Legislator John M. Kennedy, Jr. commends Modell's Sporting Goods for Supporting the Commack Youth League

Legislator Kennedy is partnering with Modell's Sporting Goods for "Modell's Community Weekend" held on the weekend of March 6th through the 8th. Modell's Sporting Goods announced that when patrons mention **Commack Youth League** when making their purchase during Community Weekend, Modell's Sporting Goods will make a donation of 10% of their total purchase towards Commack Youth League. Further, customers will also receive a 10% discount off their total purchase. 10% for you and 10% for the community, a win-win scenario for everybody! The Modell's Sporting Goods store that is promoting the organization is located at **5025 Jericho Tpke, Commack, NY 11725**.

The Commack Youth League had made it possible for a total of 834 youth, ages 4 to 14, to participate in physical activity last year, during a period of time when childhood obesity has become a major issue. The youth have the opportunity to participate in three major sports such as football, cheerleading, and lacrosse during their respective seasons. Each of the sports offered allow the Commack youth to become familiar with a sport and learn to live a healthy lifestyle. The Commack Youth League has stated that all donations will go towards constructing necessary facilities at their multipurpose athletic field, located behind the John Mandracchia-Sawmill Intermediate School on New Highway in Commack.

Legislator Kennedy, who initiated this fundraising drive to help with the construction of the Commack Youth League multi-purpose field, commended the generosity of Modell's. Upon the announcement of Commack's successful selection by Modell's for their Community Weekend, Legislator Kennedy stated, "Merchants who support our community leagues deserve our support. I encourage

everyone to head to Modell's for the weekend of March 6th-8th, and purchase some spring sports gear. You'll save money and assist our youth. The busy season is right around the corner!"
