NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Legislature of the County of Suffolk New York will meet at the County Center in Riverhead, New York in said County, on 10th day of May 2016 at 2:30 pm, Prevailing Time, for the purpose of conducting a public hearing upon the Map and Plan for the increases and improvements to the facilities of Suffolk County Sewer District No. 14 – Parkland; in and about the Town of Brookhaven substantially in accordance with the maps, plans, report and recommendations prepared by the Suffolk County Sewer Agency, with the assistance of the Suffolk County Department of Public Works, and filed with the Legislature of the County of Suffolk, at which time and place said County Legislature will consider such proposal and hear all parties interested therein concerning the same.

The public hearing is being held to address a proposed cost associated with the Map and Plan for the increase and improvement to the facilities of Sewer District No. 14 – Parkland.

Notice of Cost

The cost of the increase and improvement to the facilities of Sewer District No. 14 – Parkland is estimated at \$250,000 as set forth in the Map and Plan.

There will be no fiscal impact to the benefited properties within Suffolk County Sewer District No. 14 – Parkland, since pursuant to the ASRF, all property owners in Suffolk County sewer districts experience a 3% annual increase regardless of any increases or improvements performed. In the case of Suffolk County Sewer District No. 14, the annual ASRF increase will result in an increase of approximately \$11.00 per typical property within the District, regardless of additional funds necessary to complete the increase and improvement. Therefore, there is no fiscal impact caused to the benefited properties in the District as a result of the Map and Plan that reflects the cost of the increases and improvements.

Copies of the map, engineering report, the public hearing report and the project summaries are available in the Office of the Department of Public Works, located in Yaphank and the Office of the Clerk of the County Legislature where they can be reviewed during normal business hours Monday through Friday. We encourage all interested parties to appear. Any questions should be forwarded to Ben Wright at 631-852-4184 at the Suffolk County Department of Public Works.
