**Medford, NY** – The Gordon Heights Sports Coach & Parents Association recently received a \$1,000 grant from Legislator Kate Browning (WF-Shirley) to help pay for sports equipment. The money was secured through Suffolk County’s “Community Support Initiative” and helped defray costs to the non-profit organization.

“This is an important grant fund that helps small organizations survive during these tough economic times,” stated Legislator Browning. “The purchase of this equipment at no cost to the sports association will allow them to keep league fees low for parents who are struggling to make ends meet. I am committed to providing a safe and active environment for our children.”
