LEGISLATOR STEVE STERN SPEAKS TO VANDERBILT SECOND GRADE CLASSES

Students offer their ideas for "new laws"

Legislator Steve Stern, Mrs. Rissa Zimmerman and second grade students

HUNTINGTON, NY– Legislator Steve Stern (D-Huntington, 16th L.D), visited second grade classes at Vanderbilt Elementary School to discuss Suffolk County government and the role of a Legislator in our community. As part of their social studies curriculum, the children had prepared an assignment suggesting ideas for "new laws."

"I always enjoy meeting with our children and teaching them about government and the good things that government can do," Legislator Stern said. "These students are our future leaders and it is never too soon to become interested in government and to seek new ideas to better our community. I thank Principal Boettcher and the second grade teachers at Vanderbilt for making this a special day."
