### **National Night Out Announcement Brings Attention to Essential Relationship Between the Police Department and Community**

**Huntington Station, NY** - Suffolk County Legislator William R. Spencer joined Police Commissioner Timothy Sini, town officials from across Suffolk County and law enforcement today at Manor Field Park in Huntington Station to announce tomorrow night's National Night Out event which will be celebrated in all 7 SCPD Precincts. Legislator Spencer's statement on National Night Out is included below:

*"This annual community event heightens crime/drug prevention and awareness and bolsters the critical relationship between the police department and community. It is a night that we teach and remind our young people the critical importance of trust and engagement between law enforcement and residents. When that relationship is nurtured, we are all safer.*

*I wanted to use this as an opportunity to express my support for our police officers. Our brave men and women will always have my enduring support and I have complete confidence that our police force will continue to adhere to the highest standards of professionalism.*

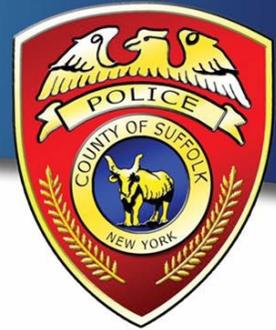

*With recent comments made that could potentially erode trust, I would like to reaffirm the honorable code of conduct held by SCPD, and reiterate that those taken into custody are innocent until proven guilty and will be treated with respect. Any suggestion of any behavior short of those standards is unacceptable and puts everyone at risk.*

*I look forward to National Night Out tomorrow at Manor Field Park in Huntington Station. It will be a fun and educational night!"*

All members of the community are welcome and encouraged to attend. Please see the flyer below.
