LEGISLATOR KENNEDY WELCOMES DOCTOR WHO CONVENTION TO HAUPPAUGE

(Legislator Leslie Kennedy, Suffolk County Comptroller John Kennedy, and Assemblyman Michael Fitzpatrick with the organizers of the Long Island Doctor Who Convention at the Hyatt Regency Long Island)

November 11, 2016 –This Friday Legislator Leslie Kennedy (R-Nesconset) and Suffolk County Comptroller John Kennedy stopped in to visit at Long Island's 4th Annual Doctor Who Convention, or L.I. Who 4, as it is known to local Whovians.

The event took place over the Veteran's Day weekend and was hosted at the Hyatt Regency Long Island on Motor Parkway in Hauppauge, N.Y. It is a fan-run and fan-supported convention which has just celebrated its fourth consecutive year here on Long Island. The fans even took the opportunity to give back to Veterans, hosting a complimentary Veterans breakfast on Friday morning.

Doctor Who fans, however; have been around for much longer. The show first aired on the BBC in 1963 and has since expanded across the pond and around the globe. Throughout the course of the 3-day weekend, the Hyatt Regency was filled with thousands of Doctor Who fans dressed in costumes, selling merchandise, and hosting panels.

Legislator Kennedy would like to again thank the Whovians for hosting their convention in our community and hopes that they continue to choose Hauppauge as the home for future conventions.

For information on this event or other community events, feel free to contact Legislator Kennedy's office at (631) 854-3735 or contact us on Facebook at [facebook.com/legislatorlesliekennedy](https://www.facebook.com/legislatorlesliekennedy).
