

PUBLIC NOTICE
OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the Suffolk County Legislature in Hauppauge, New York, in said County, on May 12, 2009 at 2:30 PM, Prevailing Time, for the purpose of conducting a public hearing upon a proposal to plan the increase and improve the infrastructure facilities that are associated with electrical and mechanical systems and building renovations for Suffolk County Sewer District No. 3 – Southwest in and about the Towns of Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County legislature by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, at which time and place said Suffolk County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide improvements to buildings, electrical systems, mechanical systems, HVAC and auxiliary equipment to extend the life to support treatment processes. The cost opinion associated with the project is \$2.0 million for the infrastructure improvement project. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2010. Based on the project schedule, the maximum payment will be during 2011 at a value of \$187,800. Financing is at 5.5% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately \$1.92 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the towns resulting in an increase of \$0.005091 per \$1,000 of full value for Capital Project 8170, the Infrastructure Improvement Project.

In addition to the Infrastructure Improvement Project there are three concurrent projects in Sewer District No. 3 - Southwest. The total increase per typical property for all four projects is approximately \$15.53.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature where the same may be examined during regular business hours.

It is requested that speakers prepare a written statement to submit for the record.

Tim Laube
Clerk of the County Legislature

PUBLIC NOTICE
OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the County Legislature in Hauppauge, New York, in said County, on May 12, 2009 at 2:30 PM, Prevailing Time, for the purpose of conducting a public hearing upon a proposal to construct an ultraviolet disinfection system for Suffolk County Sewer District No. 3 – Southwest in and about the Towns of Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the Suffolk County Legislature by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, at which time and place said Suffolk County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide construction of an ultraviolet disinfection system which includes a concrete chamber, ultraviolet equipment, electrical supply, a backup diesel generator, and miscellaneous auxiliary equipment. The cost opinion associated with the Ultraviolet Disinfection project is \$10.0 million. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2010. Based on the project schedule, the maximum debt payment will be during 2011 at a value of \$939,000. Financing is at 5.5% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately \$9.59 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the towns resulting in an increase of \$0.025455 per \$1,000 of full value for Capital Project 8132, the Ultraviolet Disinfection System.

In addition to the Ultraviolet Disinfection System project there are three concurrent projects in Sewer District No. 3 – Southwest. The total increase per typical property for all four projects is approximately \$15.53.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.
