**Center Moriches, NY** – Communities across Suffolk County came together on Monday, May 26, 2014 to hold Memorial Day parades and ceremonies in honor of those Americans that have paid the ultimate sacrifice for their Country. Legislator Kate Browning (WF-Shirley) and her staff participated at several events in Center Moriches, Mastic, Mastic Beach and Brookhaven Hamlet in order to remember the brave men and woman who sacrificed themselves to ensure our freedom and prosperity here at home.

“It is always a honor and pleasure to join resident’s from across the third legislative district in remembering our local heroes who sacrificed everything so that we can continue to live in a free and great nation,” stated Legislator Kate Browning. “There is no greater honor or more selfless act than giving up one’s life for their country. We must also do everything we can to help the families that are forced to take on tremendous challenges after losing their loved ones. It is important that we not only remember those we have lost, but that we also support the families they have left behind.”
