45 RPM Rocks Nesconset for Season Finale

(Legislator Leslie Kennedy and Madison McNally)

August 15th, 2017 – On a bittersweet Tuesday night, the Nesconset Community gathered for the last summer concert of the series. This evening 45 RPM played the songs of the 1970's, arguably AM Radio's golden age. To mark the ending of the summer series, the 4th Precinct Police Explorers presented the Colors as the Color Guard. Kicking things off Madison McNally, of Centereach High School, sang the National Anthem exquisitely.

45 RPM then brought Nesconset back to the 1970's, before everyone had iTunes, and the only portable device was your AM/FM radio. They played the songs often overlooked, but deeply woven into the fabric of our American Culture. The crowd was happy to hear them play a fantastic show to close out the year of Nesconset Summer Concerts.

“This was a remarkable way to end the summer series, 45 RPM is such a great band, their music takes me back to my younger days,” said Legislator Kennedy. “I want to thank Guy Gourlay and the Police Explorers for presenting the colors this evening, and I would like to thank Madison McNally for singing our National Anthem. I would also like to thank Christine DeAugustino and the Nesconset Chamber of Commerce for organizing an excellent Summer Concert Series, I look forward to next years concerts!”
