Presiding Officer DuWayne Gregory served as the keynote speaker for the St. Joseph's College Military Graduate Recognition Ceremony at St. Joseph's Long Island Campus on March 30.

Amityville, NY – Suffolk County Legislature Presiding Officer DuWayne Gregory recently served as the keynote speaker for the St. Joseph's College Military Graduate Recognition Ceremony at St. Joseph's Long Island Campus.

"On behalf of the residents of Suffolk County, it was my privilege to take part in celebrating the academic accomplishments of these young men and women who protect our country," said Presiding Officer Gregory. "Among the many ideals my military service instilled in me was the significance of leadership and integrity. The world needs more leaders for whom integrity is of the utmost importance – and who better to look to than our military graduates?"

The event celebrated the graduation of 50 military-affiliated students from St. Joseph's Long Island campus. Graduates representing each of the five armed service branches (Air Force, Army, Coast Guard, Marine Corps, and Navy) were in attendance, including active members, veterans, reserves, spouses and dependents.
