LET THERE BE LIGHTS!

Deer Park HS Unveils New Football Field Illumination

Legislator Lou D'Amaro (D-North Babylon), second from right, joins Deer Park Superintendent Eva Demyen, School Board President Dennis Ryan and Babylon Town Clerk Carol Quirk at Deer Park High School's inaugural "Friday Night Lights" homecoming pep rally.

Amidst much anticipation and excitement, "Friday Night Lights" recently came to Deer Park High School when, for the first time in school history, the homecoming pep rally was held at night on the football field, thanks to the installation of a new lighting system. Joining the teams, fans, parents, School Board President Dennis Ryan and new School District Superintendent Eva J. Demyen were local dignitaries including Babylon Supervisor Steve Bellone, Suffolk County Legislator Lou D'Amaro (D-North Babylon), a proud 1979 graduate of Deer Park High School, Suffolk County Legislator Steve Stern (D-Huntington), Town Clerk Carol Quirk and Councilmen Lindsay Henry and Tony Martinez.

"Deer Park High School has a great tradition of excellence in both athletics and community pride and now we have an exciting new forum to continue that legacy," said Legislator D'Amaro. "You never forget where you come from, and I am honored to help usher in this exciting new era in Deer Park history."
