## NOTICE OF ADOPTION

NOTICE IS HEREBY GIVEN that the County Legislature of the County of Suffolk, New York, duly adopted Resolution No. 1107-2007 dated December 1, 2009, A Resolution Making Certain Findings and Determinations in relation to the increase and improvement of facilities for Sewer District No. 3 – Southwest (Sludge) (CP 8180). A true copy of said resolution is attached hereto and published herewithin.

### **RESOLUTION NO. 1107 -2009, A RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS IN RELATION TO THE INCREASE AND IMPROVEMENT OF FACILITIES FOR SEWER DISTRICT NO. 3 - SOUTHWEST (SLUDGE) (CP 8180)**

**WHEREAS**, a map, plan and estimate of cost were prepared and filed with this Suffolk County Legislature ("**Legislature**") resulting in a public hearing in relation to the installation of sludge thickening and dewatering facilities at Suffolk County Sewer District No. 3 – Southwest (Sludge); and

**WHEREAS**, pursuant to Resolution No. 923-2008, the Clerk of this Legislature did duly cause a Notice of Public Hearing to be published at least once in each of the official newspapers of the County, all in the manner and within the time provided by law and proof thereof has been presented to this Legislature; and

**WHEREAS**, said public hearing was held in Hauppauge, New York in said County on December 2, 2008 at 2:30 p.m., Prevailing Time; and

**WHEREAS**, following the publication of the December 2, 2008 public hearing but prior to such hearing being held, the Towns of Babylon and Islip provided new, updated data regarding the affected parcels which resulted in the Department of Public Works substantially reducing the projected annual increase to the typical property from approximately \$14.30 per typical property in the Town of Islip and approximately \$13.25 per typical property in the Town of Babylon to approximately \$10.61 for parcels in both towns. At said public hearing the updated cost per typical property information for both of the affected towns was conveyed to the attendees thereof; and

**WHEREAS**, on December 16, 2008 this Legislature passed Resolution No. 1208-2008, making certain findings and determinations in relation to the increase and improvement of facilities for Sewer District No. 3 - Southwest (Sludge) (CP 8180) and said Resolution erroneously contained the original rather than the updated cost per typical property information; and

**WHEREAS**, this Legislature desires to correct the record and has duly considered the map and plan and updated estimate of cost for the increase and improvement of sludge thickening and dewatering facilities for Suffolk County Sewer District No. 3 – Southwest (Sludge) submitted to it and the evidence given at the public hearing held on December 2, 2008; now, therefore be it

**1<sup>st</sup>**

**RESOLVED**, by this Legislature, as follows:

Section 1. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and other data filed with this Legislature, it is hereby found and determined that it is in the public interest to increase and improve the sludge thickening and dewatering facilities at Suffolk County Sewer District No. 3 – Southwest (Sludge), that the proposed work is adequate and appropriate, and will not constitute an undue burden on the property which will bear the cost thereof;

Section 2. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature further finds and determines that it is in the public interest to expend \$3,300,000 on the increase and improvement of sludge thickening and dewatering facilities at Suffolk County Sewer District No. 3 – Southwest (Sludge);

Section 3. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, and recommendations, and data filed with this Legislature, this Legislature further finds and determines that it is in the public interest to provide for the increase and improvement of the sludge thickening and dewatering facilities at Suffolk County Sewer District No. 3 – Southwest (Sludge) at a maximum cost of \$3,300,000 which represents the aforementioned project which will be attributable to the increase and improvement of sludge thickening and dewatering facilities of said sewer district, substantially in accordance with the revised map and plan;

Section 4. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature further finds that one other project (wastewater treatment and infrastructure improvements, Capital Project Number 8170) being implemented for this sewer district, when added to the project will result in an annual increase to the typical property of approximately \$10.61 but no more than \$11.00 for parcels located in either Town;

Section 5. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature further finds and determines that all property and property owners within the existing Suffolk County Sewer District No. 3 – Southwest (Sludge) will be benefited by such planning of the increase and improvement of facilities and that no benefited property has been excluded from the increase and improvement of facilities;

and be it further

**2<sup>nd</sup>** **RESOLVED**, that Resolution No. 1208-2008 is hereby repealed, effective immediately.

**3<sup>rd</sup>** **RESOLVED**, this Legislature, being the lead agency under the State Environmental Review Act (“SEQRA”), Environmental Conservation Law Article 8, hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations (“NYCRR”), this Legislature has no further responsibilities under SEQRA, and be it further

**4<sup>th</sup>** **RESOLVED**, that this resolution shall take effect immediately.

**WHEREAS**, a map and plan together with an estimate of cost has been prepared and filed with the County Legislature resulting in a public hearing on October 13, 2009 in relation to the increase and improvement of facilities for said district which includes the construction of the wastewater treatment process odor control at Suffolk County Sewer District No. 5 – Strathmore Huntington, in relation to; and

**WHEREAS**, pursuant to Resolution No. 825-2009, the Clerk of the Legislature did duly cause a Notice of Public Hearing to be published at least once in each of the official newspapers of the County, all in the manner and within the time provided by law and proof thereof has been presented to the County Legislature; and

**WHEREAS**, said public hearing was held in Riverhead, New York in said County on October 13, 2009 at 2:30 p.m., Prevailing Time; and

**WHEREAS**, said County Legislature has duly considered the map and plan and estimate of cost for the increase and improvement of Suffolk County Sewer District No. 5 – Strathmore Huntington which includes construction of the wastewater treatment process odor control and submitted and evidence given at the public hearing held on October 13, 2009; now, therefore be it

**1<sup>st</sup> RESOLVED**, by the County Legislature of the County of Suffolk, New York, as follows:

Section 1. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it is hereby found and determined that it is in the public interest to perform the increase and improve the wastewater treatment system at Suffolk County Sewer District No. 5 Strathmore Huntington, which includes improvements by constructing an odor control system and tank covers that the proposed work is adequate and appropriate, and will not constitute an undue burden on the property which will bear the cost thereof;

Section 2. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, the Legislature further finds and determines that it is in the public interest to expend \$750,000 on the increase and improvement of the wastewater treatment system which

includes improvements by constructing an odor control system and tank covers at Suffolk County Sewer District No. 5 – Strathmore Huntington;

Section 3. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, and recommendations, and data filed with the County Legislature, it further finds and determines that it is in the public interest to provide for the increase and improve the wastewater treatment system at Suffolk County Sewer District No. 5 – Strathmore Huntington at a maximum cost of \$750,000 which represents the aforementioned project which will be attributable to the increase and improvement of the wastewater treatment system which includes construction of an odor control system and tank covers of said sewer district, substantially in accordance with the map and plan;

Section 4. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it further finds that the project will result in a financial impact of \$35.00 per year per typical property;

Section 5. Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with the County Legislature, it is found and determined that all property and property owners within the existing Suffolk County Sewer District No. 5 – Strathmore Huntington, will be benefited by such increase and improvement of facilities and that no benefited property has been excluded;

and be it further

**2<sup>nd</sup>** **RESOLVED**, this Legislature, being the lead agency under the State Environmental Quality Review Act (“SEQRA”), Environmental Conservation Law Article 8, hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations (“NYCRR”), the Legislature has no further responsibilities under SEQRA, and be it further
