CELL PHONES FOR SOLDIERS

Presiding Officer DuWayne Gregory Sponsors Collection for our Troops

Amityville, NY – Presiding Officer DuWayne Gregory is announcing an ongoing drive to collect unwanted cell phones to benefit our military personnel serving overseas.

“Our community proudly supports our soldiers and their families,” Gregory stated. “With your generosity, our servicemen and women will have the opportunity to call their loved ones.”

Gregory is a longtime supporter of the *Cell Phones For Soldiers Program*, a non-profit organization whose mission is to keep families connected by providing free communication service to active-duty military members and veterans. Donated cell phones are recycled and the funds received are used to purchase of international calling cards. Since 2004, over 11 million phones have been donated. Currently, the program distributes 8,000 phone cards each week. Visit <http://www.cellphonesforsoldiers.com/about.php> for more information.

Residents may bring their unwanted cell phones to P.O. DuWayne Gregory’s district office, located at 15 Albany Avenue, Amityville. For additional information, please contact us at 631-854-1111.
