**IMPROVEMENTS TO SAGTIKOS MANOR  
TOWN OF WEST BAY SHORE, NEW YORK  
CAPITAL PROJECT NO. 7164**

The work consists of the following:

Sagtikos Manor, shore in West Bay Shore, New York on Montauk Highway (Rt. 27A), is a ten acre manor listed on the National Register of Historic Places. The manor is made up of various buildings, structures, and historic gardens. Under this project, Suffolk County in partnership with the Sagtikos Manor Historic Society (SMHS) will be restoring the drive, historical gardens, grounds and related structures. Work includes site restoration, archaeology coordination, installation of new planting, landscape restoration, permanent irrigation system, tree, shrub, and invasive plant removal and transplanting, gravel drive and parking area construction, restoration of brick garden wall, statuary, wood gates, wood pergola, iron gates, potting shed, fire pump shed, calling bell, and cemetery fence. This listing shall not be construed to be all inclusive. For items considered alternates and not-in-contract, reference contract drawing G-01 and Bid Form pages BF-4 and BF-5.

Sagtikos Manor is a working public facility. Several public events are currently scheduled for 2015, which the Contractor and Sub-contractors, are required to work around. For the events(scheduled on non-working days), the Sagtikos Manor grounds shall be left clean, safe, and usable during the event. See page SCB-4 and SCB-5 for events schedule as a reference.

This property has been determined to possess historic and (e.g., architectural, engineering, artistic) significance and is listed in the National Register of Historic Places. The contractor shall recognize that all aspects of the property may potentially contribute to this significance and the contractor shall not judge the relative significance of any features nor the impact of any or all proposed work. This responsibility shall rest solely with the landscape architect. Consequently no deviations from the contract documents shall be performed and no features or materials shall be altered, removed, reused, or taken from the premises, without the written approval of the landscape architect as being consistent with the requirements of the contract documents. All work shall be consistent with *The Secretary of the Interior's Standards for the Treatment of Historic Properties*.

This project is in part funded by a grant from the NYS Office of Parks, Recreation and Historic Preservation through Title 9 of the Environmental Protection Act of 1993. Under Article 15A, Executive Law, the State of New York is committed to providing Minority and Women Owned Business (MWBE) equal opportunity to participate in government contracts. The following goals have been set for this project: 8% of the contract value for MBE's and 7% of the contract value for WBE's. The successful bidder may be required to furnish an EEO policy statement and reports showing the participation of various business enterprises of subcontractors and suppliers on the contract.

## **NOTICE OF PUBLIC HEARING**

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Legislature in Hauppauge, New York, in said County, on March 24, 2015 a 6:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon a proposal for increases and improvements to the facilities of Suffolk County Sewer District No. 3-Southwest, in and about the Towns of Babylon and Islip, substantially in accordance with the maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

### **Project Description**

The increase and improvement to Suffolk County Sewer District No. 3-Southwest includes replacement of 14,000 feet of outfall pipe beneath the Great South Bay. The project is more fully described and defined in the aforementioned maps, plans, report and recommendations. The estimate of the cost associated with the increase and improvement project is \$207 million. All property and property owners within said District are benefited by the increase and improvement.

### **Notice of Cost**

The total cost for the increases and improvements to Suffolk County Sewer District No. 3-Southwest will be financed with funding sources including sewer district serial bonds and Southwest Assessment Reserve Fund 405. It is proposed that the project will be implemented during 2016 and that \$207 million in sewer district serial bonds will be appropriated during 2015.

There will be no fiscal impact to the benefited properties in the District inasmuch as the costs for the increases and improvements will be offset by, among other things, anticipated receipt of Environmental Facilities Corporation funds, federal and/or state grant and aid funds, as well as the use of funds available in Southwest Assessment Reserve Fund 405.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature where the same may be examined during regular business hours.

It is requested that speakers prepare a written statement to submit for the record.

Tim Laube  
Clerk of the County Legislature
