Legislators D'Amaro and Stern Help Induct Deer Park HS Students into National Honor Society

Forty-One Students Selected to Receive Prestigious Recognition

Suffolk Legislator Lou D'Amaro, left, and, third from right, Suffolk Legislator Steve Stern, Deer Park Superintendent Eva Demyan and High School Principal James Cummings congratulate new Deer Park High School Honor Society inductees.

(DEER PARK, NY... December 15, 2009) – Extolling their scholastic and service achievements, and commending them for their displays of leadership and character, Suffolk County Legislators Lou D'Amaro (D-North Babylon) and Steve Stern (D-Huntington) recently joined with school and district administrators to help induct 41 Deer Park High School students into The National Honor Society (NHS).

Established in 1921, NHS honors those students who have demonstrated excellence in Scholarship, Leadership, Service, and Character, according to the organization's charter. It is estimated that more than 1 million students participate in National Honor Society activities. Chapter membership not only recognizes students for their academic accomplishments, but also challenges them to develop further through active involvement in school activities and community service.

The Legislators joined Deer Park School District Superintendent Eva Demyan, Deer Park High School Principal James Cummings, Advisors Annemarie Lenio and Jill Perry-Eising and Babylon Town Councilwoman Jacqueline Gordon at the 48th Annual NHS Induction Ceremony.

“The National Honor Society is one of the nation's premier organizations established to recognize outstanding high school students, and I am proud to honor our local Deer Park inductees,” D'Amaro said. “These exemplary students give selflessly to both their school and community and are extremely well-deserving of our praise, appreciation and respect.”

Legislator Stern added, “It is my privilege to honor and congratulate these accomplished students. They have distinguished themselves not only through their outstanding academic achievements but also through their dedicated service. They bring great pride to their families, school and community.
