Brookhaven, NY – The Bellhaven Center for Rehabilitation and Nursing Care, located on Beaver Dam Rd. in Brookhaven, celebrated the Open House of their newly renovated facility on November 13, 2012. Legislator Kate Browning (WF-Shirley), whose district includes the Bellhaven facility, joined Executive Director Charles-Edouard Gros, Medical Director Dr. Robert Roche, Brookhaven Memorial Hospital C.O.O. Richard Margulis and other officials for a ribbon cutting ceremony and viewing of the renovated building.

“I was honored to share in the celebration of this newly renovated facility,” stated Legislator Kate Browning. “Bellhaven provides important health care services to Suffolk County residents and I know these upgrades will be enjoyed by current and future residents alike. This is a welcome change and the building looks absolutely beautiful. It also ensures that Bellhaven will be in our community for years to come. I wish them much success.”
