NOTICE OF ADOPTION

NOTICE IS HEREBY GIVEN that the County Legislature of the County of Suffolk, New York, duly adopted Resolution No. 894-2009 dated October 13, 2009, A Resolution making certain findings and determinations in relation to the increase and improvement of facilities for Sewer District No. 9 – College Park (CP 8163). A true copy of said resolution is attached hereto and published herewithin.

RESOLUTION NO. 894 -2009, A RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS IN RELATION TO THE INCREASE AND IMPROVEMENT OF FACILITIES FOR SEWER DISTRICT NO. 9 – COLLEGE PARK (CP 8163)

WHEREAS, a map and plan together with an estimate of cost has been prepared and filed with the County Legislature resulting in a public hearing on August 18, 2009 in relation to the increase and improvement of facilities for said District which includes the construction and rehabilitation of the wastewater treatment process at Suffolk County Sewer District No. 9 – College Park, in relation to; and

WHEREAS, pursuant to Resolution No. 670-2009, the Clerk of the Legislature did duly cause a Notice of Public Hearing to be published at least once in each of the official newspapers of the County, all in the manner and within the time provided by law and proof thereof has been presented to the County Legislature; and

WHEREAS, said public hearing was held in Riverhead, New York in said County on August 18, 2009 at 2:30 p.m., Prevailing Time; and

WHEREAS, said County Legislature has duly considered the map and plan and estimate of cost for the increase and improvement of Suffolk County Sewer District No. 9 – College Park, which includes construction and rehabilitation of the wastewater treatment process and submitted and evidence given at the public hearing held on August 18, 2009; now, therefore be it

1st **RESOLVED**, by the County Legislature of the County of Suffolk, New York, as follows:

Section 1. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it is hereby found and determined that it is in the public interest to perform the increase and improve the wastewater treatment system at Suffolk County Sewer District No. 9 – College Park, which includes improvements by constructing effluent filtration system in an expanding control building and installation of equipment and systems, that the proposed work is adequate and appropriate, and will not constitute an undue burden on the property which will bear the cost thereof;

Section 2. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, the Legislature further finds and determines that it is in the public interest to

expend \$750,000 on the increase and improvement of the wastewater treatment system which includes improvements by constructing effluent filtration system in an expanded control building and installation of equipment and systems at Suffolk County Sewer District No. 9 – College Park;

Section 3. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, and recommendations, and data filed with the County Legislature, it further finds and determines that it is in the public interest to provide for the increase and improve the wastewater treatment system at Suffolk County Sewer District No. 9 – College Park, at a maximum cost of \$750,000 which represents the aforementioned project which will be attributable to the increase and improvement of the wastewater treatment system which includes construction of effluent filtration system in an expanded control building and installation of equipment and systems of said sewer district, substantially in accordance with the map and plan;

Section 4. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it further finds that the project will result in a financial impact of \$13.31 per year per typical property;

Section 5. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it is found and determined that all property and property owners within the existing Suffolk County Sewer District No. 9 – College Park, will be benefited by such increase and improvement of facilities and that no benefited property has been excluded;

and be it further

2nd **RESOLVED**, this Legislature, being the lead agency under the State Environmental Quality Review Act ("SEQRA"), Environmental Conservation Law Article 8, hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations ("NYCRR"), the Legislature has no further responsibilities under SEQRA; and be it further

3^d **RESOLVED**, that this resolution shall take effect immediately.
