PUBLIC NOTICE OF ADOPTION OF LOCAL LAW

PLEASE TAKE NOTICE THAT the following is a true copy of Local Law Number 17-2009 of the County of Suffolk, which was duly passed by the County Legislature on May 12, 2009, by Resolution No.376-2009, returned signed by the County Executive on June 1, 2009, and filed with the Secretary of State on June 15, 2009.

RESOLUTION NO. 376 -2009, ADOPTING LOCAL LAW NO. 17 -2009, A LOCAL LAW SETTING LEASE TERMS PERTAINING TO LEASES OF REAL PROPERTY ACQUIRED FOR AIRPORT USE

WHEREAS, there was duly presented and introduced to this County Legislature at a regular meeting held on March 24, 2009 a proposed local law entitled “**A LOCAL LAW SETTING LEASE TERMS PERTAINING TO LEASES OF REAL PROPERTY ACQUIRED FOR AIRPORT USE**”; and said local law in final form is the same as when presented and introduced; now, therefore be it

RESOLVED, that said local law be enacted as follows:

LOCAL LAW NO. 17 -2009, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW SETTING LEASE TERMS PERTAINING TO LEASES OF REAL PROPERTY ACQUIRED FOR AIRPORT USE

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County owns a substantial amount of real property located at Francis S. Gabreski Airport, Westhampton Beach (the “Airport”) that was originally released to the County as surplus government property, to be used for airport purposes. In furtherance of the objective to better manage the Airport and simultaneously promote an area for development of business and/or industrial use, approximately 58 acres were released by the Federal Aviation Administration for purposes of non-aviation development. This area is identified in the Town of Southampton Zoning Code as the Gabreski Airport Planned Development District (the “APDD”).

This Legislature finds that Article XLII of the Suffolk County Administrative Code, Section A42-2, authorizes the County to lease airport property not necessary for the proper and efficient operation of the airport for a term of up to 40 years, and for such other purposes as this Legislature may determine provided such other purposes do not interfere with the proper and efficient operation of the Airport.

This Legislature further finds and determines that the 40-year lease term limit set forth in Section A42-2 of the Suffolk County Administrative Code may impose an economic and commercial hurdle to the initial development of the site as a business/industrial park.

Therefore, the purpose of this local law is to authorize the Department to lease property within the APDD for an initial lease term of forty years, and a single option period not to exceed an additional 40 years.

Section 2. Amendments.

Section A42-2 of the SUFFOLK COUNTY CODE is hereby amended to read as follows:

**Article XLII
DEPARTMENT OF ENVIRONMENT AND ENERGY**

* * * *

§ A42-2.

A. Notwithstanding the provisions of § 352 of the New York General Municipal Law, the County [Division of Real Property Acquisition and Management] may lease, [subject to the provisions of § C15-4 of the Suffolk County Charter] for a term not exceeding 40 years, real property acquired for airport purposes and not necessary for the efficient and proper operation of the airport, and for such other purposes as the Legislature may determine, provided that such other purposes do not interfere with the proper and efficient operation of the remainder of the airport. Notwithstanding the foregoing limitation, property located within the Airport Planned Development District may be leased for an initial term not exceeding 40 years with the option to extend the lease for a term not to exceed an additional 40 years.

Section 3. Applicability.

This law shall apply to all actions occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20) and (27) of Title 6 of the NEW YORK CODE OF

RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect immediately upon filing in the Office of the Secretary of State.

PUBLIC NOTICE OF ADOPTION OF LOCAL LAW

PLEASE TAKE NOTICE THAT the following is a true copy of Local Law Number 18-2009 of the County of Suffolk, which was duly passed by the County Legislature on May 12, 2009, by Resolution No.375-2009, returned signed by the County Executive on June 1, 2009, and filed with the Secretary of State on June 15, 2009.

RESOLUTION NO. 375 -2009, ADOPTING LOCAL LAW NO. 18 -2009, A LOCAL LAW TO ENHANCE PUBLIC SAFETY BY REGULATING THE SECONDARY GEM MARKET

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on March 24, 2009, a proposed local law entitled, "**A LOCAL LAW TO ENHANCE PUBLIC SAFETY BY REGULATING THE SECONDARY GEM MARKET**;" now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. 18 -2009, SUFFOLK COUNTY, NEW YORK

A LOCAL LAW TO ENHANCE PUBLIC SAFETY BY REGULATING THE SECONDARY GEM MARKET

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that gems are valuable commodities that are frequently resold on secondary markets.

This Legislature also finds and determines that gems, both loose and set in jewelry or other items, are often the targets of thieves due to their high value and the ease with which they can be resold.

This Legislature further finds and determines that Suffolk County enacted Article IV of Chapter 345 of the SUFFOLK COUNTY CODE to regulate precious metal exchange businesses as a law enforcement tool to recover stolen items made from precious metals.

This Legislature finds that Suffolk County should regulate the secondary gem market in a similar manner to assist the efforts of law enforcement to aid in the recovery of stolen gems.

Therefore, the purpose of this law is to amend Article IV of Chapter 345 of the SUFFOLK COUNTY CODE to extend to the secondary gem market record-keeping and reporting requirements that are now applicable to transactions involving precious metals.

Section 2. Amendments.

Chapter 345 of the SUFFOLK COUNTY CODE is hereby amended as follows:

PUBLIC NOTICE OF ADOPTION OF LOCAL LAW

PLEASE TAKE NOTICE THAT the following is a true copy of Local Law Number 19-2009 of the County of Suffolk, which was duly passed by the County Legislature on May 12, 2009, by Resolution No.373-2009, returned signed by the County Executive on June 1, 2009, and filed with the Secretary of State on June 15, 2009.

RESOLUTION NO. 373-2009, ADOPTING LOCAL LAW NO. 19 -2009, A CHARTER LAW TO ESTABLISH A FISCALLY SOUND, FLEXIBLE POLICY FOR MANAGING BUDGET VOLATILITY

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on March 24, 2009 a proposed local law entitled, "**A CHARTER LAW TO ESTABLISH A FISCALLY SOUND, FLEXIBLE POLICY FOR MANAGING BUDGET VOLATILITY;**" now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. 19 -2009, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO ESTABLISH A FISCALLY SOUND, FLEXIBLE POLICY FOR MANAGING BUDGET VOLATILITY

BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK; as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that the County of Suffolk maintains a Tax Stabilization Reserve Fund as authorized by NEW YORK GENERAL MUNICIPAL LAW.

This Legislature also finds that the County of Suffolk has diligently and consistently increased the Tax Stabilization Reserve Fund over the past several years, and the Fund's balance now exceeds \$100 million.

This Legislature also finds that there is a present need to access the Tax Stabilization Fund due to the unanticipated and drastic decline of sales tax revenue and other tax receipts.

This Legislature further finds and determines that Charter section C4-10(F)(2) requires annual funding of the Tax Stabilization Reserve Fund. This requirement deprives the County Legislature and the County Executive of needed flexibility in managing the operating budget in the current environment of economic volatility.

This Legislature also finds that granting discretion to the County Legislature and the County Executive in replenishing the Tax Stabilization Reserve Fund will benefit Suffolk County taxpayers.

Therefore, the purpose of this law is to amend the SUFFOLK COUNTY CHARTER to allow the County greater flexibility in managing the operating budget by enlarging the County's discretion to replenish the Tax Stabilization Reserve Fund.

Section 2. Amendment.

Section C4-10(F) of the SUFFOLK COUNTY CHARTER is hereby amended to read as follows:

Article IV
County Budget and Capital Program

- 2.) Except as provided herein, no more than seventy-five percent (75%) of the positive fund balance may be returned to the taxpayers in any year. The remainder of the fund balance [shall] may be deposited into tax and debt stabilization reserve funds in fiscal years 2009, 2010, 2011 and 2012. [in amounts approved by the County Legislature for use in subsequent years as set forth below, except that once the balance of the tax stabilization reserve fund totals \$120 million (as defined by the adopted amount in the prior year's operating budget) or five percent (5%) of the general fund portion of the prior year's operating budget, whichever amount is greater, the County may return a larger percentage of the fund balance, up to one hundred percent (100%), to the taxpayers and/or approve a specific appropriation of this portion of the fund balance for the clearing of snow and ice from public thoroughfares and public places; the repair of potholes and other road surface maintenance: for heat, light and power in County-owned or -leased buildings: for disaster preparedness; for the payment of bonded indebtedness; or to provide "pay-as-you-go" funding pursuant to Local Law No. 23-1994.] In every fiscal year commencing in fiscal year 2013, the remainder of the fund balance shall be deposited into tax and debt stabilization reserve funds in amounts approved by the County Legislature for use in subsequent years as set forth below.

- 3.) Once the balance of the tax stabilization reserve fund totals \$120 million (as defined by the adopted amount in the prior year's operating budget) or five percent (5%) of the general fund portion of the prior year's operating budget, whichever amount is greater, the County may return a larger percentage of the fund balance, up to one hundred percent (100%), to the taxpayers and/or approve a specific appropriation of this portion of the fund balance for the clearing of snow and ice from public thoroughfares and public places; the repair of potholes and other road surface maintenance: for heat, light and power in County-owned or -leased buildings: for disaster preparedness; for the payment of bonded

indebtedness; or to provide "pay-as-you-go" funding pursuant to Local Law No. 23-1994.]

Section 3. Applicability.

This law shall apply to all County Operating Budgets enacted on or after the effective date of this law.

Section 4. Severability.

PUBLIC NOTICE OF ADOPTION OF LOCAL LAW

PLEASE TAKE NOTICE THAT the following is a true copy of Local Law Number 14-2009 of the County of Suffolk, which was duly passed by the County Legislature on May 12, 2009, by Resolution No.372-2009, returned signed by the County Executive on June 1, 2009, and filed with the Secretary of State on June 15, 2009.

RESOLUTION NO. 372 -2009, ADOPTING LOCAL LAW NO. 14 -2009, A CHARTER LAW TO IMPOSE FURTHER CONTROLS ON COUNTY DEBT AND DEBT SERVICE PAYMENTS

WHEREAS, there was duly presented and introduced to this County Legislature at a meeting held on February 3, 2009 a proposed local law entitled, "**A CHARTER LAW TO IMPOSE FURTHER CONTROLS ON COUNTY DEBT AND DEBT SERVICE PAYMENTS;**" now, therefore be it

RESOLVED, that said local law be enacted in form as follows:

LOCAL LAW NO. 14 -2009, SUFFOLK COUNTY, NEW YORK

A CHARTER LAW TO IMPOSE FURTHER CONTROLS ON COUNTY DEBT AND DEBT SERVICE PAYMENTS

**BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY
OF SUFFOLK**, as follows:

Section 1. Legislative Intent.

This Legislature hereby finds and determines that Local Law No. 37-1989 (codified in sections C4-13 and C4-21 of the SUFFOLK COUNTY CHARTER) established a policy which required that any increase in the County's adopted capital budget and program during the fiscal year be offset by a corresponding reduction in the capital budget.

This Legislature further finds that Local Law No. 37-1989 was designed to prevent large, unplanned increases in the capital budget and program and maintain debt and debt service expenditures at manageable and prudent levels.

This Legislature determines that the County of Suffolk tightened the requirements of Local Law No. 37-1989 in 2006 by prohibiting the use of sewer district projects to offset increases for non-sewer district projects.

This Legislature further finds and determines that Local Law No. 37-1989 needs to be strengthened again to stop a fiscally unsound practice whereby federal and state aid included in the capital budget for certain projects is utilized as the required offset for increases in other capital projects.

This Legislature determines that using state and federal aid in this manner is clearly inconsistent with the spirit and intent of Local Law No. 37-1989 in that

it allows the County's debt and debt service to increase without providing a genuine corresponding reduction in those costs. The inevitable result is higher debt and bigger debt service payments.

Therefore, the purpose of this law is to amend the SUFFOLK COUNTY CHARTER to prohibit the use of federal and state aid to offset increases in the County's adopted capital budget and program.

Section 2. Amendments.

Section C4-13 of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

C4-13. Modification of capital budget during fiscal year.

* * * *

- D. A resolution that increases the capital budget may not utilize federal and state aid included in the capital budget to achieve the corresponding reduction that is required by Subsection A of this section.

Section C4-21 of the SUFFOLK COUNTY CHARTER is hereby amended as follows:

C4-21. Modification of capital program.

* * * *

- D. A resolution that increases the capital program may not utilize federal and state aid included in the capital program to achieve the corresponding reduction that is required by Subsection A of this section.

Section 3. Applicability.

This law shall apply to capital budget and program amendments occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

Section 5. SEQRA Determination.

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK

CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

Section 6. Effective Date.

This law shall take effect on the sixtieth (60) day immediately subsequent to filing in the Office of the Secretary of State.

This law shall apply to all sales, leases, or other actions involving planned retirement communities occurring on or after the effective date of this law.

Section 4. Severability.

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be

invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.
