLAN:**

7 Yeah.

8

9 **CHAIRPERSON BROWNING:**

10:27AM 10 Okay. *1299-17 - Approving a temporary increase in fleet for the*
11 *Firearms Suppression Team (FAST) at no cost to the County through*
12 *the use of Asset Forfeiture funds (County Executive).* I'll make a
13 motion to approve. Second, Legislator Cilmi.

14

15 **LEG. CILMI:**

16 On that -- on the motion.

17

18 **CHAIRPERSON BROWNING:**

19 On the motion, okay.

10:27AM 20

21 **LEG. CILMI:**

22 Can we just have somebody from the department come up? I'm
23 wondering why it's temporary and exactly what kind of car.
24 Not exactly what kind of car, I understand the purpose of it
25 (*Laughter*).

26

27 **LIEUTENANT HOMAN:**

28 Good morning.

29

30 **LEG. CILMI:**

31 Good morning.

32

33 **LIEUTENANT HOMAN:**

34 The type of vehicle that's going to be used is going to be used for
35 the Firearm Suppression Team. In addition, it'll be used for
36 surveillance purposes for gang and narcotics investigations, to
37 assist with those units. So for that reason, we didn't want to say
38 what type of vehicle that it would be.

39

10:28AM 40

41 **LEG. CILMI:**

42 Sure.

43

44 **LIEUTENANT HOMAN:**

45 The reason it would be a year-to-year lease, the vehicle, in case
46 the vehicle is observed or identified, possibly, and it uses it by
47 illicit gangs or narcotics and it loses its usefulness as a
48 surveillance vehicle.

49

50 **LEG. CILMI:**

10:28AM 51 A year-to-year -- do we normally lease vehicles for this purpose?
52 Don't we have vehicles that -- you know, asset forfeiture vehicles?

53

54 **LIEUTENANT HOMAN:**

55 We normally would have that -- we normally do do that. I will get
56 back to you for the specific reason, but it was for the
surveillance purposes, I know that's my understanding was on why

1 we're going forward with it at this point in time.

2

3 **LEG. CILMI:**

4 Right, but we use vehicles from -- that we acquire through
5 different means --

6

7 **LIEUTENANT HOMAN:**

8 Rotate through.

9

10 **LEG. CILMI:**

11 -- for surveillance and undercover, and we do that on a regular
12 basis. I don't know why we would actually spend money to do it in
13 this case.

14

15 **D.P.O. CALARCO:**

16 Legislator Cilmi, in the past we've had a couple of these come
17 through from the department and the Commissioner said that
18 basically it's allowing them to use assess forfeiture money to
19 acquire some of these vehicles and they have language in the leases
20 with the companies that allows us to interchange the cars if we
21 need to if we feel the car has been made, which gives us a lot more
22 flexibility than just acquiring a vehicle. It allows us to
23 continually change those vehicles so somebody knows our cars.

10:29AM

24

25 **LEG. CILMI:**

26 But I -- I appreciate that. But I still don't understand why we
27 wouldn't -- I mean, we use vehicles that we acquire through, you
28 know, the whole legal process, used vehicles. We use those
29 vehicles for undercover vehicles all the time, which I assume we
30 can continue to switch out and move around so that they don't get
31 made, as you say. Why would we actually go out and spend money on
32 a vehicle when we have, potentially, an inventory of vehicles that
33 we can use? I don't get it. And how much money are we spending?

10:30AM

34

35 **MS. HORST:**

36 We've done this in the past.

37

38 **LEG. CILMI:**

39 That doesn't really -- Katie.

40

41 **MS. HORST:**

42 No, let me --

43

44 **LEG. CILMI:**

45 Sorry.

46

47 **MS. HORST:**

48 Let me finish. My understanding is if someone was to run the
49 plates or the registration, it would not come up as Suffolk County
50 -- as the car being owned by Suffolk County, it would come up as
51 who we're leasing it from or who we're renting -- I know that it
52 was Enterprise where we've rented it, so if someone was to run the
53 plates, it would come up as being owned by Enterprise, not being
54 owned by Suffolk County. I don't know if that helps. No, did it
55 confuse you more?

10:30AM

56

1 **LEG. CILMI:**

2 No, you didn't confuse me at all. I understand why -- I mean, I
3 don't know who's out there running plates other than the
4 department, but --

5
6 **MS. HORST:**

7 It has been done.

8
9 **LEG. CILMI:**

10:31AM 10 But don't we have the same -- wouldn't we have the same challenge
11 with other undercover vehicles?

12
13 **LIEUTENANT HOMAN:**

14 That is always -- that's a possibility, absolutely.

15
16 **LEG. CILMI:**

17 How do we deal with that possibility? Are those vehicles
18 registered to Suffolk County?

19
20:31AM 20 **LIEUTENANT HOMAN:**

21 Not all; some are, some aren't. Like Katie said, some are
22 registered either to a leasing agency in the private sector
23 capacity or to other agencies.

24
25 **LEG. CILMI:**

26 So couldn't we just use one of those vehicles and somehow --

27
28 **LIEUTENANT HOMAN:**

10:31AM 29 My understanding is that we're actually -- that the FAST team is
30 actually two vehicles down and this is replacing -- just one
31 vehicle is simply replacing actually two vehicles that they are
32 short of. So we don't really have a large inventory of vehicles.

33
34 **LEG. CILMI:**

35 I mean, we have entire fields full of vehicles that have been, you
36 know, confiscated for one reason or another. It's -- I just
37 don't --

38
39 **LIEUTENANT HOMAN:**

10:32AM 40 Which have it for appropriate purposes, for surveillance and also
41 for officer safety as far as the integrity of the vehicle being
42 used in various law enforcement needs.

43
44 **LEG. CILMI:**

45 How much is this costing us?

46
47 **LIEUTENANT HOMAN:**

48 I believe the leasing, if I have my numbers correct, are
49 approximately 509 a month.

10:32AM 50
51 **LEG. CILMI:**

52 Five hundred and nine dollars a month.

53
54 **LIEUTENANT HOMAN:**

55 That's what I believe.

1 **LEG. CILMI:**

2 I think that's like twice as much as I spend for my car. Don't
3 list me as the second on your motion.

4
5 **CHAIRPERSON BROWNING:**

6 Okay. So there's a second from someone else? Actually, I think
7 one of the --

8
9 **LEG. CILMI:**

10 Thank you for your answers. I'm sorry to interrupt. Thank you for
11 your answers.

12
13 **LIEUTENANT HOMAN:**

14 You're welcome.

15
16 **CHAIRPERSON BROWNING:**

17 You were done? I think what the other issue is is that when we
18 bond for new police cars, that we can't bond out of -- we can't use
19 asset forfeiture funds to purchase police cars. So what's the
20 difference between -- and if you don't have an answer now, it's
21 okay. What's the difference between doing -- buying this car or
22 leasing this car out of asset forfeiture?

23
24 **LIEUTENANT HOMAN:**

25 I'll get back to you with an answer.

26
27 **CHAIRPERSON BROWNING:**

28 Right. Because we're always being told that you can't purchase
29 vehicles through asset forfeiture funds for new vehicles, none of
30 the departments can. So if you can come back with an answer and
31 let us know. Did you have a question, Doc?

32
33 **LEG. SPENCER:**

34 Yeah.

35
36 **CHAIRPERSON BROWNING:**

37 Okay.

38
39 **LEG. SPENCER:**

40 Tom stimulated something as far as -- I'm not feeling satisfied
41 that when you say that there are certain criteria that a
42 surveillance vehicle needs -- because my understanding of a
43 surveillance vehicle is that it's not going to be in a performance
44 situation. I'm not sure -- if we're renting cars from Enterprise
45 and there must be a particular make and model, I guess my question
46 would be -- because if we have fields of vehicles, perhaps, that
47 have been either abandoned or repossessed and the idea that we
48 couldn't adjust the license plate that it wouldn't come up Suffolk
49 County Police. If it's bureaucratic that we can't do this -- I
50 think that's a great idea, that if we're going to pay \$500 a month
51 for a lease on an Enterprise vehicle, that we can't look at our
52 inventory of abandoned vehicles or vehicles that we have possession
53 over that the owner would no longer retrieve and we should look for
54 ways to make this work.

1 So I would like to hear when you say there are particular
2 qualifications to be a surveillance vehicle, who would have what
3 those qualifications are? And I think this Legislature is entitled
4 to them if we are going to be voting to spend \$500 of the
5 taxpayer's money a month on a lease. So do you know what those
6 surveillance vehicle properties, what they need to have?
7

8 **LIEUTENANT HOMAN:**

9 I'll get back to you with the information.

10:35AM 10

11 **LEG. SPENCER:**

12 Okay. I'm not sure what the timing is on this, but this seems to
13 me like something that if it was a couple of weeks. I mean, my
14 support for this -- I think that's a legitimate question and I
15 think that the taxpayers -- we should do the due diligence on that
16 before moving forward on that.
17

18 **CHAIRPERSON BROWNING:**

10:36AM 20

19 Can I make a recommendation? Maybe I'll withdraw my motion and
20 make a motion to discharge without recommendation to give you guys
21 an opportunity to come back with a response? I think I understand
22 the purpose. I mean, clearly the team that is going to use the
23 car, it's for good reason. And to assume that, you know, criminals
24 are not able to run plates? Yeah, they can. And I do believe that
25 this is -- this is most likely something. I mean, it's not coming
26 out of our County budget, and the only -- like you said, if you can
27 come back with an answer on the issue with being able to do this
28 with asset forfeiture, since we can't buy police cars, I understand
29 what you're doing. It's a public safety issue, it's the way we
30 have to fight crime these days, I get it. So I would like to make
31 a motion to discharge without recommendation.
32

10:37AM 30

33 **LEG. SPENCER:**

34 Second.

36 **CHAIRPERSON BROWNING:**

10:37AM 40

37 If it goes to the floor and when it goes to the floor on Tuesday,
38 if you're not satisfied then we can make that decision. But I
39 don't want to inhibit our law enforcement, especially these days,
40 with the MS-13 issues. And I know what you're saying about the
41 inventory of seized vehicles, you never know. You never know that
42 a law enforcement officer could be in a seized vehicle that some
43 criminal sees and he knows that was his car; I'm a little iffy
44 about that. So --
45

46 **LEG. CILMI:**

47 Madam Chair, I can't support even a motion to discharge.

49 **CHAIRPERSON BROWNING:**

50 Okay.

52 **LEG. CILMI:**

53 I just don't -- and I fully appreciate that we can't have an open
54 conversation about exactly what type of vehicle it is, for obvious
55 reasons. But I mean, \$509? Why not \$250 a month? If we're
56 getting them from -- Enterprise has cars that they --

1 **CHAIRPERSON BROWNING:**

2 You want me to ask what kind of car it is?

3
4 **LEG. CILMI:**

5 Well, Enterprise and the other rental car companies have vehicles
6 that have been used for a couple of years and they've put a lot of
7 miles on them and they excess them because they get new cars. I
8 can't imagine that we would have to pay \$500. And I recognize that
9 in the scope of our budget it's not all that much money, but it's
10 still money. And I recognize that it comes from asset forfeiture
11 money, but that asset forfeiture money could be used for other
12 purchases.

13
14 **CHAIRPERSON BROWNING:**

15 Okay, so let me ask a question. Do you have specific -- I'm not
16 asking you to give it to me now, but when we're done with this
17 meeting, do you have specifics on the vehicle that you could share
18 with us in an Executive Session, or would we -- would you prefer
19 that we wait for Chief Cameron?

20
21 **LIEUTENANT HOMAN:**

22 I can't speak to that now, I will certainly try to get that
23 information for you.

24
25 **CHAIRPERSON BROWNING:**

26 Okay. Well, we'll move with the meeting. Again, I'll --

27
28 **LEG. CILMI:**

29 Why don't I make a motion -- I'm going to make a motion to table.

30
31 **CHAIRPERSON BROWNING:**

32 Okay. Does anybody -- I made a motion to discharge without
33 recommendation. We had a second.

34
35 **LEG. KENNEDY:**

36 Can I ask a question?

37
38 **LEG. HAHN:**

39 Second the motion to discharge without recommendation.

40
41 **CHAIRPERSON BROWNING:**

42 And we have a second and a motion to table. And a second on the
43 tabling motion?

44
45 **LEG. SPENCER:**

46 *(Raised hand)*. Second to table.

47
48 **CHAIRPERSON BROWNING:**

49 Leslie, you have a question.

50
51 **LEG. KENNEDY:**

52 I have two quick questions. Do we have a specific -- and don't
53 tell me what it is, a specific case that this car is needed for?

1 **LIEUTENANT HOMAN:**

2 There is an ongoing investigation that is being looked into, so
3 yes.

4
5 **LEG. KENNEDY:**

6 Do we have a duration of the lease?

7
8 **LIEUTENANT HOMAN:**

9 The duration of the lease?

10:39AM 10

11 **LEG. KENNEDY:**

12 Yeah, how long will you need this car for?

13
14 **LIEUTENANT HOMAN:**

15 I know it's a year-to-year lease, but vehicles can be swapped out.
16 So I don't know the specific timeframe that this particular vehicle
17 will be needed for.

18
19 **LEG. KENNEDY:**

10:40AM 20 Okay. If you could get that information, that would help.
21 Thank you.

22
23 **LIEUTENANT HOMAN:**

24 Okay.

25
26 **CHAIRPERSON BROWNING:**

27 Okay. You have a question, comment?

28
29 **D.P.O. CALARCO:**

10:40AM 30 A comment; I'm just puzzled. You're asking for a vehicle, or the
31 permission/authorization to acquire a vehicle through a lease
32 that's going to be paid for using asset forfeiture money that will
33 be a temporary vehicle -- which means you have no reason to believe
34 that you will be entitled to this vehicle in perpetuity -- so that
35 you can conduct undercover activities, and you have specific
36 activities and specific cases you want to use this vehicle for.
37 And we're quibbling about this because we don't want to give you
38 another car? I just don't get this.

10:40AM 40 I mean, we have people who are telling us we're taking too much
41 money from them, telling us we need to do more about heroin. Here
42 we have an officer coming to us wanting money -- wanting to use
43 asset forfeiture money, so it's not even money that we get, it's
44 money that we've taken from drug dealers and other folks, so that
45 we can do crime -- you know, crime enforcement. They're looking
46 for -- to get a car so they can go out and do enforcement, we have
47 a gang problem right in Suffolk County, we're telling them no? I
48 think this is absurd, I just really do. You know, there's a lot of
49 things to look at, but I think quibbling over a car for a lease so
10:41AM 50 that they can have an undercover vehicle, and who knows what the
51 specifics is of what vehicle they want. Maybe they want a nice
52 brand new looking vehicle for some reason and they don't want just
53 a beat up, rundown car.

1 I think that, you know, there's times I hear, looking at their
2 overtime stats and wondering why they're running so high, but
3 that's one thing. I mean, looking at getting them a car so they
4 can do their job, knowing that we have not been making our
5 investment into vehicles for this Police Department, they have
6 vehicles that are running with 150, 200,000 miles on them, I don't
7 get this.

8
9 **LEG. CILMI:**

10 If I may, Madam Chair?

11
12 **LEG. SPENCER:**

13 Through the Chair, please?

14
15 **D.P.O. CALARCO:**

16 I just don't get it.

17
18 **CHAIRPERSON BROWNING:**

19 Well said, Rob.

20
21 **LEG. SPENCER:**

22 Well, I can tell you exactly why we're quibbling. I think we have
23 an obligation. I have a record of supporting any and everything
24 our officers need. And regardless of what funds it is, if the
25 asset forfeitures funds can be used for another need that the
26 taxpayers don't have to pay for, we have an obligation to check. I
27 don't think just because someone comes and says, *I need a vehicle*
28 *from Enterprise for \$500 a month*, that -- because I take the time
29 to want to ask further questions which I think the taxpayers are
30 demanding. I've been going to Town Hall meeting after Town Hall
31 meeting and we've got to start looking at everything. And I'm
32 fine, I would support it, we can find out the information in
33 Executive Session. But to tell me vote for this, you don't get to
34 know the make or model, you don't get to know why. My
35 understanding is that there are other vehicles, just as we're using
36 the asset forfeiture funds, there are vehicles that have been
37 forfeited that are available, and to ask the question I don't think
38 is quibbling. So, you know, I feel an obligation to do my job, and
39 I'm sorry if you disagree with that, but I'm going to do my job.

40
41 **LEG. CILMI:**

42 And Madam Chair, just to follow up on Legislator Spencer's remarks,
43 no one has said no. And for that matter, the department hasn't
44 said that they can't give us the information, they just can't give
45 it to us right now. And maybe there is some urgency to this, but
46 I'm not hearing that there's urgency to it. So let the department
47 tell us in Executive Session or whatever why they need to spend
48 \$500 a month. We authorize it once, but then they get to continue
49 that lease year after year after year without our further
50 authorization, I believe. So while there's -- they're not
51 expressing any need for this vehicle in perpetuity, I'm concerned
52 that it will be -- that it will be utilized in perpetuity, and
53 maybe for good reason. But I just want a chance to have the
54 information before I put a resolution onto our agenda for Tuesday's
55 meeting, that's all.

1 **CHAIRPERSON BROWNING:**

2 Okay. And I don't want to delay what they're doing.

3
4 **LEG. CILMI:**

5 If we get the information, Madam Chair, I'd be happy to sign a
6 discharge petition after this meeting, but I'm not going to vote
7 for it until I get the information.

8
9 **CHAIRPERSON BROWNING:**

10:44AM 10 And I think what Legislator Calarco said is more than correct; we
11 do have a serious problem. The only question I had was how do we
12 do this with asset forfeiture since we can't buy cars, that's it.
13 I understand what you're doing with it. I certainly want to make
14 sure that we support what needs to be done to help our law
15 enforcement officers do their job and to go after criminals, that's
16 the most important thing we have going on right now is this MS-13
17 problem. And, you know, I don't know, I think if you can get an
18 answer to maybe give us more information after the meeting, that's
19 fine. I don't want to delay it. I don't know if there's a delay.
10:45AM 20 So if we table it here, I prefer that we at least get it to the
21 floor next week, it gives you till Tuesday to give us an answer,
22 and then we can vote for it. I think that's the fair thing to do.
23

24 **P.O. GREGORY:**

25 Kate?

26
27 **CHAIRPERSON BROWNING:**

28 So did somebody say my name?

29
10:45AM 30 **P.O. GREGORY:**

31 *(Raised hand)*.

32
33 **LEG. CILMI:**

34 Out of respect for that process, I can't support the discharge but
35 I'll withdraw the tabling motion and I'll, you know, allow whatever
36 happens happens.

37
38 **CHAIRPERSON BROWNING:**

39 Okay.

40
41 **LEG. CILMI:**

42 And then hopefully we can get the information before Tuesday.
43 Listen, I'd like to be able to support it, I just can't do it
44 without the information, that's all.

45
46 **CHAIRPERSON BROWNING:**

47 DuWayne?

48
49 **P.O. GREGORY:**

10:45AM 50 So I understand this is a vehicle that they're looking to purchase
51 with asset forfeiture funds?

52
53 **MS. HORST:**

54 Lease.

1 **CHAIRPERSON BROWNING:**

2 Lease.

3
4 **P.O. GREGORY:**

5 Excuse me, lease. I apologize, I was out of the room I guess when
6 the discussion came up. Is there any particular need for a make
7 and model? Was that --

8
9 **CHAIRPERSON BROWNING:**

10 That's something that we said we'd prefer not to have that
11 conversation here, that they would share what they're looking for
12 and whatever they're doing with it outside -- in Executive Session.

13
14 **P.O. GREGORY:**

15 Or is it simply because they don't have any vehicles available?

16
17 **CHAIRPERSON BROWNING:**

18 No, and that's a conversation I'd prefer that we keep in an
19 Executive Session.

20
21 **P.O. GREGORY:**

22 Because I submitted a request to the Commissioner April 19th with
23 concerns. One of our colleagues, and I won't mention, asked me to
24 write the Commissioner because a person was heard that there were,
25 you know, civilian personnel in the Police Department that had
26 take-home cars with police packages and badges and other things.
27 But particularly specific to this conversation, there potentially
28 are civilian employees that could questionably -- or the question
29 could be asked why do they have vehicles and we're purchasing or
30 we're leasing other vehicles? Maybe these individuals don't need
31 vehicles.

32
33 **CHAIRPERSON BROWNING:**

34 It is not a take-home car, I got that from Chief Cameron. So it's
35 not a --

36
37 **P.O. GREGORY:**

38 No, my point is if we have someone taking a vehicle home with
39 them --

40
41 **CHAIRPERSON BROWNING:**

42 Right.

43
44 **P.O. GREGORY:**

45 -- that could be used, potentially, if it suits their needs, for
46 this purpose; that's all I'm saying.

47
48 **CHAIRPERSON BROWNING:**

49 What he's saying is that if someone runs the license plate on that
50 vehicle, if it belongs to the Suffolk County Police Department, it
51 comes up as belonging to I guess Suffolk County Police Department.

52
53 **P.O. GREGORY:**

54 Okay.

1 **CHAIRPERSON BROWNING:**

2 If it's leased, say through Enterprise or Budget, it comes up as
3 belonging to --

4
5 **P.O. GREGORY:**

6 Right.

7
8 **CHAIRPERSON BROWNING:**

9 And that's obviously -- I would hope that our former Detective
10 Trotta --

11
12 **LEG. TROTТА:**

13 Yeah, I can -- if you want, I can shine some light.

14
15 **CHAIRPERSON BROWNING:**

16 Go ahead.

17
18 **LEG. TROTТА:**

19 I'll lay it right out there. I'm sure Justin Myers has a car that
20 he's driving back and forth to work that could be used and put
21 undercover plates on it, or sell it or get something else. It's a
22 disgrace that we have a press person driving a County car to and
23 from home when this officer and this County needs people, the cops
24 need cars. It's a disgrace. So I would say that you should go
25 back to the Commissioner and say, *Listen, let's take a civilian*
26 *who's driving a car with lights and sirens*, they'll take the car
27 away from him and either sell it or use it or refurbish it to have
28 one of our officers who needs it in the gang unit, because I'm
29 relatively sure Justin Myers isn't making any arrests. So I
30 suggest you go back and talk to the Commissioner and tell him to do
31 that.

32
33 **CHAIRPERSON BROWNING:**

34 Okay, then that's another question (*Laughter*). I guess we'd like a
35 confirmation on that; does that individual have a badge and lights
36 and sirens on his vehicle?

37
38 **MS. HORST:**

39 We'll get a response to Presiding Officer Gregory, to his request.

40
41 **CHAIRPERSON BROWNING:**

42 Okay. So -- but again, it's a car that's registered to Suffolk
43 County Police Department.

44
45 **LEG. TROTТА:**

46 Well, haven't driven an unmarked, undercover car for most of my
47 career, it can be easily changed, no problem. They have a whole
48 unit that all they do is do that type of transformation. So
49 there's absolutely no need.

50
51 **CHAIRPERSON BROWNING:**

52 I'm still going to make the motion to discharge without
53 recommendation so it can get an answer. I believe we still have a
54 second. So hopefully we can get an answer and let me know if you
55 can talk to us after the meeting. Okay?

1 **MS. HORST:**
2 Understood.

3
4 **CHAIRPERSON BROWNING:**
5 So with that, we're done with that question. Motion to discharge
6 and a second. All in favor? Opposed? Abstentions?

7
8 **LEG. CILMI:**
9 I'm opposed to discharging.

10:49AM 10
11 **CHAIRPERSON BROWNING:**
12 Opposition, Legislator Cilmi. So it is *discharged without*
13 *recommendation (VOTE: 6-1-0-1 - Opposed: Legislator Cilmi -*
14 *Not Present: Legislator Fleming).*

15
16 1309-17 - Accepting -- guys can we keep the noise down, please.

17
18 1309-17 - Accepting and appropriating 100% grant funds in the --

19
20 **MR. NOLAN:**
21 It's 1303.

22
23 **CHAIRPERSON BROWNING:**
24 Oh, I missed 1303, I'm sorry.

25
26 Okay, *1303-17 - Accepting and appropriating grant funds in the*
27 *amount of \$11,500 from Target Corporation, for a safety initiative*
28 *administered by the Suffolk County Police Department's Community*
29 *Relations Bureau with 100% support (County Executive).*

10:50AM 30
31 **LEG. CILMI:**
32 Motion to approve and place on the Consent Calendar.

33
34 **CHAIRPERSON BROWNING:**
35 Motion to approve and place on the Consent Calendar by Legislator
36 Cilmi.

37
38 **LEG. MARTINEZ:**
39 Second.

40
41 **CHAIRPERSON BROWNING:**
42 Second, Legislator Martinez. All in favor? Opposed? Abstentions?
43 I do have -- what is the Safety Initiative? Can you give me --
44 cause this rings a bell to me. I'm sorry.

45
46 **LEG. MARTINEZ:**
47 Through the Chair. I'm not sure, but they do community relations
48 with the school district at times. And if I'm not mistaken, this
49 is the program where they take kids over to Target and they're
10:51AM 50 given a certain amount of funding so the kids can buy their own
51 toys for those that do not have.

52
53 **CHAIRPERSON BROWNING:**
54 Okay. Because I know there was something else came up one time
55 before with Target money and I said there's another agency doing
56 the same thing that was planned to be started, so I just wanted to

1 make sure it not overlapping. Is that what it's for?

2
3 **LIEUTENANT HOMAN:**

4 That's my understanding, my recollection with Target, but I will
5 get -- I will address that question.

6
7 **CHAIRPERSON BROWNING:**

8 Okay. So we'll make the motion.

9
10 **LIEUTENANT HOMAN:**

11 Basically it was a community outreach deal.

12
13 **CHAIRPERSON BROWNING:**

14 Tuesday Hopefully you'll have an answer for us. Okay? Thank you.
15 So there was a motion and a second. All in favor? Opposed?
16 Abstentions? It's approved.

17
18 1309-17 - Accepting and appropriating 100% grant funds in the
19 amount of \$151,377 -- Oh, and actually, I'm sorry. Can we go back
20 to 1303?

21
22 **D.P.O. CALARCO:**

23 Did you have a motion and a second?

24
25 **CHAIRPERSON BROWNING:**

26 I thought we did.

27
28 **MR. NOLAN:**

29 *(Inaudible)*.

30
31 **CHAIRPERSON BROWNING:**

32 We had a motion, Legislator Cilmi, and a second of Legislator
33 Martinez, but can I ask that we don't put it on the Consent
34 Calendar?

35
36 **LEG. CILMI:**

37 I'll amend my motion to just approve.

38
39 **CHAIRPERSON BROWNING:**

10:52AM 40 Right. So not on the Consent Calendar, okay. *(1303 is Approved -*
41 *VOTE: 7-0-0-1 - Not Present: Legislator Fleming)*.

42
43 **Back to 1309-17 - Accepting and appropriating 100% grant funds in**
44 **the amount of \$151,377 in Federal pass-through funding and New York**
45 **State funding from the New York State Office of Victim Services to**
46 **the Suffolk County District Attorney's Office, under the Victims**
47 **Assistance Program (VAP) (County Executive).** Motion by Legislator
48 Hahn. Second by Legislator Kennedy, and place on the Consent
49 Calendar. All in favor? Opposed? Abstentions? *It's approved*
10:53AM 50 *(and placed on the Consent Calendar - VOTE: 7-0-0-1 - Not Present:*
51 *Legislator Fleming)*.

52
53 **1310-17 - Accepting and appropriating federal funding in the amount**
54 **of \$6,000 from the United States Department of Justice, United**
55 **States Marshals Service, for the Suffolk County District Attorney's**
56 **Office participation in the Joint Law Enforcement Operations Task**

1 **Force (JLEOTF) (County Executive)**. I'll make a motion to approve
2 and this can go on the Consent Calendar. Second, Legislator
3 Spencer. All in favor? Opposed? Abstentions? ***It's approved***
4 ***(and placed on the Consent Calendar - VOTE: 7-0-0-1 - Not Present:***
5 ***Legislator Fleming)***.

6
7 **1311-17 - Accepting and appropriating federal funding in the amount**
8 **of \$25,000 from the United States Drug Enforcement Administration**
9 **(DEA) for the Suffolk County District Attorney's Office,**
10 **participation in the Organized Crime Drug Enforcement Task Force**
11 **(OCDETF) (County Executive)**. I'll make another --

12
13 **LEG. CILMI:**
14 Motion.

15
16 **CHAIRPERSON BROWNING:**
17 Motion to approve by Legislator Cilmi. I'll second that. Consent
18 Calendar?

19
10:54AM 20 **LEG. CILMI:**
21 Yep, that's fine.

22
23 **CHAIRPERSON BROWNING:**
24 And it's on the Consent Calendar. All in favor? Opposed?
25 Abstentions? ***It's approved (and placed on the Consent Calendar***
26 ***- VOTE: 7-0-0-1 - Not Present: Legislator Fleming)***.

27
28 **1332-17 - Appropriating funds in connection with the Purchase of**
29 **Communications Equipment for Sheriff's Office (CP 3060) (County**
10:54AM 30 **Executive)**. I'll make that motion to approve. Second by
31 Legislator Kennedy. And Mike, can you kind of give us an update on
32 how that's going with that one, and actually 1333 while you're
33 here?

34
35 **CHIEF SHARKEY:**
36 Okay, on the communications equipment, this is a project that's
37 been funded annually. The funding is slightly higher for this
38 year. We have multiple things that need to be replaced and
39 addressed under this project. We have our mobile radios, our
10:55AM 40 portable radios, we have our mobile data terminals, and then we
41 have to also address the ongoing conversion of our equipment to fit
42 in the new model police vehicles from the older Crown Victorias.
43 If you want specific questions, I do have with me our Chief Public
44 Safety Dispatcher and Captain Brockmeyer who is our Police
45 Technology Section Supervisor. But, however, we have probably in
46 excess of 600 radios, they cost over \$4,000 a piece. And this is a
47 multi-year program, we're doing a percentage each year so we can
48 have them all replaced without, you know, hitting the County over
49 the head all in one year.

10:56AM 50
51 **CHAIRPERSON BROWNING:**
52 We'll appreciate that one. And again, when I hear communications,
53 we have the larger project that's going on, so this will be -- you
54 can operate with the larger project, this is all connected with
55 that?

1 **CHIEF SHARKEY:**

2 Yeah, the larger project would probably only address about 90 of
3 our radios out of the 600, because the project only covers -- the
4 larger project only covers the radios that cannot be upgraded, so
5 they would be replaced. Our other radios can be upgraded, but
6 they're also nearing the end of their life.

7
8 **CHAIRPERSON BROWNING:**

9 Okay. Any other questions? Anybody have questions? No? Boy,
10 you're getting off easy today. Thirteen -- if you want to answer
11 on 13 -- well, actually there was a motion to approve and a second?

12
13 **MS. ELLIS:**

14 Yes.

15
16 **CHAIRPERSON BROWNING:**

17 All in favor? Opposed? Abstentions? Okay, *it's approved (VOTE:*
18 *6-0-0-2 - Not Present: Legislators Fleming & Spencer).*

19
20 **1333-17 - Appropriating funds in connection with the replacement of**
21 **the Jail Time and Accrual System for Sheriff's Office (CP 3065)**
22 **(County Executive).** Can you give us an update on that one?

23
24 **CHIEF SHARKEY:**

25 Yeah, I'm not really sure, potentially something was lost in the
26 printing process when they published the Capital Program book.
27 Because that program is entitled the *Replacement of our Jail*
28 *Management System and Time and Accrual System.* So the monies that
29 would be appropriated for this year would be used towards the
30 replacement of our Jail Management System.

31
32 **CHAIRPERSON BROWNING:**

33 So it's not your Time and Accruals.

34
35 **CHIEF SHARKEY:**

36 The broader project, over the course of time and years, would be
37 used to address both, but the near-term and the larger need is for
38 the Jail Management System to be replaced.

39
40 **CHAIRPERSON BROWNING:**

41 Okay. Can you explain a little bit about what your Jail Management
42 System is? Because I don't know if anybody else is --

43
44 **CHIEF SHARKEY:**

45 The Jail Management System essentially completely tracks all of our
46 inmates, classification, appointment, court documentation,
47 disciplinary measures. I mean, it basically is what the jail runs
48 on. You know, we have security systems and we have a Jail
49 Management System for all of the data related to our population.
50 It is a home grown -- the current system is a home grown system
51 that has been patched together over decades. It's written in a --
52 I'm not a computer person so forgive me, but it's written in the
53 very old language, it's called Mapper, and as time goes by there's
54 different versions of Mapper that have come out, even the newest is
55 old. But as we add components to the current system, there's
56 difficulty interlacing them with the older components of the

1 system. And the fact of the matter is you can't find anybody that
2 knows how to write in this language anymore. We have two folks
3 that do it now, one is already passed their retirement date, they
4 can leave any day, and the other fellow isn't far behind.

5
6 **CHAIRPERSON BROWNING:**

7 Okay. The question, maybe John Ortiz, you could answer this. If
8 there's -- so it's not really the Time and Accrual System, it's
9 their Management System. Can we go ahead and approve this the way
10 it's written?

10:59AM

11
12 **MR. ORTIZ:**

13 Yeah, the Capital Project has been approved for this. It's both,
14 it's the JMS and the Time and Accrual System, but the immediate
15 funding, as Chief Sharkey said, would be for the JMS.

16
17 **CHAIRPERSON BROWNING:**

18 Okay. I just want to make sure that there's -- you know, if
19 there's a little discrepancy in how it's written up, that we're
20 able to go ahead and do it. Okay, thank you. Any other questions?
21 Anybody have any questions? No? Thank you.

11:00AM

22
23 **CHIEF SHARKEY:**

24 Thank you.

25
26 **CHAIRPERSON BROWNING:**

27 So I'll make a motion, and second, Legislator Martinez. All in
28 favor? Opposed? Abstentions? Okay, *it's approved (VOTE: 7-0-0-1*
29 *- Not Present: Legislator FLEMing)*. Thank you, Mike.

11:00AM

30
31 **1342-17 - Authorizing the County Executive to accept funds from**
32 **National Grid remaining from a now-dissolved Emergency Management**
33 **Conference partnership (County Executive).** What's that?
34 *(Laughter)*. You've got an answer on that, Joe? Certainly we want
35 to take the money, but --

36
37 **COMMISSIONER WILLIAMS:**

38 What happened, in the early 1990s, before the current
39 administration, before I was even at FRES, there was a partnership
40 drawn up between Nassau County, New York City, Suffolk County, New
41 York State. They held -- in conjunction with National Grid to hold
42 a conference every year, Emergency Management Conference. At that
43 conference, what they did, they had to actually rent the halls,
44 they had to provide food. What they did, they charged the people
45 coming from around the State, and also sponsors. Looking at all
46 the -- everything we know about at the time, it was there when I
47 came, was that the feeling of the Suffolk County Administration at
48 the time, Nassau County, New York City, were never involved in
49 collecting any of that money, that was all held by National Grid.
50 There was nobody here in Suffolk County since then, including
51 myself, that's on any record of signing any contracts.

11:01AM

52
53 The best I could figure out from that was that the partnership, the
54 conference was a very good -- actually a very good thing until
55 about 2014. The conference -- the attendance was falling off at
56 the time, so what happened, after we decided not to hold the

1 conference anymore, National Grid was sitting there with some money
2 that was left over which they got from sponsors, after paying all
3 their bills over the years. They contacted myself, the
4 Commissioner of New York City, Commissioner of Nassau County,
5 asking us what do they do with the money. What their Counsel
6 recommended to them is that they take that exact amount of money,
7 divide it by three ways and give it back to the Counties to be used
8 at their discretion going forward. And again, it's important to
9 mention that there was no signed partnerships, there was no
10 agreements, it didn't cost the County any money to belong to this
11 partnership. As a matter of fact, we benefitted very highly from
12 it. Our people went to it, they had fantastic speakers and we had
13 numerous departments from Suffolk County there. But now that has
14 ended, so National Grids wants to dissolve this account and pass it
15 on to the municipalities that they're partnered with.

11:02AM

16
17 **CHAIRPERSON BROWNING:**

18 It says a whole big \$9800, but we'll take it.

19
20 **COMMISSIONER WILLIAMS:**

21 *(Laughter)*.

22
23 **CHAIRPERSON BROWNING:**

24 Maybe you want to let us know what you're going to spend it on.

25
26 *(*Laughter*)*

27
28 I can't imagine. But anyway, with that, I believe there was a
29 motion to approve and a second. There's no more questions. All in
30 favor? Opposed? Abstentions? Okay, ***it's approved (VOTE: 7-0-0-1***
31 ***- Not Present: Legislator Fleming)***. Thank you, Joe.

11:03AM

32
33 **COMMISSIONER WILLIAMS:**

34 Thank you.

35
36 **CHAIRPERSON BROWNING:**

37 ***1343-17 - Approving the reappointment of Kyle Markott as a member***
38 ***of the Suffolk County Fire, Rescue and Emergency Services***
39 ***Commission (County Executive)***. I'll make that motion to approve.
40 Second, Legislator Kennedy. All in favor? Opposed? Abstentions?
41 ***Approved (VOTE: 7-0-0-1 - Not Present: Legislator Fleming)***.

11:03AM

42
43 ***1344-17 - Appropriating funds in connection with the District***
44 ***Attorney Case Management System (CP 1136) (County Executive)***.

45 I don't know if there's anybody here that can explain that one.
46 I guess I'll make a motion to approve. I think it explains itself.
47 Second, Legislator Calarco. All in favor? Opposed? Abstentions?
48 ***It's approved (VOTE: 7-0-0-1 - Not Present: Legislator Fleming)***.

11:04AM

49
50 1350 -- this is a good one, finally. ***1350-17 - Appropriating funds***
51 ***in connection with the Renovations to Bathrooms in Police***
52 ***Headquarters (CP 3189) (County Executive)***. I'll make a motion to
53 approve.

54
55 **LEG. KENNEDY:**

56 Second.

1 **CHAIRPERSON BROWNING:**

2 Second, Legislator Kennedy. Those bathrooms, I have to tell you,
3 were horrendous, so we're very happy for the employees that work
4 there, that they're finally --

5
6 **LEG. MARTINEZ:**

7 Through the Chair?

8
9 **CHAIRPERSON BROWNING:**

10 Yes.

11
12 **LEG. MARTINEZ:**

13 Just Headquarters? What about the other precincts?

14
15 **CHAIRPERSON BROWNING:**

16 It says Police Headquarters. Is there other places this is going
17 to go; just Headquarters? I think this one's just Headquarters.

18
19 **MS. HORST:**

11:05AM 20 Just headquarters.

21
22 **LEG. MARTINEZ:**

23 Are there any plans for the precincts?

24
25 **MS. HORST:**

26 I'm going to defer on that one to the department.

27
28 **CHAIRPERSON BROWNING:**

29 Okay. So can we go ahead and approve this one?

30
31 **LEG. MARTINEZ:**

32 Yes.

33
34 **CHAIRPERSON BROWNING:**

35 So there was a motion and a second. All in favor? Opposed?
36 Abstentions? *It's approved (VOTE: 7-0-0-0).*

37
38 You know, we've been there and we've seen the condition of your
39 bathrooms. I mean -- and a whole lot of other conditions. Is
11:05AM 40 there other precincts that there's plans for?

41
42 **LIEUTENANT SCHARF:**

43 Lieutenant Bob Scharf here, good morning. The precincts have all
44 been either newly built, like the 4th and the 6th, or renovated at
45 least in the mid to late 90s. Police Headquarters is 40 years old,
46 never renovated and the bathrooms are in much worse condition than
47 any of the other buildings at this time.

48
49 **LEG. MARTINEZ:**

11:05AM 50 So is that a no?

51
52 **LIEUTENANT SCHARF:**

53 That is a no at this time, and if it becomes a need we will address
54 it. This initial 50 here, although it might look like planning,
55 when you look at it, actually it's to start the project by doing
56 the two public bathrooms in the lobby area as well as making them

1 handicapped accessible for visitors.

2
3 **LEG. MARTINEZ:**

4 I only ask because it has been brought to my attention the
5 conditions of certain locations of the 3rd Precinct. And so if you
6 can definitely take a look at those, I would appreciate that.

7
8 **LIEUTENANT SCHARF:**

9 The 3rd Precinct was renovated in the earlier 90s. Again, I will
10 make a point of doing that. I can say as 40 years old, the
11 Headquarters building definitely is a more need, but we will take a
12 look at it.

13
14 **LEG. MARTINEZ:**

15 Yeah, no one's disputing that the Headquarters needs attention, but
16 I would also like attention be given to the precincts as well.

17
18 **LIEUTENANT SCHARF:**

19 Yes, Ma'am.

20
21 **CHAIRPERSON BROWNING:**

22 And we are going to be -- the Budget Working Group is going to be
23 starting to meet, so you might want to kind of make sure there's a
24 proposal put in to make sure that there's funding to do that?

25
26 **LIEUTENANT SCHARF:**

27 Yes.

28
29 **CHAIRPERSON BROWNING:**

30 Okay. So next is *1351-17 - Appropriating funds in connection with*
31 *the Replacement of the Hauppauge Tower and Generator (CP3238)*
32 *(County Executive)*. I'll make a motion to approve. And do we have
33 a second?

34
35 **LEG. KENNEDY:**

36 Second.

37
38 **CHAIRPERSON BROWNING:**

39 Legislator Kennedy. And again, I always ask, is this part of the
40 Motorola project? How come I knew you were coming up for that?

41
42 And the same with 1352; is this all part of the larger project?

43
44 **MR. POSTEL:**

45 Michael Postel, Suffolk County Police. No, Madam Chair, it's not
46 part of the Motorola project, it is separate. This is the physical
47 tower itself, the steel that comprises the lattice tower
48 constructed on the Expressway over here in Hauppauge and the main
49 tower at Police Headquarters. So those are the two projects.

50
51 **CHAIRPERSON BROWNING:**

52 And the reason why we're replacing them?

53
54 **MR. POSTEL:**

55 The tower on the Expressway is 30 plus years old and is not
56 currently up to the latest standards that are required for the type

1 of tower that it is. The reason we are looking at replacement as
2 opposed to rehabilitation is because of the cost and the fact that
3 it is a 30-year old tower. And we are getting estimates that it
4 could be more beneficial to the County to replace it as opposed to
5 reinforcing it which would be the last reinforcement that could be
6 done to the tower. Thus, if any further changes are made to the
7 standard for winds and ice loading on the tower, basically it would
8 kind of be a waste of money because we would have a tower that we
9 just renovated that now doesn't meet the standard again.

11:08AM 10

11 **CHAIRPERSON BROWNING:**

12 Okay, thank you. And what about 52 while you're here?

13
14 **MR. POSTEL:**

15 Fifty-two, the Yaphank tower, the primary tower at Police
16 Headquarters, that one does just need some TLC, and we have to have
17 a couple of structural members reinforced and it needs a fresh coat
18 of paint and a new lighting system and the tower will be good.

19
20 **CHAIRPERSON BROWNING:**

21 Okay. Thank you.

22
23 **MR. POSTEL:**

24 That one is good for many more years.

25
26 **CHAIRPERSON BROWNING:**

27 Thanks, Mike. Legislator Cilmi, you have a question?

28
29 **LEG. CILMI:**

30 Yes, please, on 51.

11:09AM

31
32 **MR. POSTEL:**

33 Yes, sir.

34
35 **LEG. CILMI:**

36 On the Hauppauge tower. No changes to the height of the tower?

37
38 **MR. POSTEL:**

39 Three hundred and sixty feet is the height of the tower now.

40
41 **LEG. CILMI:**

42 Right.

43
44 **MR. POSTEL:**

45 That currently meets our communication standards. We cannot go
46 lower, which was proposed by one of the vendors that came in, and
47 that's not acceptable, so we would build it 360 feet again.

48
49 **LEG. CILMI:**

50 Okay. And no significant changes to the physical appearance?

11:09AM

51
52 **MR. POSTEL:**

53 Actually, I have to refer to a new guideline that was just recently
54 released by the FAA. The only possible appearance change would be
55 the not -- the paint. The tower might not have to be painted per
56 new FAA guidelines if it's lit, because there are some new

1 requirements that came out. So if it does not have to be painted,
2 it would be probably a galvanized gray color as opposed to the
3 alternating orange and white that it currently is. So that could
4 be the only appearance difference. Aside from that, it will be a
5 three-legged lattice tower in the general vicinity of where it is
6 now, and other than that it just would be a paint issue.

7
8 **LEG. CILMI:**

9 All right, thank you.

10
11 **MR. POSTEL:**

12 Any other questions?

13
14 **CHAIRPERSON BROWNING:**

15 I do not believe so.

16
17 **MR. POSTEL:**

18 Thank you, Madam Chair.

19
20 **CHAIRPERSON BROWNING:**

21 Thank you. So with that, 1351, we had a motion and a second. All
22 in favor? Opposed? Abstentions? **It's approved (VOTE: 7-0-0-1 -**
23 **Not Present: Legislator Fleming).**

24
25 **1352-16 - Appropriating funds in connection with the repair of**
26 **Yaphank Tower (CP 3239) (County Executive).** I guess we can do same
27 motion, same second, same vote. **(Approved - VOTE: 7-0-0-1 - Not**
28 **Present: Legislator Fleming).**

29
30 **1353-17 - Appropriating funds in connection with the Police**
31 **Criminal Intelligence Section's Operations Center (CP 3248) (County**
32 **Executive).** I think probably most of you were in that meeting
33 where we got to see that room, we all know the need. So with that,
34 I guess I'll make a motion to approve. Second, Legislator Calarco.
35 All in favor? Opposed? Abstentions? **It's approved (VOTE:**
36 **7-0-0-1 - Not Present: Legislator Fleming).**

37
38 **1354-17 - Appropriating funds in connection with Police**
39 **Headquarters, Precinct and Lobby Upgrades (CP 3521) (County**
40 **Executive).** Is that of interest to you, Monica?

41
42 **LEG. MARTINEZ:**

43 Read it.

44
45 **CHAIRPERSON BROWNING:**

46 Motion to approve.

47
48 **LEG. MARTINEZ:**

49 Yeah, motion to approve.

50
51 **CHAIRPERSON BROWNING:**

52 Motion to approve by Legislator Martinez. Second, Legislator
53 Calarco. All in favor? Opposed? Abstentions? **It's approved**
54 **(VOTE: 7-0-0-1 - Not Present: Legislator Fleming).**

1 And I did forget to mention, Legislator Fleming was on her way and
2 is not -- was not able to get here, so she does have an excused
3 absence.

4
5 Okay, so 1342. Just recall the vote?

6
7 **MR. NOLAN:**
8 We need a motion and a second.

9
10 **CHAIRPERSON BROWNING:**
11 Okay, I believe there was no motion. We don't have record, okay.
12 So I guess I'll make a motion to approve.

13
14 **D.P.O. CALARCO:**
15 Second.

16
17 **CHAIRPERSON BROWNING:**
18 Second, Legislator Calarco. All in favor? Opposed? Abstentions?
19 It's approved (*VOTE: 7-0-0-1 - Not Present: Legislator Fleming*).
20 Okay?

21
22 With that, we have nothing more on the agenda. I will keep you
23 updated on --

24
25 **LEG. SPENCER:**
26 Kate? Patrice.

27
28 **CHAIRPERSON BROWNING:**
29 Oh, Patrice! Oh my God.

30
31 **DIRECTOR DLHOPOLSKY:**
32 Hello.

33
34 **CHAIRPERSON BROWNING:**
35 Patrice, we are going to see you on Tuesday. And I want to say
36 thank you so much. Patrice was our Director --

37
38 *Applause*

39
40 Come forward -- for Probation, and also my constituent.

41
42 **DIRECTOR DLHOPOLSKY:**
43 I want to thank you all. You have been very courteous in all our
44 dealings during the time that I've been the Director and I really
45 appreciate that. And I also certainly appreciate the care and
46 attention you've given to the matters that relate to our
47 department.

48
49 I do believe that the Probation Department performs an important
50 task that people sometimes overlook, but with anybody who gets in
51 trouble in this County, you can't simply arrest your way out of
52 problems, you have to deal with those problems in the aim where
53 it's possible. I mean, obviously there are those people who need
54 to be locked away because they're a severe threat to society. But
55 for those who aren't, it's very important that we work with them
56 and that we try to make them into law-abiding taxpayers. And that

1 is our aim and we appreciate all your assistance in helping us to
2 do so. Thank you very much.

3
4 **CHAIRPERSON BROWNING:**

5 Thank you, Patrice. And I have to say, it's been an honor to work
6 with you --

7
8 **DIRECTOR DLHOPOLSKY:**

9 Thank you.

11:13AM 10

11 **CHAIRPERSON BROWNING:**

12 -- and serve on CJCC with you.

13
14 **DIRECTOR DLHOPOLSKY:**

15 Thank you. Same here.

16
17 **CHAIRPERSON BROWNING:**

18 And not only as our Director, but also as my constituent, I want to
19 say thank you for all the work that you've done. You know how I
20 feel about you guys. When we talk about alternatives to
21 incarceration, it doesn't happen without you.

11:13AM 22

23 **DIRECTOR DLHOPOLSKY:**

24 Thank you very much.

25
26 **CHAIRPERSON BROWNING:**

27 And I'm hoping that even when I'm gone, that my colleagues will
28 continue to fight for Probation Officers and what they need.

11:14AM 29

30 **DIRECTOR DLHOPOLSKY:**

31 Thank you.

32
33 **CHAIRPERSON BROWNING:**

34 And again, I know I'm going to see you because our husbands are
35 both in the same VFW, so I know we'll continue to see each other,
36 and we will see you on Tuesday so thank you very much for
37 everything you've done.

38
39 **DIRECTOR DLHOPOLSKY:**

40 Thank you all.

11:14AM 41

42 *Applause*

43
44 **CHAIRPERSON BROWNING:**

45 With that, we are adjourned.

46

47 *(*The meeting was adjourned at 11:14 a.m.*)*

48
