Tim Laube
Clerk of the County Legislature

PUBLIC NOTICE
OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the Suffolk County Legislature in Riverhead, New York, in said County, on the 12th day of October, 2010 at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing upon a proposal to plan the increase and improve the sewer collection facilities that are associated with reduction of infiltration and inflow for Suffolk County Sewer District No. 3 – Southwest in and about the Towns of Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County Legislature by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, at which time and place said Suffolk County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide the planning and reconstruction or rehabilitation in the sewer system to reduce or eliminate extraneous flow. The cost opinion associated with the project is \$3.0 million. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations. It will consist of planning, and field work to determine the design and cost effective removal of extraneous flows and a construction phase including grouting, lining, and sewer replacement.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2011. Based on the project schedule, the maximum payment will be during 2012 at a value of \$285,000. Financing is at 4.65% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately \$2.85 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the Towns resulting in an increase of 0.008289 per \$1,000 of full value for Capital Project 8181, the Infiltration/Inflow reduction.

In addition to the Infiltration/Inflow Project there are two concurrent projects in Sewer District No. 3 – Southwest. The total increase per typical property for all three projects is approximately \$18.64.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.

It is requested that speakers prepare a written statement to submit for the record.

Tim Laube
Clerk of the County Legislature

PUBLIC NOTICE
OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the Suffolk County Legislature in Riverhead, New York, in said County, on the 12th day of October, 2010 at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing upon a proposal to plan the expansion of the facilities that are associated with the Bergen Point Wastewater Treatment Plant for Suffolk County Sewer District No. 3 – Southwest in and about the Towns of Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County Legislature by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, at which time and place said Suffolk County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide a 10 million gallon per day expansion of the Bergen Point Wastewater Treatment Plant. The cost opinion associated with the project is \$65.0 million for the expansion project. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2011. Based on the project schedule, the maximum payment will be during 2012 at a value of \$6,175,000. Financing is at 4.65% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately \$61.85 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the Towns resulting in an increase of 0.17959 per \$1,000 of full value for Capital Project 8183, Expansion Project.

In addition to the Expansion Project there are two concurrent projects in Sewer District No. 3 – Southwest. The total increase per typical property for all three projects is approximately \$18.64.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.

It is requested that speakers prepare a written statement to submit for the record.

Tim Laube
Clerk of the County Legislature

PUBLIC NOTICE
OF PUBLIC HEARING

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the County Legislator in Riverhead, New York, in said County, on the 12th day of October, 2010 at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing upon a proposal for increases and improvements to the sewer collection system facilities Suffolk County Sewer District No. 7 - Medford, in and about the Town of Brookhaven, substantially in accordance with the maps, plans, report and recommendations prepared by and filed with the Suffolk County Legislature by the Suffolk County Sewer Agency with the assistance of the County Department of Public Works, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

Notice of Cost

The total cost for the increases and improvements to Suffolk County Sewer District No. 7 – Medford is \$200,000 using sewer district serial bonds. The cost is to be allocated to the entire area of said sewer district. It is proposed that the project will be implemented during 2011 and that \$200,000 in sewer district serial bonds financed at 4.65% over 20 years and will be appropriated in 2010 with the first interest payment in 2011 and the maximum payment year for the project being 2012. It is indicated in the map, plan and report that the project will require sewer district serial bonds and the financial impact of the project on the typical and median property will be less than \$6.00 per year per typical property.

Project Description

The increase and improvement to Suffolk County Sewer District No. 7 - Medford of the improvement project includes the repair and replacement of the sewer system piping and appurtenances. The project is more fully described and defined in the aforementioned maps, plans, report and recommendations. The estimate of the cost associated with the increase and improvement project is \$200,000.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature where the same may be examined during regular business hours.

It is requested that speakers prepare a written statement to submit for the record.

Tim Laube
Clerk of the County Legislature

PUBLIC NOTICE
OF PUBLIC HEARING

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the County Legislature in Riverhead, New York, in said County, on the 12th day of October, 2010 at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing upon a proposal to increase, improve the facilities of County Sewer District No. 14 - Parkland in and about the northeast corner of the Town of Islip, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County Legislature by the Suffolk County Sewer Agency with the assistance of the County Department of Public Works, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to improve current problems with the aging infrastructure of the sewage treatment plant which comprise the existing Sewer District which will allow environmental benefits and more efficient operations. The environmental benefits associated with the project include the implementation of reliable and efficient sewage treatment systems. An engineering report has been prepared and the cost opinion approaches a total cost, for the improvements to the district of \$1,000,000.

The proposed County sewer district increase and the improvements, therefore, as more fully described and defined in the aforementioned maps, plans, report and recommendations, will consist, among other things, of improvements to various treatment process and structures. Copies of the map, engineering report, the public hearing report and the project summaries are available in the Office of the Department of Public Works, located in Yaphank and the Office of the Clerk of the County Legislature where they can be reviewed during normal business hours Monday through Friday. We encourage all interested parties to appear.

The public hearing report incorporates a map indicating the boundaries of the existing sewer district. The existing district is billed based on the classification of unit, either home, condominium or water consumption for commercial use. During 2010, homes were billed at \$313/unit and condominium at \$254/unit. This bill includes debt service and operation and maintenance costs. Pursuant to the requirements of participation in the Suffolk County Assessment Stabilization Reserve Fund, which was established by Suffolk County Charter, bills are increased by 3% per year in order for the participating districts to be eligible to access the Reserve Fund. Funding from the Suffolk County Assessment Stabilization Reserve Fund then permits these participating districts to stabilize annual costs. The existing district parcels have experienced the 3% increase with the typical property being billed \$313 during 2010. The cost to the typical parcel is reached by determining the median annual parcel cost when each individual residential parcel cost is listed in increasing value. The maximum payment year is 2012 and the rate would be \$332/unit and \$269/unit for the homes and condominiums, respectively, and would result in an increase from 2010 of approximately \$9.50 and \$7.50 respectively for the typical parcel, as described above. The project schedule provides that construction will be initiated during 2011 and all parcels in the existing district will continue to pay on a benefit basis. The estimated expense of said increase and improvements will be approximately \$1,000,000.

A copy of the map, plan and estimate of costs relating to said proposed increase, improvement, and extension of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.

It is requested that speakers prepare a written statement to submit for the record.

Tim Laube
Clerk of the County Legislature

NOTICE TO CONSULTANTS

**COUNTY OF SUFFOLK
DEPARTMENT OF PUBLIC WORKS
YAPHANK, NEW YORK**

Sealed proposals will be received until 4:30 p.m. Prevailing Time on **Thursday, November 4, 2010**, at the office of the Commissioner of Public Works, 335 Yaphank Avenue, Yaphank, New York, 11980, for:

**REQUEST FOR PROPOSAL (RFP)
SCOPING, PRELIMINARY AND FINAL DESIGN
FOR THE REPLACEMENT OF
CR 46, WILLIAM FLOYD PARKWAY OVER NARROW BAY
SMITH POINT BRIDGE
TOWN OF BROOKHAVEN
SUFFOLK COUNTY, NY
CAPITAL PROJECT NO. 5838**

Description of Services: Design of a new fixed bridge and associated approaches to replace the existing moveable bascule bridge.

Other Information:

The RFP provides general information, submission format, selection process and other special conditions.

Firms must submit proof of authority to practice engineering and surveying services in New York State.

Subconsultants, subcontracting and/or joint ventures are permitted.

Proposals may be obtained between the hours of 9:30 a.m. and 3:30 p.m. beginning **October 7, 2010**, at:

Chief Engineers Office
Room # 129
Department of Public Works
335 Yaphank Avenue
Yaphank, NY

Any questions or information regarding this project shall be directed to William Hillman, P. E., Chief Engineer at (631) 852-4002.
