Horsley Elected Deputy Presiding Officer

Horsley Welcomes the Leadership Role

Lindenhurst, NY – Legislator Wayne Horsley has been elected by the full body of his peers to be the Deputy Presiding Officer of the Suffolk County Legislature. Horsley earned the title after winning the post in the Legislature’s annual leadership vote. This new role brings increased responsibilities both within the majority caucus and full legislature.

“I look forward to working more closely with the Presiding Officer to help get our County through this time of change” stated Horsley. “I have the utmost confidence we will reach the best ends possible for residents in our County through a persistent dialogue with the new administration working as a co-equal branch of government” he continued. Horsley understands the need for leadership in government and is enthusiastic to take on his increased role.

Horsley also commented, “I am honored to accept the duties of Deputy to Bill Lindsay, the ‘Lion of the Legislature.’ All of us in this body will work diligently to tackle the toughest problems facing the taxpayers of Suffolk County. This is a place where people work a little harder and deserve the best possible services in return for the high cost of living” the Deputy Presiding Officer concluded.
