Suffolk County Executive

DATED: Hauppauge, New York

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Legislature in Hauppauge, New York, in said County, on March 24, 2015 a 6:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon a proposal for increases and improvements to the facilities of Suffolk County Sewer District No. 3-Southwest, in and about the Towns of Babylon and Islip, substantially in accordance with the maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

Project Description

The increase and improvement to Suffolk County Sewer District No. 3-Southwest includes replacement of 14,000 feet of outfall pipe beneath the Great South Bay. The project is more fully described and defined in the aforementioned maps, plans, report and recommendations. The estimate of the cost associated with the increase and improvement project is \$207 million. All property and property owners within said District are benefited by the increase and improvement.

Notice of Cost

The total cost for the increases and improvements to Suffolk County Sewer District No. 3-Southwest will be financed with funding sources including sewer district serial bonds and Southwest Assessment Reserve Fund 405. It is proposed that the project will be implemented during 2016 and that \$207 million in sewer district serial bonds will be appropriated during 2015.

There will be no fiscal impact to the benefited properties in the District inasmuch as the costs for the increases and improvements will be offset by, among other things, anticipated receipt of Environmental Facilities Corporation funds, federal and/or state grant and aid funds, as well as the use of funds available in Southwest Assessment Reserve Fund 405.

A copy of the map, plan, and estimate of costs relating to said proposed increase and improvement of facilities is on file in the Office of the Clerk of said County Legislature where the same may be examined during regular business hours.

It is requested that speakers prepare a written statement to submit for the record.

Tim Laube
Clerk of the County Legislature
