

# Victory Garden Task Force to hold Four public hearings in March

The Suffolk County Victory Garden Task Force will hold four public hearings during March 2010 to gather public input and recommendations for action by the Suffolk County Legislature. Chaired by Deputy Presiding Officer Vivian Viloría-Fisher, the Task Force was formed in January 2010 with the purpose of:

- Studying and analyzing information on increasing the development of community Victory Gardens
- Establishing a plan to distribute produce grown on publicly owned property
- Developing a program to encourage the creation and maintenance of Victory Gardens

With public hearings to be held throughout Suffolk County, all interested parties are encouraged to attend one the following forums:
