

PUBLIC NOTICE  
OF PUBLIC HEARING

PLEASE TAKE NOTICE that the County Legislature of the County of Suffolk, New York, will meet at the North County Complex in the meeting room of the County Legislature in Riverhead, New York, in said County, on the 7<sup>th</sup> day of December, 2010 at 2:30 p.m., Prevailing Time, for the purpose of conducting a public hearing upon a proposed amendment to the map and plan of service for County Sewer District No. 4 - Smithtown Galleria, as contained in the June 2010 report of the Sewer Agency and Department of Public Works to the Legislature. Said proposed amendments include the extension of the boundaries of the district to include certain commercial properties, and amendment and updating of the operation and maintenance budget such that there would be a change in the rate for sewage treatment from the \$470 per year per typical residential connection originally estimated in the July 2002 report and relied upon when a Public Hearing was held which led to the creation of the district, to a proposed rate of \$1420 per year per typical residential connection as required to support the budget contained in the June 2010 report.

At the public hearing, the Legislature will consider whether such proposed amendments are in the public interest, and acquisition and operation of the sewer district treatment facilities should proceed with such extended boundaries and rate of \$1420 per year per typical residential connection necessary to support the operation and maintenance of the district, or whether it would be in the public interest to rescind Legislative Resolution 1403-2004 and the notification to the NYS Comptroller, by which Sewer District No. 4 - Smithtown Galleria was created.

Suffolk County Sewer District No. 4 - Smithtown Galleria is currently comprised of an area laying entirely within the Town of Smithtown, known as the Hamlet of Smithtown, bounded by Terry Road (CR 16) to the west and Nesconset-Port Jefferson Highway (NYS Route 347) to the south, such area being more particularly bounded and described as follows:

PUBLIC NOTICE  
OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Suffolk County Legislature of the County of Suffolk New York will meet at the County Center in the meeting room of the Suffolk County Legislature in Riverhead, New York, in said County, on December 7, 2010 at 2:30 PM, Prevailing Time, for the purpose of conducting a public hearing upon a proposal to plan the increase and improve the sludge facilities that are associated with the Bergen Point Wastewater Treatment Plant (Sludge Management Plan) for Suffolk County Sewer District No. 3 - Southwest in and about the Towns of Islip and Babylon, in and for said County, substantially in accordance with certain maps, plans, report and recommendations prepared by and filed with the County Legislature by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, at which time and place said Suffolk County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The project is to provide consultant assistance with respect to the Sludge Management Plan. The cost associated with the project is \$200,000 for the engineering portion of the project. The project elements are more fully described and defined in the aforementioned maps, plans, report, and recommendations.

The existing district is billed on assessed value, a per parcel charge, and a user fee. It is proposed that the project will be implemented during 2011. Based on the project schedule, the maximum payment will be during 2012 at a value of \$19,000. Financing is at 4.65% over 20 years for serial bonds. This increased rate amounts to a value per typical property of approximately \$0.19 per year. This figure was developed using the full value of the Towns of Islip and Babylon along with the median full value of a typical property within the towns resulting in an increase of \$0.0005526 per \$1,000 of full value for Capital Project 8180, Sludge Management Plan.

In addition to the Sludge Improvements Project there are two concurrent projects in Sewer District No. 3 - Southwest. The total increase per typical property for all three projects is approximately \$18.64.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature, where the same may be examined during regular business hours.

It is requested that speakers prepare a written statement to submit for the record.

Tim Laube  
Clerk of the County Legislature

## NOTICE OF ADOPTION

NOTICE IS HEREBY GIVEN that the County Legislature of the County of Suffolk, New York, duly adopted Resolution No. 1045-2010 dated November 16, 2010, A Resolution Making Certain Findings and Determinations in relation to the increase and improvement of facilities for Sewer District No.7-Medford (CP 8150). A true copy of said resolution is attached hereto and published herewithin.

### **RESOLUTION NO. 1045-2010, A RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS IN RELATION TO THE INCREASE AND IMPROVEMENT OF FACILITIES FOR SEWER DISTRICT NO. 7 – MEDFORD (CP 8150)**

**WHEREAS**, a map and plan together with an estimate of cost has been prepared and filed with this Suffolk County Legislature (**“Legislature”**) resulting in a public hearing on October 12, 2010 in relation to the increase and improvement of facilities at Suffolk County Sewer District No. 7 – Medford; including improvements of the wastewater collection system; and

**WHEREAS**, pursuant to Resolution No. 878-2010, the Clerk of this Legislature did duly cause a Notice of Public Hearing to be published at least once in each of the official newspapers of the County, all in the manner and within the time provided by law and proof thereof has been presented to this Legislature; and

**WHEREAS**, said public hearing is to be held in Riverhead, New York in this County on October 12, 2010 at 2:30 p.m., Prevailing Time; and

**WHEREAS**, this Legislature has duly considered the map and plan and estimate of cost for the proposed increase and improvement of Suffolk County Sewer District No. 7 – Medford Sewer System that was submitted to it along with evidence presented at the aforesaid public hearing; now therefore be it

**1<sup>st</sup>** **RESOLVED**, by this Legislature, as follows:

**Section 1.** Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature hereby finds and determines that; 1) it is in the public interest to perform the proposed increase and improvement, including the sewer system; 2) the proposed work is adequate and appropriate; 3) the cost of such increase and improvement shall be set at a maximum of approximately \$200,000; and 4) the increase and improvement will not constitute an undue burden on the property which will bear the cost thereof;

**Section 2.** Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature further finds and determines that the cost of the project will equate to \$6.26 per year per typical property. However, this Legislature further finds and determines that there will be no fiscal impact to the benefited properties, since pursuant to the Suffolk County Sewer Assessment Stabilization Reserve Fund created by Suffolk County Law (Suffolk

County Charter Section 2-12(d)), all residents of sewer districts in Suffolk County experience only a 3% annual increase regardless of any improvements performed in such district;

**Section 3.** Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, and recommendations, and data filed with this Legislature, this Legislature further finds and determines that all property and property owners within the existing Suffolk County Sewer District No. 7 – Medford will be benefited by such increase and improvement of facilities and that no benefited property has been excluded therefrom;

and be it further

**2<sup>nd</sup>** **RESOLVED**, this Legislature, being the lead agency under the State Environmental Quality Review Act (“SEQRA”), Environmental Conservation Law Article 8, hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations (“NYCRR”), the Legislature has no further responsibilities under SEQRA; and be it further

**3<sup>rd</sup>** **RESOLVED**, that this resolution shall take effect immediately.

### **RESOLUTION NO. 1044-2010, A RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS IN RELATION TO THE INCREASE AND IMPROVEMENT OF FACILITIES FOR SEWER DISTRICT NO. 14 - PARKLAND (CP 8118)**

**WHEREAS**, a map and plan together with an estimate of cost has been prepared and filed with this Suffolk County Legislature ("**Legislature**") resulting in a public hearing on October 12, 2010 in relation to the increase and improvement of facilities at Suffolk County Sewer District No. 14 – Parkland; including construction and rehabilitation of the wastewater treatment process; and

**WHEREAS**, pursuant to Resolution No. 879-2010, the Clerk of this Legislature did duly cause a Notice of Public Hearing to be published at least once in each of the official newspapers of the County, all in the manner and within the time provided by law and proof thereof has been presented to this Legislature; and

**WHEREAS**, said public hearing is to be held in Riverhead, New York in this County on October 12, 2010 at 2:30 p.m., Prevailing Time; and

**WHEREAS**, this Legislature has duly considered the map and plan and estimate of cost for the proposed increase and improvement of Suffolk County Sewer District No. 14 – Parkland that was submitted to it along with evidence presented at the aforesaid public hearing; now, therefore be it

**1<sup>st</sup>** **RESOLVED**, by this Legislature, as follows:

**Section 1.** Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature hereby finds and determines that; 1) it is in the public interest to perform the proposed increase and improvement, including the construction and rehabilitation of wastewater treatment plant processes along with auxiliary equipment; 2) the proposed work is adequate and appropriate; 3) the cost of such increase and improvement shall be set at a maximum of approximately \$1,000,000; and 4) the increase and improvement will not constitute an undue burden on the property which will bear the cost thereof;

**Section 2.** Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, recommendations, and data filed with this Legislature, this Legislature further finds and determines that the cost of the project will equate to \$9.50 and \$7.50 per year per typical single family home and condominium property, respectively. However, this Legislature further finds and determines that there will be no fiscal impact to the benefited properties, since pursuant to the Suffolk County Sewer Assessment

Stabilization Reserve Fund created by Suffolk County Law (Suffolk County Charter Section 2-12(d)), all residents of sewer districts in Suffolk County experience only a 3% annual increase regardless of any improvements performed in such district;

**Section 3.** Upon evidence given at the aforesaid public hearing and after due consideration of the maps, plans, reports, and recommendations, and data filed with this Legislature, this Legislature further finds and determines that all property and property owners within the existing Suffolk County Sewer District No. 14 – Parkland will be benefited by such increase and improvement of facilities and that no benefited property has been excluded therefrom;

and be it further

**2<sup>nd</sup>** **RESOLVED**, this Legislature, being the lead agency under the State Environmental Quality Review Act (“SEQRA”), Environmental Conservation Law Article 8, hereby finds and determines that this law constitutes a Type II action, pursuant to Volume 6 of New York State Code of Rules and Regulations (“NYCRR”), the Legislature has no further responsibilities under SEQRA, and be it further

**3<sup>rd</sup>** **RESOLVED**, that this resolution shall take effect immediately.
