**LEGISLATOR D'AMARO VISITS WITH
BRUMIDI LODGE LADIES AUXILIARY MEMBERS**

Suffolk Legislator Lou D'Amaro (D-North Babylon), center, joined members of the Ladies Auxiliary of the Sons of Italy, Constantino Brumidi Lodge of Deer Park and North Babylon following their participation in the 2009 Huntington Columbus Day Parade.

Suffolk Legislator Lou D'Amaro (D-North Babylon) recently addressed and met with the members of the Ladies Auxiliary of the Sons of Italy, Constantino Brumidi Lodge of Deer Park and North Babylon at their monthly meeting where he discussed issues of local concern and legislative initiatives that impact them, their families and the community. Topics of discussion included taxes, quality of life issues and recent bills that he sponsored banning trans fats in Suffolk County eating establishments and requiring the posting of calorie counts on chain restaurant menu boards. Both bills will go into effect in the coming months. Leg. D'Amaro, who grew up in Deer Park and now resides in North Babylon, is a member of the Brumidi Lodge and also met many of the Ladies Auxiliary members a week earlier while marching in the 2009 Huntington Columbus Day Parade.

"The Ladies Auxiliary of the Constantino Brumidi Lodge is a tremendous part of the local community that I am proud to call home," Legislator D'Amaro said. "I thank them for all that they do to support the area's youth and families and for being so welcoming to me at their monthly meeting."
